Agreement and Plan of Merger with SST

On February 2, 2010, Microchip Technology Incorporated, a Delaware corporation (“Microchip”), Silicon Storage Technology, Inc., a California corporation (“SST”), and Sun Acquisition Corporation, a California corporation and a direct, wholly-owned subsidiary of Microchip (“Merger Sub”), entered into an Agreement and Plan of Merger (the “Merger Agreement”). The Merger Agreement provides for the acquisition of SST by Microchip by means of a merger of Merger Sub with and into SST, with SST being the surviving corporation. As a result of the Merger, SST would become a wholly-owned subsidiary of Microchip (the “Merger”) and each share of SST common stock (other than those shares owned by SST and with respect to which dissenters rights are properly exercised and not withdrawn) issued and outstanding immediately prior to the effective time of the Merger, will be converted into the right to receive a cash amount of \$2.85 per share, without interest. Each outstanding option or other right to purchase SST common stock (whether vested or unvested) shall be cancelled and the holder of such option or right shall be entitled to receive, subject to any required withholding taxes, an amount equal to the product of (x) the number of shares of SST common stock subject to such option or right and (y) the excess, if any, of \$2.85 over the exercise price per share of such SST option or right.

The Boards of Directors of Microchip and SST have approved the Merger and the Merger Agreement. The transaction is subject to customary closing conditions including approval by the holders of a majority of the outstanding shares of SST.

The Merger Agreement contains representations, warranties and covenants of Microchip, SST and Merger Sub, including among others, (i) covenants by SST concerning the conduct of its business in the ordinary course during the interim period between the execution of the Merger Agreement and the consummation of the Merger, (ii) a covenant by SST that, subject to certain exceptions, the Board of Directors of SST will recommend to its shareholders adoption of the Merger Agreement, and (iii) a covenant that SST will not solicit, initiate, knowingly encourage or knowingly facilitate, any inquiries or the making of any proposal or offer with respect to or that would be reasonably expected to lead to any Acquisition Proposal (as defined in the Merger Agreement). The Merger Agreement contains certain termination rights for both Microchip and SST and further provides that upon termination of the Merger Agreement under specified circumstances SST may be required to pay Microchip a termination fee. Under specified circumstances, SST may be required to reimburse certain of Microchip’s expenses incurred in connection with the Merger.

The foregoing description of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement. Microchip plans to file a copy of the Merger Agreement as an exhibit to its Form 10-Q for its third quarter ended December 31, 2009. We encourage you to read the Merger Agreement for a more complete understanding of the transaction.

On February 3, 2010, Microchip issued a press release relating to the Merger. A copy of the press release is attached hereto as Exhibit 99.1.
