"Issuer"). The principal executive office of the Issuer is 5001 LBJ Freeway, Suite 850, Dallas, TX 75244.

Item 2. Identity and Background

This Schedule is filed on behalf of MedCap Partners L.P. ("MedCap"), MedCap Management & Research LLC ("MMR") and C. Fred Toney ("Toney"), each of whose principal business office address is 500 Third Street, Suite 535, San Francisco, CA 94107.

MedCap is an investment limited partnership, whose general partner is MMR. MMR is an investment adviser registered under the laws of the State of California. Toney is MMR's sole managing member. MMR is also the general partner and investment manager of MedCap Master Fund, L.P., an investment limited partnership ("MedCap Master"). MedCap Master is a "master fund" and contains substantially all of the assets of a "feeder fund," MedCap Partners Offshore, Ltd. ("MedCap Offshore")."

None of MedCap, MMR nor Toney has, during the past five years, been convicted in any criminal proceeding (excluding traffic violations or similar misdemeanors).

None of MedCap, MMR nor Toney has, during the past five years, been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction, as a result of which any of them became or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

MedCap is a Delaware limited partnership, MMR is a Delaware limited liability company and Toney is a United States citizen.

Item 3. Source and Amount of Funds or Other Consideration

The aggregate purchase price for the 2,853,333 shares of the Issuer's Common Stock acquired by Toney in the PIPE transactions described under Item 5(c) below (the "Toney Shares") was approximately \$1,550,000. The aggregate purchase price for the Toney Shares was paid by Toney using personal funds.

CUSIP 225235308

SCHEDULE 13D

Page 6 of 16

Item 4. Purpose of Transaction

The Toney Shares are held by Toney for investment purposes.

The agreement of limited partnership of MedCap provides MMR with discretion to cause MedCap to make payments upon a withdrawal by a limited partner in cash or in securities, or a combination of cash and securities, or to segregate a portion of MedCap's assets equal to the amount payable to the withdrawing limited partner and sell those assets for the account of the withdrawn limited partner. Limited partners of MedCap have the right, upon written request, to receive a distribution of the segregated assets. Effective September 30, 2006, MedCap segregated some of the Issuer's Common Stock beneficially owned by MedCap into a separate account for the benefit of some of MedCap's former limited partners who have withdrawn from MedCap. On December 18, 2006 and December 29, 2006, respectively, MedCap distributed from the segregated account 252,892 shares of Common Stock and 440,153 shares of Common Stock to certain of MedCap's former limited partners, leaving, after

Edgar Filing: MEDCAP MANAGEMENT & RESEARCH LLC - Form SC 13D/A

distribution, 3,001 shares of Common Stock in the segregated account. MMR, as MedCap's general partner, and Toney, as MMR's sole managing member, continue to have voting and dispositive control over the remaining shares of Common Stock in the segregated account. MMR intends to cause MedCap to sell the remaining segregated Common Stock in an orderly fashion and distribute the proceeds to the withdrawn limited partners or to distribute in-kind the segregated Common Stock to its withdrawn limited partners in the near future.

As previously disclosed on the Issuer's Current Report on Form 8-K filed with the Securities and Exchange Commission (the "Commission") on September 26, 2006 (and on the reporting persons' prior Schedule 13D/A (Amendment No. 8), filed with the Commission on November 3, 2006), the Issuer, iVOW Acquisition Corp., a Delaware corporation and wholly-owned subsidiary of the Issuer ("Merger Sub") and iVOW, Inc., a Delaware corporation ("iVOW"), have entered into an Agreement and Plan of Merger, dated as of September 20, 2006 (the "Merger Agreement"), pursuant to which Merger Sub will merge with and into iVOW, with iVOW surviving as a wholly-owned subsidiary of the Issuer (the "Merger"). At the effective time of the Merger, all shares of iVOW common stock issued and outstanding immediately prior to the effective time will be converted automatically into the right to receive, in the aggregate, approximately \$3.5 million in shares of the Issuer's Common Stock (based on the average of the closing sale prices for Issuer's Common Stock for each of the 20 consecutive trading days ending the second complete trading day prior to the effective time of the Merger, as reported on the OTC Bulletin Board), subject to reduction based on the iVOW bank and financing debt assumed by the Issuer, the value of any uncollected accounts receivable at the effective time and the value of any iVOW warrants assumed by the Issuer.

CUSIP 225235308

SCHEDULE 13D

Page 7 of 16

Toney and MMR have beneficial ownership (through MedCap and MedCap Master) of approximately 16.2% of iVOW's outstanding common stock, based on the number of shares of iVOW's outstanding common stock listed in iVOW's Current Report on Form 8-K, filed with the Commission on September 22, 2006 (3,474,865 shares). Toney was also a member of iVOW's Board of Directors when the Merger Agreement was approved by the iVOW Board, but he voluntarily resigned from that position effective as of September 20, 2006. Toney remains a member of the Issuer's Board of Directors.

In connection with the execution of the Merger Agreement, each of the Issuer and iVOW have entered into separate voting agreements (the "Voting Agreements") with MedCap and MedCap Master, each dated September 20, 2006, pursuant to which MedCap and MedCap Master have agreed, among other things, to vote all of the shares of the Issuer's Common Stock and the common stock of iVOW held by them in favor of the adoption of the Merger Agreement. MedCap and MedCap Master have also agreed under the Voting Agreements not to dispose of shares of the Issuer's Common Stock or the common stock of iVOW, except as permitted thereunder.

Depending on market conditions and other factors, the reporting persons may, at any time or from time to time, acquire additional securities of the Issuer, or alternatively, may (if and to the extent permitted under the Voting Agreements) dispose of some or all of the securities of the Issuer beneficially owned by them (including but not limited to the aforementioned segregated shares of Common Stock).

Except as described herein, the reporting persons do not currently have any plans or proposals that relate to or would result in any of the

Edgar Filing: MEDCAP MANAGEMENT & RESEARCH LLC - Form SC 13D/A

following:

- (a) The acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer;
- (b) An extraordinary corporate transaction, such as a merger, reorganization, or liquidation, involving the Issuer or any of its subsidiaries;
- (c) A sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries;
- (d) Any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board;
- (e) Any material change in the present capitalization or dividend policy of the Issuer;
- (f) Any other material change in the Issuer's business or corporate structure;

- (g) Changes in the Issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person;
- (h) Causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
- (i) A class of equity securities of the issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or
- (j) Any action similar to those enumerated above.

Item 5. Interest in Securities of the Issuer

- (a) As noted above, MedCap beneficially owns 8,521,098 shares of the Issuer's Common Stock. The percentage of common stock beneficially owned by MedCap for the purposes of this Schedule is 50.3%.

In addition to the securities beneficially owned through MedCap, MMR and Toney beneficially own 177,250 shares of the Issuer's Common Stock through MedCap Master. MedCap Master is a "master fund" and contains substantially all of the assets of a "feeder fund," MedCap Partners Offshore, Ltd. ("MedCap Offshore").

Toney holds the Toney Shares (2,583,333 shares in total) personally.

MMR, as general partner and investment manager of MedCap and MedCap Master, and Toney, as the sole managing member of MMR, may be deemed to beneficially own the shares owned by MedCap and MedCap Master in that they may be deemed to have the power to direct the voting or disposition of the shares. Neither the filing of this Schedule nor any of its contents shall be deemed

Edgar Filing: MEDCAP MANAGEMENT & RESEARCH LLC - Form SC 13D/A

to constitute an admission that either MMR or Toney is, for any other purpose, the beneficial owner of any such securities, and MMR and Toney disclaim beneficial ownership as to such securities except to the extent of their respective pecuniary interests therein. The percentage of Common Stock beneficially owned by MMR for the purposes of this Schedule is 51.4% and by Toney for the purposes of this Schedule is 66.7%.

The calculation of percentage of beneficial ownership in Item 11 of pages 2, 3 and 4 was derived from the Issuer's Form 10-QSB Quarterly Report Under Section 13 or 15(d) of the Securities Exchange Act of 1934, filed with the Commission on November 14, 2006, in which the Issuer stated that the number of shares of its Common Stock outstanding as of November 9, 2006 was 14,344,230 shares.

SCHEDULE 13D

Page 9 of 16

The foregoing amounts do not include shares of the Issuer's Common Stock issuable in respect of shares of the common stock of iVOW outstanding at the effective time of the Merger (including shares of iVOW common stock held by the reporting persons).

- (b) Reference is made hereby to Items 7 to 10 of pages 2, 3 and 4 of this Schedule, which Items are incorporated herein by reference.
- (c) On January 25, 2007, Toney purchased 950,000 shares of the Issuer's common stock for his personal account in a PIPE transaction for \$0.60 per share.

On February 6, 2007, Toney purchased 1,633,333 shares of the Issuer's common stock for his personal account in a PIPE transaction for \$0.60 per share.

Effective February 1, 2007, certain limited partners who had previously withdrawn from MedCap (and who had received pro rata in-kind distributions of the Issuer's common stock in connection with their prior withdrawal) contributed 281,843 shares of the Issuer's common stock to MedCap in exchange for new limited partnership interests in MedCap.

(d) Not applicable.

(e) Not applicable.
