CNOOC LIMITED TO CONSOLIDATE AND IMPROVE TREASURY FUNCTION THROUGH JOINT OPERATIONS WITH CNOOC

(Hong Kong, September 8, 2003) - CNOOC Limited (the "Company", NYSE: CEO, SEHK: 883) announced today that it is investing in a shared treasury operation with its parent company, China National Offshore Oil Corporation (CNOOC), and other affiliated group companies. The Company's investment of RMB450 million (HK\$424.53 million) represents its 31.80% share of the registered capital of CNOOC Finance Corporation Limited (CNOOC Finance).

Designed to be a shared treasury services company, CNOOC Finance provides a variety of treasury and finance-related services to CNOOC group companies. CNOOC Finance was specially approved as a non-banking financial institution through a business license generally granted to large, established and financially sound state-owned enterprises, facilitating the further consolidation of the group's treasury function to avail of operating and cost efficiencies and providing the ability to reduce domestic borrowing costs.

Dr. Mark Qiu, Senior Vice President and CFO of CNOOC Limited, stated that "this arrangement improves and consolidates the Company's treasury function, allowing us to reduce our treasury and finance costs and lower our risk exposure. Through our investment in CNOOC Finance, CNOOC Limited will also benefit from receiving our pro-rata share of CNOOC Finance's net income, so we can realize the financial benefit of these synergies and cost savings."
