Item 1.01 Entry into a Material Definitive Agreement

Telenational Communication, Inc. Stock Purchase Agreement

Edgar Filing: RAPID LINK INC - Form 8-K

On May 3, 2006, Rapid Link, Incorporated entered into a definitive stock purchase agreement (the "Purchase Agreement") to acquire from Apex Acquisitions, Inc. (the "Stockholder"), all of the issued and outstanding shares of capital stock of Telenational Communications, Inc., a privately owned Delaware corporation ("Telenational") that is a provider of domestic and international long distance services, including internationally originated direct access calling services and pre-paid and post-paid calling card services. The total purchase price for this acquisition is \$4 million. Pursuant to the terms of the Purchase Agreement, in consideration for the acquisition of all of the issued and outstanding shares of Telenational (the "Telenational Shares"), we will:

- (a) Deliver \$1 million in cash, payable within five days of the closing of the Purchase Agreement (the "Initial Cash Payment");
- (b) Issue 9,587,500 shares of our common stock (the "Initial Stock Payment") within five business days of the later to occur of (i) the delivery of the final calculation of the average monthly gross profit for the calendar year ended December 31, 2005 (the "Fiscal 2005 Average Monthly Gross Profit") and (ii) the closing of the acquisition contemplated by the Purchase Agreement (the "Closing"). If Telenational's monthly retail and wholesale gross margin combined (the "Average Monthly Gross Profit") averages at least \$300,000 per month ("Target Average Gross Margin") for the calendar year ended December 31, 2005, then the Stockholder shall be entitled to all of the Initial Stock Payment. If the Fiscal 2005 Average Monthly Gross Profit is less than the Target Average Gross Margin, the Initial Stock Payment will be reduced proportionately;
- (c) \$500,000 in cash, payable within five business days after the delivery of the calculation of Average Monthly Gross Profit for the 90-day period immediately following the Closing (the "First Performance Period") is greater than the Target Average Gross Margin. If the actual gross margin is less than the Target Average Gross Margin, this cash payment will be reduced proportionately; and
- (d) 9,875,500 shares following the 12-month anniversary of the Closing (the "Contingent Stock Payment"), provided aggregate gross margin for the 12-month period is not less than \$3.6 million ("Target Gross Margin"), subject to adjustment based on any shortfall as determined in accordance with (b) above. The purchase price (adjusted downward for this calculation by 25%) will be proportionately reduced by the percentage shortfall of the actual gross margin achieved against the Target Gross Margin. Any reduction in the adjusted purchase price will be applied against the stock portion of the purchase price.

At the closing date of this acquisition, Apex will provide a working capital loan to our Company in the amount of at least \$200,000. This loan will be payable in 12 equal monthly installments of principal and interest. The loan will accrue interest at the rate of eight percent per annum and will mature on the 12-month anniversary of the Closing.

We have also agreed to grant piggy-back registration rights to Telenational, whereby we will register the common stock issued in connection with the acquisition if our Company files a registration statement after the closing date, subject to certain approvals and customary conditions and limitations.

Amendment to Purchase Agreement

On May 5, 2006, we entered into an amendment to the Purchase Agreement (the "Amendment"). The Amendment provides for the following:

- (a) In lieu of the Initial Cash Payment, Apex has agreed to accept a note in the aggregate principal amount of \$1 million (the "Note"). The Note is due and payable on the 18-month anniversary of the Closing and will bear interest at the rate of eight percent per annum. The Note is to be secured by all of the Telenational Shares; and
- (b) Contingent Stock Payment. Within 45 days after the expiration of the First Performance Period, our independent accountant shall calculate Telenational's aggregate Monthly Gross Profit for the First Performance Period (the "First Aggregate Monthly Gross Profit"). In the event that Telenational's First Aggregate Monthly Gross Profit is less than \$900,000 (the "Target Aggregate Monthly Gross Profit"), then the Contingent Stock Payment shall be reduced by a number of shares to be determined as follows:
 - (i) the product obtained by multiplying \$750,000 by a fraction whose numerator is the Target Aggregate Monthly Gross Profit less the First Aggregate Monthly Gross Profit and whose denominator is the Target Aggregate Monthly Gross Profit; and
 - (ii) divided by the volume weighted average closing price per share of our common stock as reported on the Over-the-Counter Bulletin Board (or any other securities exchange or inter-dealer quotation system on which our common stock is then listed) for the 15 consecutive trading days ending on the day prior to the first anniversary of the Closing (the "Per Share Price"); provided, however, that such Per Share Price shall be not less than \$0.13 per share and not greater than \$0.25 per share."

The closing of the transactions contemplated by the Purchase Agreement and the Amendment took place on May 5, 2006, concurrently with the execution of the Amendment.

Item 2.01 Completion of Acquisition or Disposition of Assets.

The disclosures set forth in Item 1.01 are hereby incorporated by reference.

Item 3.02 Unregistered Sale of Equity Securities.

As described under Item 1.01 above, we have agreed to issue an aggregate of 19,750,000 to Apex as part of the total consideration for the acquisition of the Telenational Shares. The shares will be issued in reliance on an exemption from the registration requirements of the Securities Act of 1933 provided by Section 4(2) of the Securities Act and/or Regulation D promulgated thereunder.

Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.
