Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(b) (e) Departure of Certain Officers; Compensatory Arrangements of Certain Officers

On October 28, 2011, the Company announced internally that Samuel R. Leno, our Executive Vice President and Chief Operations Officer and one of our named executive officers, will be retiring from the Company effective December 31, 2011 (“retirement date”).

Pursuant to his Offer Letter with the Company (“Offer Letter”), in connection with his retirement (i) Mr. Leno will receive benefits equivalent to those he would have received under our Executive Retirement Plan as an Executive Committee member and (ii) all of his unvested stock options and deferred stock units will accelerate and become exercisable upon his retirement date, other than those granted to him on February 28, 2011 (“2011 Awards”) for which continuous service with the Company through the first anniversary of grant is a condition for acceleration upon retirement. The Executive Compensation and Human Resources Committee (the “Compensation Committee”) of the Company's Board of Directors waived this requirement for his 2011 Awards. Further, having been deemed to have met the definition of retirement for our long term incentive plans under his Offer Letter, Mr. Leno's performance share units will remain outstanding and shares of common stock, if any, will be issued on a prorated basis all pursuant to the applicable performance share program.

In addition, in accordance with the terms of the Company's 2011 Performance Incentive Plan (“2011 PIP”), Mr. Leno will be eligible to receive an award pay-out under the 2011 PIP.

This summary does not purport to be complete and is subject to and qualified in its entirety by reference to the full text of Mr. Leno's Offer Letter, the 2011 PIP and the Executive Retirement Plan (which have been previously filed with the Securities and Exchange Commission).

(e) Compensatory Arrangements of Certain Officers

(i) Executive Allowance Program

On October 25, 2011, upon the recommendation of the Compensation Committee, our Board of Directors terminated the Boston Scientific Corporation Executive Allowance Program effective as of December 31, 2011. In consideration thereof, members of the Company's Executive Committee who (i) are actively participating in the program at the measurement date (including our named executive officers meeting such criteria) and (ii) acknowledge the program's termination will be awarded deferred stock units having a value of \$75,000 on the date of grant, which will be on the date on which 2012 long-term incentive awards are made to senior executives under the Company's 2011 Long-Term Incentive Plan.

(ii) 2012 Performance Incentive Plan

On October 25, 2011, upon the recommendation of the Compensation Committee, our Board of Directors approved the 2012 Performance Incentive Plan (the “2012 PIP”) effective for the performance period January 1, 2012 through December 31, 2012.

As part of our overall compensation program, our 2012 PIP provides an annual cash incentive opportunity for eligible salaried personnel (including our named executive officers meeting the eligibility criteria) based on the achievement of certain performance metrics. The 2012 PIP is substantially similar to

our 2011 PIP, except that (i) the team component has been reduced from 75% to 25% and the individual component has been increased from 25% to 75% in an effort to appropriately incentivize and compensate for individual performance, (ii) severance proration is determined on a country specific basis, and (iii) certain changes were made to align the 2012 PIP reduction in force and retirement provisions with other of the Company's severance and retirement plans.

A copy of the 2012 PIP is filed as Exhibit 10.1 hereto and incorporated herein by reference. This summary does not purport to be complete and is subject to and qualified in its entirety by reference to the full text of the 2012 PIP.
