Item 2.05 Costs Associated with Exit or Disposal Activities.

On May 31, 2013, PulteGroup, Inc. (the "Company") issued a press release announcing the Company's plan to relocate its corporate offices to Atlanta, Georgia, from its current location in Bloomfield Hills, Michigan, in 2014. The decision to relocate reflects long-term growth trends for the Company and the homebuilding industry and is intended to bring the Company's corporate offices closer to the Company's customers and a larger portion of its investment portfolio. The relocation of operations will occur in phases over time but is expected to be substantially complete no later than early 2015.

The Company expects to incur the following approximate costs in connection with the relocation, the substantial majority of which represent future cash expenditures:

Employee severance, retention, and relocation costs	\$17 million to \$22 million
Asset impairments	\$0.5 million to \$1 million
Lease termination and other exit costs	\$27 million to \$32 million

The Company expects to record charges of approximately \$10 million to \$15 million in 2013 related to the relocation with the remaining costs to be recognized primarily in 2014 and early 2015.

The Company will also incur costs at the new location related to the recruitment and onboarding of new employees and certain redundant operating costs. The amount of such costs is not expected to be material.

Item 9.01 Financial Statements and Exhibits.
