On April 5, 2010, Metals USA Holdings Corp., a Delaware corporation (the Company), filed its Amended and Restated Certificate of Incorporation with the Delaware Secretary of State in connection with a 1.7431-for-1 stock split (the Stock Split) of the Company's common stock, \$0.01 par value (the Common Stock). Both the Amended and Restated Certificate of Incorporation and Stock Split were effective on April 5, 2010. The amendment to the Certificate of Incorporation and the Stock Split were approved by the Company's Board of Directors and stockholders on March 19, 2010.

Pursuant to the Stock Split, on April 5, 2010, the Company made a distribution of 0.7431 share of Common Stock, paid in Common Stock, on each issued and outstanding share of Common Stock of the Company to holders of record as of the close of business on April 1, 2010. Shares of Common Stock were rounded up to the nearest whole number in lieu of fractional shares.

Each stockholder's percentage ownership in the Company and proportional voting power remained unchanged after the Stock Split, except for minor changes and adjustments resulting from the treatment of fractional shares.

In addition to the Stock Split, and among other things, the Company's Amended and Restated Certificate of Incorporation effects an increase in the total number of shares of all classes of stock that the Company will be authorized to issue to 150,000,000 shares, of which 140,000,000 will be Common Stock and 10,000,000 will be preferred stock, \$0.01 par value. This description does not purport to be complete and is qualified in its entirety by reference to the Company's Amended and Restated Certificate of Incorporation, which is filed as Exhibit 3.1 hereto and is incorporated herein by reference.
