On August 19, 2011, Credit Acceptance Corporation, (the “Company”, “we”, “our”, or “us”) entered into a \$75.0 million revolving secured warehouse facility with an institutional investor. The parties to this transaction are the Company, as servicer and custodian, CAC Warehouse Funding LLC IV, as borrower, BMO Capital Markets Corp., as deal agent, Bank of Montreal, as lender and collateral agent, and Wells Fargo Bank, National Association, as backup servicer.

Under this facility, we will contribute loans to a wholly-owned special purpose entity (“SPE”) and the SPE may borrow up to the lesser of 80% of the net book value of the contributed loans or \$75.0 million during the facility’s revolving period. The facility will cease to revolve on February 19, 2014. If the facility is not renewed prior to this date, and we and the SPE are in compliance with the terms and conditions of the agreement, any amounts outstanding will be repaid over time as the collections on the loans securing the facility are received. We initially contributed loans having a net book value of \$54.0 million to the SPE and the SPE borrowed \$41.0 million under the facility. The proceeds of the financing will be used by us to repay outstanding indebtedness.

Borrowings under the facility will bear interest at a rate equal to LIBOR plus 275 basis points with the LIBOR rate limited to a maximum of 5.50% by an interest rate cap agreement.

We will receive a servicing fee of 6.0% of the cash flows related to the underlying consumer loans. The remaining 94.0%, less amounts due to dealer-partners for payments of dealer holdback, will be used to pay principal and interest on the notes as well as the ongoing costs of the financing.

The terms and conditions of this transaction are set forth in the agreements attached as Exhibits 4(f)(148) through 4(f)(151) to this Form 8-K which agreements are incorporated herein by reference. The transaction is also summarized in a press release issued by the Company on August 19, 2011, which is attached as Exhibit 99.1 to this Form 8-K and incorporated herein by reference.
