PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON
THURSDAY, MAY 22, 2003

INTRODUCTION

This Proxy Statement and the accompanying Notice of Annual Meeting and Proxy Card are being furnished, on or about April 21, 2003, to the stockholders of Innoovo Group Inc. (the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company to be used at the 2003 Annual Meeting of Stockholders of the Company (the "Annual Meeting") to be held on Thursday, May 22, 2003 at 10:00 a.m. (local time) The Wyndham Commerce Hotel, 5757 Telegraph Road, Commerce, CA 90040, and any adjournment thereof. The Company's 2002 Annual Report, which includes its consolidated financial statements and is not part of the proxy solicitation material, is being mailed with this Proxy Statement.

At the Annual Meeting, the holders of the Company's common stock (the "Common Stock") will vote upon: (a) the election of

Edgar Filing: INNOVO GROUP INC - Form DEF 14A

seven directors to serve until the Company's 2004 annual meeting of stockholders and until their respective successors are elected and qualified; (b) the approval and ratification of the issuance of options to purchase an aggregate of 200,000 shares of the Company's common stock to each of the Company's Chief Executive Officer, and the Company's President (the "Option Grant Proposal"); (c) the ratification of the appointment of Ernst & Young, LLP as the Company's independent auditors for the fiscal year ending November 30, 2003; and (d) such other matters as may properly come before the Annual Meeting or any adjournment or postponement thereof.

A proxy for use at the Annual Meeting is enclosed. Any stockholder who executes and delivers such proxy has the right to revoke it at any time before it is exercised. The presence of a stockholder at the Annual Meeting will not automatically revoke such stockholder's proxy. Stockholders may, however, revoke a proxy at any time prior to its exercise by filing with the Secretary of the Company a written notice of revocation, by delivering to the Company a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person.

Subject to such revocation, if the enclosed form of proxy is properly executed and returned to the Company in time to be voted at the Annual Meeting, the shares represented thereby will be voted in accordance with the instructions thereon. If no instruction is specified with respect to a written matter to be acted upon, shares represented by the proxy will be voted: (a) "FOR" election of the Board of Director's seven nominees for director; (b) "FOR" the Option Grant Proposal; and (c) "FOR" the ratification of the appointment of Ernst & Young LLP as the Company's independent auditors.

If any other matters are properly brought before the Annual Meeting, proxies will be voted in the discretion of the proxy holders. The Company is not aware of any other matters to be presented at its Annual Meeting.

The cost of preparing, assembling, printing and mailing this Proxy Statement and the material used in the Solicitation of Proxies will be borne entirely by the Company. It is contemplated that the proxies will be solicited by mail, but directors, officers and regular employees of the Company may solicit proxies personally, without extra remuneration, by personal interviews, telephone, telegraph or otherwise. The Company will request persons, firms and corporations holding shares in their name or in the names of their nominees, which are beneficially owned by others, to send proxy materials to and obtain proxies from the beneficial owners and will reimburse the holders for their reasonable expenses in doing so.

VOTING SECURITIES

The securities that may be voted at the Annual Meeting are the Company's shares of Common Stock. Each outstanding share of Common Stock entitles its owner to one vote on each matter as to which a vote is taken at the Annual Meeting. Holders of Common Stock do not have cumulative voting rights. The close of business on April 17, 2003 has been fixed by the Board of Directors as the record date (the "Record Date") for

Edgar Filing: INNOVO GROUP INC - Form DEF 14A

determination of stockholders entitled to notice of and to vote at the Annual Meeting. On the Record Date, it is expected that approximately 15,129,764 shares of Common Stock will be outstanding and entitled to vote. The presence, in person or by proxy, of the holders of record of at least a majority of the shares of Common Stock issued and outstanding and entitled to vote on the Record Date is necessary to constitute a quorum for the transaction of business at the Annual Meeting.

A plurality of the votes duly cast by holders of Common Stock is required for the election of the directors. That is, the nominees receiving the greatest number of votes will be elected.

Approval and ratification of the Option Grant Proposal requires the affirmative vote of a majority of the votes duly cast by holders of Common Stock.

Ratification of the appointment of Ernst & Young, LLP as the Company's independent auditors for the fiscal year ending November 30, 2003 requires the affirmative vote of a majority of the votes duly cast by holders of Common Stock.

Unless otherwise required by law or the Company's Certificate of Incorporation or the Company's Amended and Restated Bylaws (the "Bylaws"), any other matter put to a stockholder vote will be decided by the affirmative vote of a majority of the votes duly cast by holders of Common Stock.

Abstentions and broker non-votes will be counted as present for the purpose of determining if a quorum is present. Broker non-votes occur when a nominee holding shares for a beneficial owner does not vote on a particular matter because the nominee does not have discretionary voting power with respect to that matter and has not received instructions from the beneficial owner.

In connection with the election of the director nominees, the approval of the Option Grant Proposal, the ratification of the appointment of Ernst & Young, LLP as the Company's independent auditors for the fiscal year ending November 30, 2003 and the adoption of all other proposals that may properly come before the Annual Meeting, abstentions and broker non-votes will not be deemed "votes cast" and accordingly will not have the effect of votes in opposition.

NO APPRAISAL RIGHTS

Under the General Corporation Law of the State of Delaware, stockholders of the Company do not have appraisal rights in connection with any of the proposals upon which a vote is scheduled to be taken at the Annual Meeting.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR APPROVAL OF THE PROPOSALS SET FORTH IN THIS PROXY STATEMENT.

ELECTION OF DIRECTORS (PROPOSAL 1)

The Company's Bylaws provide that the Board of Directors shall consist of not fewer than three Directors, with the exact number of Directors (subject to such minimum and any range of size established by the Company's stockholders) to be determined by resolution of the Board of Directors. The Board of Directors currently consists of seven Directors. At the Annual Meeting, seven Directors will be elected to serve until the 2004 annual meeting of stockholders, which is expected to be held in May 2004. The Board of Directors' nominees for election are set forth below.

Each of the Company's Directors is elected at the annual meeting of stockholders and serves until the next annual meeting and until a successor has been elected and qualified or their earlier death, resignation or removal. Vacancies in the Board of Directors are filled by a majority vote of the remaining members of the Board of Directors.

In connection with investments by Commerce Investment Group, LLC and other investors affiliated with Hubert Guez ("Commerce Group") during August and October 2000, (as discussed in this Proxy Statement under "Certain Related Party Transactions"), the Company agreed that Mr. Guez shall have the right to nominate three individuals for election to the Board. Additionally, one of Mr. Guez's nominees, if elected, shall have the right to serve on each of the Company's Board committees. Mr. Guez has not nominated any Board member at this time. Joseph Mizrachi, pursuant to investments made in October 2000, has the right to nominate one individual for election to the Board, with this individual having the right to serve on the Company's Board committees upon election. Mr. Mizrachi, at this time, has not nominated a member to the Board.

As a condition to the investment made by the Commerce Group, the Company amended its Bylaws to provide that from November 2, 2000 until November 1, 2003 the number of members of the Board of Directors will be between three and twelve, with the exact number to be designated by the Board of Directors. The investments made by the Commerce Group are further discussed in this Proxy Statement under "Certain Relationships and Related Transactions."

Unless otherwise instructed on the proxy, properly executed proxies will be voted for the election as Directors of all of the nominees set forth below. The Board of Directors believes that all such nominees will stand for election and will serve if

Edgar Filing: INNOVO GROUP INC - Form DEF 14A

elected. However, if any of the persons nominated by the Board of Directors fails to stand for election or is unable to accept election, proxies will be voted by the proxy holders for the election of such other person or persons as the Board of Directors may recommend. Directors will be elected by a plurality vote.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF ITS NOMINEES FOR DIRECTORS.

In addition, the Audit Committee recommends to the full board the selection of the independent auditors.

The Audit Committee consists of three directors who are "Independent" for purposes of the NASDAQ listing standards.

In performing its oversight function, the Audit Committee reviewed and discussed the audited consolidated financial statements of the Company as of and for the year ended November 30, 2002 with management and the Company's independent auditors. The Audit Committee also discussed with the Company's independent auditors all matters required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, "Communication with Audit Committees" as amended by the Auditing Standards Board of the American Institute of Certified Public Accountants, and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements.

Edgar Filing: INNOVO GROUP INC - Form DEF 14A

independent auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees." The Audit Committee discussed with the independent auditors any relationships that may have an impact on their objectivity and independence and satisfied itself that the non-audit services provided by the independent accountants are compatible with maintaining its independence.

Based on the above-mentioned review and discussions with management and the independent auditors, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended November 30, 2002 for filing with the Securities and Exchange Commission.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2002, the Executive Compensation Committee of the Board of Directors was comprised of John G. Looney, MD, Daniel A. Page and Marc B. Crossman. Mr. Crossman resigned from this Committee when he was appointed to be the Company's Chief Financial Officer. Mr. Suhail R. Rizvi replaced Mr. Crossman on the Executive Compensation Committee.

During 2002, no executive officer of the Company served on the board of directors or compensation committee of any other entity that had one or more executive officers serving as a member of the Board or Executive Compensation Committee of the Company.

REPORT OF THE EXECUTIVE COMPENSATION COMMITTEE

As the Company's business grows, the Executive Compensation Committee expects to work closely with management to design an executive compensation program to assist the Company in attracting and retaining needed outstanding executives and senior management personnel. The design and implementation of such program will evolve as needed, but will be based primarily on two elements: (i) providing compensation opportunities that are competitive with competing companies of similar size; and (ii) linking executives' compensation with the Company's or a division's financial performance by rewarding the achievement of short-term and long-term objectives of the Company.

The three principal components of the executive compensation program are expected to include annual base salary, short-term incentive compensation in the form of performance bonuses payable in cash each year, and long-term incentive compensation in the form of stock options. The Company has not previously needed to attract additional executive management through its compensation arrangement, but expects have such requirements in the near future. Executive officers of the Company are elected on an annual basis and serve at the discretion of the Board of Directors.

Mr. Jay Furrow became Chief Executive Officer in July 2002, succeeding Ms. Patricia Anderson, who currently serves as the Company's President. Prior to December 2002, the annual base salary for both Mr. Furrow and Ms. Anderson was \$150,000 and \$200,000 respectively. As of December 2002, the annual compensation for both Mr. Furrow and Ms. Anderson was increased to \$275,000 in base salary in addition to each receiving, in December 2002, a stock option grant of 100,000 of common stock with an exercise price of \$2.40 per share expiring in December 2007. Up to 1,000,000 shares of Common Stock, subject to adjustment as provided in the 2000 Employee Plan, may be issued under the 2000 Employee Plan. In an effort to conserve the amount of Common Stock which can be issued under the 2000 Employee Plan, the option grants made to the Company's Chief Executive Officer and President were made outside of the Company's 2000 Employee Plan. As such, the grant is subject to shareholder approval (see Proposal 2 below).

During fiscal 2002, the Executive Compensation Committee met during the Company's Board meeting held on November 27, 2003 at which time the Executive Compensation Committee voted in favor of granting the Company's Chief Executive Officer, Samuel J. Furrow, Jr. and the Company's President, Patricia Anderson each a raise to an annual salary of \$275,000 and 100,000 options priced at \$2.40 subject to shareholder approval. Such compensation was recommended by the Executive Compensation Committee and approved by the full Board of Directors and was based on individual performance and analysis of compensation for the positions at comparative companies.

Neither Ms. Anderson nor Mr. Furrow have employment agreements with the Company.

STOCK PLANS

2000 Employee Plan

The 2000 Employee Plan provides for the grant of options to officers, employees and consultants of the Company and its affiliates (an "Affiliate"). The 2000 Employee Plan continues in effect until March 2010, unless terminated earlier. Options granted under the 2000 Employee Plan may be either "incentive stock options" ("ISOs") within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), or nonqualified stock options ("NQSOs").

The 2000 Employee Plan is administered by the Board of Directors. The Board of Directors has full authority in its discretion to determine the officers and key employees of the Company or its affiliates to whom stock incentive options will be granted and the terms and provisions of stock incentive options, subject to the requirements and limitations of the 2000 Employee Plan. Subject to the provisions of the 2000 Employee Plan, the Board of Directors has full and conclusive authority to interpret the 2000 Employee Plan; to prescribe, amend and rescind rules and regulations relating to the 2000 Employee Plan, to determine the terms and provisions of the respective stock incentive agreements and to make all other determinations necessary or advisable for the proper administration of the 2000 Employee Plan.

Edgar Filing: INNOVO GROUP INC - Form DEF 14A

The 2000 Employee Plan is intended to: (a) provide incentive to officers and key employees of the Company and its affiliates to stimulate their efforts toward the continued success of the Company and to operate and manage the business in a manner that will provide for the long-term growth and profitability of the Company; (b) encourage stock ownership by officers and key employees by providing them with a means to acquire a proprietary interest in the Company, acquire shares of stock, or to receive compensation which is based upon appreciation in the value of the stock; and (c) provide means of obtaining, rewarding and retaining key personnel and consultants.

The number of shares of stock as to which a stock incentive may be granted will be determined by the Board of Directors in its sole discretion, subject to the limitations of the 2000 Employee Plan. To the extent required under Section 162(m) of the Code and the regulations thereunder for compensation to be treated as qualified performance based compensation, the maximum number of shares of stock with respect to which options may be granted during any one year period to any employee may not exceed 500,000.

Stock option grants issued under the 2000 Employee Plan may be granted only to officers, and key employees and consultants of the Company, or any Affiliate of the Company. The aggregate fair market value (determined as at the date an ISO is granted) of stock with respect to which stock options intended to meet the requirements of the Code Section 422 become exercisable for the first time by an individual during any calendar year under all plans of the Company and its subsidiaries may not exceed \$100,000; provided further, that if the limitation is exceeded, the ISOs which cause the limitation to be exceeded will be treated as NQSOs.

The 2000 Employee Plan was adopted by the Company's Board of Directors on March 12, 2000 and approved by stockholders at the 2000 annual meeting. Up to 1,000,000 share of Common Stock, subject to adjustment as provided in the 2000 Employee Plan, may be issued under the 2000 Employee Plan. As of March 25, 2003, 280,000 shares have been issued under the Company's 2000 Employee Plan. Awards under the 2000 Employee Plan are discretionary. Therefore, it is not possible to determine the benefits that will be received in the future by participants in the 2000 Employee Plan.

Federal Income Tax Consequences of Options

The following is a brief summary of certain Federal income tax aspects of awards of options to Company employees under the 2000 Employee Plan and otherwise based upon the Federal income tax laws in effect on the date hereof. This summary is not intended to be exhaustive and does not describe state or local tax consequences.

An optionee will not realize taxable income upon the grant of an ISO. In addition, an optionee will not realize taxable income upon the exercise of an ISO, provided that such exercise occurs no later than three months after the optionee's termination of employment with the Company (one year in the event of a termination on account of death or disability). However, an

optionee's alternative minimum taxable income will be increased by the amount that the fair market value of the shares acquired upon exercise of an ISO, generally determined as of the date of exercise, exceeds the exercise price of the option. If an optionee sells the shares of Common Stock acquired upon exercise of an ISO, the tax consequences of the disposition depend upon whether the disposition is qualifying or disqualifying. The disposition of the shares is qualifying if made more than two years after the date of the ISO was granted and more than one year after the date the ISO was exercised. If the disposition of the shares is qualifying, any excess of the sale price of the shares over the exercise price of the ISO would be treated as long-term capital gain taxable to the option holder at the time of the sale. If the disposition is not qualifying, i.e., a disqualifying disposition, the optionee will recognize ordinary compensation income in an amount equal to the lesser of the difference between (a) the exercise price and the fair market value of the shares on the date of exercise or (b) the exercise price and the sales proceeds. Any remaining gain or loss will be treated as a capital gain or loss. Unless an optionee engages in a disqualifying disposition, the Company will not be entitled to a deduction with respect to an ISO. However, if an optionee engages in a disqualifying disposition, the Company generally will be entitled to a deduction in the same amount and at the same time as compensation income is taxable to the optionee.

An optionee will not realize taxable income upon the grant of an NQSO. However, when the optionee exercises the NQSO, the difference between the exercise price of the NQSO and the fair market value of the shares acquired upon exercise of the NQSO on the date of exercise is ordinary compensation income taxable to the optionee. The Company generally will be entitled to a deduction in the same amount and at the same time as compensation income is taxable to the optionee.

2000 Director Plan

The purpose of the 2000 Director Plan is to permit the granting of stock options to Directors of the Company who are not employees of the Company at an exercise price less than market value at the date of grant in lieu of paying Directors' fees in cash, thereby advancing the interests of the Company by encouraging and enabling the acquisition of its common stock by Directors whose judgment and ability are relied upon by the Company for the attainment of its long-term growth and development. Accordingly the 2000 Director Plan is intended to promote a close identity of interest among the Company, the Directors, and its stockholders, as well as to provide a means to attract and attain well-qualified Directors. The 2000 Director Plan was adopted by the Company's Board of Directors on September 13, 2000 and approved by stockholders at the 1999 annual shareholder's meeting.

There are authorized for issuance or delivery upon the exercise of options to be granted from time to time under the 2000 Director Plan an aggregate of 500,000, subject to adjustment as provided in the 2000 Director Plan. As of March 25, 2002, 142,564 shares have been issued under the 2000 Director Plan. The 2000 Director Plan is administered by the Executive Compensation Committee, which shall consist of not less than two

Edgar Filing: INNOVO GROUP INC - Form DEF 14A

Directors appointed by the Board.

The 2000 Director Plan provides for the automatic grant of options to directors of the Company and its affiliates and subsidiaries (an "Affiliate") in place of director's fee payable in cash. Each non-management member of the Board of Directors receives annual compensation in the form of options to buy Common Stock with a nominal initial value of \$10,000. Board Members currently do not receive additional compensation for serving on the Company's Board committees.

Each option has an exercise price equal to one-half of the market price on the date of grant, and covers a number of shares equal to \$10,000 divided the exercise price per share. The market price is determined as of the close of business on the day of the Company's Board meeting immediately following the Company's annual shareholder meeting. The 2000 Director Plan will continue in effect until September 2010, unless terminated earlier. Options granted under the 2000 Director Plan are nonqualified stock options.

During 2002, the non-employee directors received exercisable 20-year term options to purchase 10,000 shares with an exercise price of \$1.00 per share under the Company's 2000 Director Plan in lieu of cash directors' fees.

non-recourse note (the Note) for the exercise price of \$2.81 per share (\$703,125 in the aggregate). The Note was due, without interest, on April 30, 2002, and was collateralized by the 1997 Award Shares. The Note may be paid or prepaid (without penalty) by (i) cash, or (ii) the delivery of the Company's common stock (other than the Award Shares) held for a period of at least six months, which shares would be credited against the Note on the basis of the closing bid price for the common stock on the date of delivery.

On July 18, 2002, the Board of Directors voted in favor of extending the term of Note until April 30, 2005. The remaining provisions of the Note remained the same. At November 30, 2002, \$703,000 remains outstanding under this promissory note.

Purchases of Goods and Services

During fiscal 2000, the Company restructured its operations to focus on its core product categories with the highest volume and profit margin. The Company also raised additional working capital and converted certain indebtedness to equity. The restructuring was undertaken as a condition to the equity investment by the Commerce Group, a strategic investment partner, and resulted in Commerce and its affiliates becoming an affiliate of the Company. In an effort to reduce product costs and increase gross profit, the Company shifted manufacturing to third-party foreign manufacturers and outsourced certain distribution functions to the Commerce Group to increase the effectiveness of the distribution network and reduce freight costs. In September 2000, the Company completed the closure of its Knoxville, Tennessee, manufacturing and distribution operations and realigned these functions in accordance with terms under certain supply and distribution agreements with Commerce Group.

These agreements provide for Commerce Group or its designated affiliates to manufacture and supply specified craft products to the Company at agreed upon prices. In addition, Commerce Group provides distribution services to the Company for its craft products for an agreed upon fee, including warehousing, shipping and receiving, storage, order processing, billing, customer service, information systems, maintenance of inventory records, and all direct labor and management services. These agreements, which expired in 2002, were renewed for a two-year term ending 2004 and are renewable thereafter for consecutive two-year terms unless terminated by either party with 90 days notice. Purchases of craft goods and distribution services during the initial term were subject to a minimum of \$3,000,000, which the Company purchased from Commerce Group during the first term of the agreement. No minimum obligation is required for the renewal periods.

As required under the terms of the Commerce Group investment, the Company's Innovo subsidiary purchased its craft goods and distribution and operational services from Commerce Group in fiscal 2002, 2001 and 2000. The services purchased included but were not limited to accounts receivable collections, certain general accounting functions, inventory management and distribution logistics. The following schedule represents Innovo's purchases from Commerce Group during fiscal 2002, 2001 and 2000 (in thousands):

During fiscal 2002 and fiscal 2001, Joe's and IAA purchased goods and services from Commerce Group. Joe's and IAA did not purchase goods or services from Commerce Group in 2000. The purchases were made based on Joe's and IAA's needs during the period and were not made pursuant to contractual obligations. The distribution expenses are reflected in the cost of goods sold in the Company's financial statements. The following schedule represents Joe's and IAA's purchases from Commerce Group (in thousands):

	Joe's		IAA	
	2002	2001	2002	2001

Total	\$6,209	\$1,122	\$6,171	\$1,794

Additionally, the Company is charged an allocation expense from Commerce Group for expenses associated with the Company occupying space in Commerce Group's Commerce Group, California facility and the use of general business machines and communication services. These expenses totaled approximately \$25,000 for fiscal 2002 and fiscal 2001.

The Company from time to time will advance or loan funds to Commerce Group for use in the production process of the Company's goods or for other expenses associated with the Company's operations. The Company believes that all the transactions conducted between the Company and Commerce Group were completed on terms that were competitive and at market rates.

As part of the Commerce Group transaction completed in 2000, Mr. Hubert Guez, a principal of the Commerce Group, was given the right to nominate three directors to the Company's Board of Directors. Additionally, if elected, one of Mr. Guez's nominees shall have the right to serve on each of the Company's Board committees.

Azteca Production International, Inc.

In the third quarter of fiscal 2001, the Company acquired Azteca Productions International, Inc.'s Knit Division and formed the subsidiary Innovo-Azteca Apparel, Inc. Azteca Production International, Inc. is an affiliate of the Commerce Group and Mr. Hubert Guez. Pursuant to equity transactions completed in 2000, Azteca Production International, Inc. and its principals, including Mr. Hubert Guez, became affiliates of the Company. The Company purchased the Division's customer list, the right to manufacture and market all of the Knit Division's current products and entered into certain non-compete and non-solicitation agreements and other intangible assets associated with the Knit Division. As consideration, the Company issued to Azteca, 700,000 shares of Company's common stock valued at \$1.27 per share based upon the closing price of the common stock on August 24, 2001, and promissory notes in the amount of \$3.6 million. Included in due to related parties is \$2,250,000 at November 30, 2002 relating to amounts due to Commerce Group for goods and services described above.

Facility Lease Arrangements

The Company currently leases its Knoxville, TN office and storage space from a company owned by Sam Furrow, the Company's Chairman. The office space is approximately 5,000 square feet consisting of the first floor of a two-story building located in downtown Knoxville, Tennessee, with a monthly rental of \$3,500 triple net. The storage space is used by the Company to store its documents and is currently rented on a month-to-month basis for \$450 per month.

Crossman Loan to the Company

On February 7, 2003 the Company entered into a loan agreement with Marc Crossman, a member of the Company's Board of Directors and Chief Financial Officer. The loan was funded by Mr. Crossman in two phases of \$250,000 each on February 7, 2003 and February 13, 2003 for an aggregate loan value of \$500,000. In the event of default, each phase is collateralized by 125,000 shares of the Company's common stock as well as a general claim on the assets of the Company, subordinate to existing lenders. Each phase matures six months and one day from the date of its respective funding, at which point the principal amount and any accrued interest is due in full. The loan carries an 8% annualized interest rate with interest due on a monthly basis. The loan may be repaid by the Company at any time during the term of the loan without penalty. Further, the Company has the option to extend the term of the loan for an additional period of six months and one day at anytime before maturity. The disinterested directors of the Company approved the Loan from Mr. Crossman.

Joseph Mizrachi and Yardworth Mortgage Corp. Transactions

Pursuant to a convertible note and pledge agreement dated on or about November 1, 2000 ("Note") whereby Yardworth Mortgage Corp. ("Yardworth") loaned Joseph Mizrachi ("Mizrachi")

Edgar Filing: INNOVO GROUP INC - Form DEF 14A

\$1,500,000, Yardworth had the right to convert the outstanding Note into an 85% membership interest in Innovation, LLC, a Delaware limited liability company ("Innovation"), wholly-owned by Mizrachi. Innovation owns 1,812,500 shares of the Company and 1,500,000 shares of common stock subject to currently exercisable warrants with an exercise price of \$2 per share expiring October 31, 2003. Yardworth's 85% membership interest in Innovation equals 1,540,625 shares of the Company and 1,275,000 shares of common stock subject to currently exercisable warrants to purchase shares of the Company. On February 6, 2003, Yardworth provided written notice to Mizrachi that it was converting the Note into the 85% membership interest in Innovation effective February 21, 2003. Yardworth has the right to vote all shares and warrants owned by Innovation. Seymour Braun, an attorney located at 110 East 59th Street, Suite 3201, New York, NY 10022, is the sole trustee of Praha Trust ("Praha"), a trust organized under the laws of Canada, with an address of 105 Penstraat, Curacao, Netherlands Antilles. Praha is the beneficial owner of Yardworth. This information is based solely upon information set forth in a Schedule 13D filed with the Securities and Exchange Commission, dated March 6, 2003.

Pursuant to an investment with Mizrachi and his affiliates, in October 2000, the Company granted Mizrachi the right to nominate an individual to serve on the Company's Board of Directors, and if elected, the nominated Director shall have the right to serve on each of the Company's Board committees.

Section 16 Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's directors, officers and persons who beneficially own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "Commission") on a timely basis. Directors, officers and greater than ten percent beneficial owners are required by the Commission's regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on a review of copies of such forms furnished to the Company and certain of the Company's internal records, or upon written representations that no Form 5s were required, the Company believes that during the year ended December 31, 2001, all Section 16(a) filing requirements applicable to its directors, officers and greater than ten percent beneficial owners were satisfied on a timely basis except that Mr. Guez inadvertently failed to timely file a Form 4 reporting the acquisition of 500 shares in December 2001, the acquisition of 2,100 shares in January 2002 and the acquisition of 1,300 shares in February 2002.

APPROVAL OF OPTION ISSUANCES TO THE COMPANY'S CEO AND ITS PRESIDENT (PROPOSAL 2)

In December 2002, the Board of Directors approved the grant of options to purchase 100,000 shares of Common Stock to each of the Company's CEO, Samuel J. (Jay) Furrow, Jr., and the Company's President Patricia Anderson-Lasko. Each option is immediately exercisable at an exercise price of \$2.40 per share and has a 5-

Edgar Filing: INNOVO GROUP INC - Form DEF 14A

year term expiring in December 2007, subject to approval and ratification of the grants. Up to 1,000,000 shares of Common Stock, subject to adjustment as provided in the 2000 Employee Plan, may be issued under the 2000 Employee Plan. In an effort to conserve the amount of Common Stock which can be issued under the 2000 Employee Plan, the options grants made to the Company's Chief Executive Officer and President were made outside of the Company's 2000 Employee Plan. As such, the grant is subject to shareholder approval. In the event shareholder approval is not obtained, the options will be cancelled.

The \$2.40 exercise price was equal to the closing market price of the Company's common stock on the date of the grant as reported by NASDAQ National Market. Further, as described above in the "Executive Compensation Committee Report on Executive Compensation," the full Board of Directors determined that the option grants were appropriate based on individual performance and analysis of compensation for the positions at comparative companies. The option agreements will not be modified or amended in a manner that would increase the cost thereof to the Company without shareholder approval.
