**TANDY LEATHER FACTORY REPORTS 2ND QUARTER 2005 EPS UP 40%
REVISES 2005 EARNINGS GUIDANCE UPWARDS**

FORT WORTH, TEXAS - Tandy Leather Factory, Inc. (AMEX: TLF) today reported financial results for the second quarter of 2005. Consolidated net income for the quarter ended June 30, 2005 was \$787,000 compared to consolidated net income of \$516,000 for the second quarter of 2004. Fully diluted earnings per share for the quarter was \$0.07, compared to \$0.05 in the second quarter of last year. Total sales for the quarter ended June 30, 2005 increased 11.2% to \$12.2 million from \$10.9 million for the same quarter last year.

Consolidated sales for the six months ended June 30, 2005 were \$24.9 million, an increase of 7.6% over 2004 first half total sales of \$23.1 million. Consolidated net income for the first half of 2005 was \$1.8 million or \$0.17 per fully-diluted share versus \$1.5 million or \$0.14 per fully-diluted share in the comparable period last year.

Sales in the Retail Leathercraft segment, which consists of the Tandy Leather stores, increased \$1.1 million in the second quarter, a 38% improvement over last year's second quarter. Forty-six stores comprised the Tandy Leather's retail operations on June 30, 2005, compared to thirty-two retail stores a year ago. Two stores were added in the second quarter of 2005 bringing the total number of new stores added in 2005 to four as of the end of the quarter. For the first six months of 2005, Tandy Leather sales increased \$2.2 million, or 36%, over the first six months of 2004. Second quarter sales for the Wholesale Leathercraft segment, which consists of the Leather Factory wholesale centers and national account group, increased \$241,000 over the same quarter last year, a 3.3% increase. The sales increase is the result of an increase of \$388,000 at the wholesale centers that was partially offset by a sales decline in our national account group of \$147,000. For the first six months of 2005, Wholesale Leathercraft's sales were down \$288,000 over the same period in 2004. The national account group sales were down \$584,000 for the year, offset somewhat by a sales increase at the wholesale centers of \$296,000.

Consolidated gross profit margin for the current quarter was 56.6%, improving from 54.6% for the second quarter of 2004. For the first two quarters, consolidated gross profit margin for the current year was 56.5%, an improvement over last year's gross profit margin of 54.9%. Consolidated operating expenses rose \$451,000 in the current quarter and \$761,000 for the first six months over the same periods a year ago. Costs associated with the new retail stores (personnel, rents, utilities, etc.), marketing and advertising costs account for the majority of the increase.

Wray Thompson, Chairman and Chief Executive Officer, commented, "Overall, we had a strong second quarter. Our Retail Leathercraft segment reported a 38% sales gain for the quarter and same store sales, consisting of 32 Tandy Leather stores, were up 8%. The Leather Factory wholesale centers, part of the Wholesale Leathercraft segment, reported a 6.5% sales gain for the quarter, while our national account group ended the quarter with a 10% sales decline compared to the second quarter of 2004. This group did achieve a sales gain for the month of June, however, a sign that we are making some progress in our efforts to get them back on a positive track. All segments contributed to the increase in operating income of 55% and 25% for the second quarter and year, respectively. Based on our results for the first half of the year, we're raising our 2005 earnings guidance to 30-34 cents."
