(e) On June 28, 2012, the Board of Directors of Northeast Community Bank (the “Bank”), a wholly owned subsidiary of Northeast Community Bancorp, Inc. (the “Company”), and Jose M. Collazo (the “Executive”) entered into a Participation Agreement under the Northeast Community Bank Supplemental Executive Retirement Plan (the “SERP”). The Bank maintains the SERP to provide for the payment of supplemental retirement benefits to certain members of the Bank’s executive management.

Under the SERP, upon termination of employment on or after the normal retirement age of 65, the Executive will receive an annual retirement benefit equal to fifty percent (50%) of average base salary over the three-year period preceding termination of employment. Upon termination on or after age 60 and upon completing a minimum of 20 years of service the Executive may receive an early retirement benefit equal to the normal retirement benefit, reduced by .25% for each month by which the Executive’s age at termination is less than age 65. The early or normal retirement benefit is payable in equal monthly installments for the greater of the Executive’s lifetime or 15 years following retirement.

In the event of termination due to disability, the Executive will receive the early retirement benefit or normal retirement benefit due under the SERP if he has reached age 65 prior to termination. If the Executive has not attained early retirement age prior to termination due to disability, he will receive a benefit equal to his accrued benefit under the plan as of the date of termination.

The SERP provides that upon the death of the Executive while actively employed, the Executive, or his beneficiary, would receive an actuarially equivalent lump sum benefit, calculated as if the Executive had attained age 65 prior to termination of employment.

The SERP provides that upon termination in connection with a change in control the Executive, or his beneficiary, would receive an actuarially equivalent lump sum benefit, calculated as if he had attained age 65 prior to termination of employment. All benefits received under this plan count towards the Executive’s 280G Limits. No benefits are payable under the supplemental executive retirement plan upon the Executive’s termination for cause (as defined in the SERP).
