THE TRUSTEES OF THE PUTNAM FUNDS

APPROVE CLOSED-END FUND MERGERS

AND CALL SHAREHOLDER MEETINGS

BOSTON - (October 15, 2004) - Putnam Investments today announced that the Trustees of The Putnam Funds have approved the following two mergers of closed-end funds:

- * Putnam High Income Opportunities Trust (PCV) into Putnam High Income Bond Fund (PCF); and
- * Putnam Master Income Trust (PMT) into Putnam Premier Income Trust (PPT).

The Trustees have determined that the mergers are in the best interests of shareholders of each of these funds. The funds involved in each merger have similar investment objectives and strategies. It is currently expected that the mergers will result in lower expenses for shareholders of each fund without altering the surviving funds' key investment objectives and strategies. It is also currently expected that the mergers will be tax-free transactions. Of course, there can be no assurance of the tax treatment of the mergers, or that the expected benefits of the mergers will be realized.

In addition, the Trustees have called joint meetings of shareholders of Putnam Premier Income Trust and Putnam Master Income Trust and of Putnam High Income Bond Fund and Putnam High Income Opportunities Trust to consider the mergers. At their joint meeting, shareholders of each of Putnam Premier Income Trust and Putnam Master Income Trust will consider the following proposal:

- * Approving an Agreement and Plan of Reorganization and the transactions contemplated thereby, including the transfer of all of the assets of Putnam Master Income Trust to Putnam Premier Income Trust in exchange for the issuance and delivery of shares of beneficial interest of Putnam Premier Income Trust and the assumption by Putnam Premier Income Trust of all of the liabilities of Putnam Master Income Trust, and the distribution of such shares to the shareholders of Putnam Master Income Trust in complete liquidation of Putnam Master Income Trust.

At their joint meeting, shareholders of each of Putnam High Income Bond Fund and Putnam High Income Opportunities Trust will consider the

The completion of each merger is subject to significant conditions, including final review by the Securities and Exchange Commission and approval by shareholders of each fund at the joint shareholder meetings. There can be no assurance that the mergers will be completed.
