VOTING PROCEDURES/REVOKING YOUR PROXY

You can vote by telephone, the Internet, mail or in person. We encourage you to vote by telephone or the Internet to help us save money.

You can vote your shares by telephone, the Internet, mail or in person at the Meeting. Your proxy card contains instructions for voting by telephone or the Internet, which are the least expensive and fastest methods of voting. To vote by mail, complete and sign your proxy card, or your broker's voting instruction card if your shares are held by your broker, and return it in the enclosed return envelope.

Under Arizona law, a majority of the shares entitled to vote on any single matter which may be brought before the Meeting will constitute a quorum. Business may be conducted once a quorum is represented at the Meeting. Except as otherwise specified by law or in our Articles of Incorporation or Bylaws, if a quorum exists, action on a matter other than the election of directors will be deemed approved if the votes cast in favor of the matter exceed votes cast against it.

Directors are elected by a plurality of the votes cast by the shares entitled to vote if a quorum is present. A plurality means receiving the largest number of votes, regardless of whether that is a majority. Withheld votes will be counted as being represented at the Meeting for quorum purposes but will not have an effect on the vote.

2

You may cumulate your votes for directors.

In the election of directors, each of our common stock shareholders has the right to cumulate his votes by casting as many votes in the aggregate equal to the number of his shares of common stock multiplied by the number of directors to be elected. He may cast all of such votes for one nominee or distribute such votes among two or more nominees.

You can revoke your proxy after sending it in by following these procedures.

Any shareholder giving a proxy has a right to revoke that proxy by giving notice to UniSource Energy in writing directed to the Corporate Secretary, UniSource Energy Corporation, One South Church Avenue, Suite 1820, Tucson, Arizona 85701, or in person at the Meeting at

Edgar Filing: UNISOURCE ENERGY CORP - Form DEF 14A

any time before the proxy is exercised. Those who fail to return a proxy or fail to attend the Meeting will not count towards determining any required plurality, majority or quorum.

The shares represented by an executed proxy will be voted for the election of directors or withheld in accordance with the specifications in the proxy. If no specification is made in the proxy, the proxy will be voted in favor of the nominees as set forth herein.

PROXY
SOLICITATION

We will bear the entire cost of the solicitation of proxies. Solicitations will be made primarily by mail. Additional solicitation of brokers, banks, nominees and institutional investors may be made pursuant to a special engagement of DF King and Company, at a cost of approximately \$7,500 plus reasonable out-of-pocket expenses. Solicitations may also be made by telephone, facsimile or personal interview, if necessary, to obtain reasonable representation of shareholders at the Meeting. Our employees may solicit proxies for no additional compensation. We will request brokers or other persons holding stock in their names, or in the names of their nominees, to forward proxy materials to the beneficial owners of such stock or request authority for the execution of the proxies. We will reimburse brokers and other persons for reasonable expenses they incur in sending these proxy materials to you if you are a beneficial holder of our shares.

- (1) In a statement filed February 14, 2003, with the SEC on Schedule 13G/A under the Securities Exchange Act of 1934, as amended ("Exchange Act"), T. Rowe Price Associates, Inc. ("Price Associates") indicated it has sole voting power over 1,180,500 shares and sole dispositive power over 3,337,900 shares of our outstanding common stock. Price Associates stated that these securities are owned by various individual and institutional investors for which Price Associates serves as investment advisor with power to direct investments and/or sole power to vote the securities. For purposes of the reporting requirements of the Exchange Act, Price Associates is deemed to be the beneficial owner of such securities; however, Price Associates expressly disclaimed that it is, in fact, the beneficial owner of such securities.
- (2) In a statement filed February 5, 2003, with the SEC on Schedule 13G/A under the Exchange Act, White Mountains Insurance Group ("WMIG") indicated that it has sole voting and sole dispositive power over 2,018,100 shares, shared voting power over 2,018,100 shares and shared dispositive power over 2,018,100 shares of our common stock. WMIG indicated that it indirectly controls, through various wholly-owned subsidiaries and certain of its employee benefit plans, 2,018,100 shares. WMIG stated that the shares are beneficially owned by OneBeacon Insurance Company (200,000 shares), The Camden Fire Insurance Association (800,000 shares), Folksamerica Reinsurance Company (138,100 shares) and certain employee benefit plans sponsored by Folksamerica Reinsurance Company (100,000 shares) and OneBeacon Insurance Company (780,000 shares). WMIG further stated that, through an investment advisory agreement, OneBeacon Asset Management Company has sole voting power and dispositive power over such shares.
- (3) In a statement filed February 7, 2003, with the SEC on Schedule 13G/A under the Exchange Act, Prudential Financial, Inc. ("Prudential") indicated that it has sole voting and sole dispositive power over 46,210 shares, shared voting power over 1,769,940 shares and shared dispositive power over 1,780,340 shares of our common stock. In addition, through its beneficial ownership of the Prudential Insurance Company of America ("PICOA"), Prudential stated that it may be deemed to presently hold 8,100 shares of our outstanding common stock for the benefit of PICOA's general account. In addition, Prudential stated that it may have direct or indirect voting and/or investment discretion over 1,818,450 shares of our outstanding common stock, which are held for its own benefit or for the benefit of its clients by its separate accounts, externally managed accounts, registered investment companies, subsidiaries and/or other affiliates. Prudential further stated that these shares were acquired by Prudential in the ordinary course of business, and not with the purpose or effect of changing or influencing control of UniSource Energy and that the filing of this statement should not be construed as an admission of Prudential, for the purposes

Edgar Filing: UNISOURCE ENERGY CORP - Form DEF 14A

of Sections 13 or 16 of the Exchange Act, that it is the beneficial owner of these shares.

- (4) In a statement filed February 14, 2003, with the SEC on Schedule 13G under the Exchange Act, Jennison Associates LLC ("Jennison") indicated that it has sole voting and shared dispositive power over 1,722,340 shares, representing 5.13% of our outstanding common stock, which are directly held in managed accounts to which Jennison serves as investment advisor. Jennison stated that it may be deemed to be the beneficial owner of the shares of our common stock held by such managed accounts. PICOA owns 100% of equity interests of Jennison. As a result, PICOA may be deemed to have the power to exercise or to direct the exercise of such voting and/or dispositive power that Jennison may have with respect to our common stock held in managed accounts. Jennison stated that it does not file jointly with PICOA, and as such, shares of our common stock reported on Jennison's 13G may be included in the shares reported on the 13G/A filed by Prudential. Jennison further stated that these shares were acquired by Jennison in the ordinary course of business, and not with the purpose or effect of changing or influencing control of UniSource Energy, and that the filing of this statement should not be construed as an admission of Jennison, for the purposes of Sections 13 or 16 of the Exchange Act, that it is the beneficial owner of these shares.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE	Section 16(a) of the Exchange Act and SEC regulations require directors, certain officers and persons who own greater than 10% of our stock to file reports of ownership and changes in ownership of such stock with the SEC and the New York Stock Exchange. These directors, officers and greater than 10% beneficial owners are required by law to furnish us with copies of all forms they file under Section 16(a).
---	--

Based solely on a review of the copies of such forms furnished to us and on written representations of our directors and officers, we believe that all Section 16(a) filing requirements applicable to our directors and officers were complied with during 2002, with the exception of Mr. Kenneth Handy, a Director of UniSource Energy, who failed to file timely a Form 4 for one discretionary transaction under the UniSource Energy Corporation Deferred Compensation Plan that involved derivative securities corresponding to 670 shares of UNS stock. The transaction was subsequently reported to the SEC on a Form 5.

At the Meeting, the shareholders will elect ten directors to serve on our Board for the ensuing year and until their successors are elected and qualified. All of the current nominees are present members of the Board except Robert A. Elliott. All of the nominees have consented to serve if elected. If any nominee becomes unavailable for any reason, or a vacancy should occur before the election, it is the intention of

Our Audit Committee held seven meetings in 2002 and was in full compliance with its written

Edgar Filing: UNISOURCE ENERGY CORP - Form DEF 14A

charter. See Appendix A attached to this Proxy Statement for a copy of the UniSource Energy Corporation Audit Committee of the Board of Directors Charter.

THE FINANCE COMMITTEE reviews and recommends to the Board long-range financial policies and objectives and actions required to achieve those objectives. Our Finance Committee held four meetings in 2002.

BOARD COMPENSATION

RETAINER AND FEES In 2002, each non-employee director received a \$20,000 annual cash retainer, \$1,000 for each Board meeting attended, \$1,000 for each committee meeting attended and an additional \$1,000 per committee meeting if acting as a committee chairperson. We reimburse directors for any expenses related to their Board service.

OPTION GRANTS On January 3, 2002, each of the non-employee directors received options to purchase 2,000 shares of our common stock, at an exercise price of \$18.74.

Edgar Filing: UNISOURCE ENERGY CORP - Form DEF 14A

At the 2002 annual meeting, shareholders approved an amendment to the 1994 Outside Director Stock Option Plan, which provides that each non-employee director will be granted a stock option when he or she first takes office that covers a number of shares of our common stock equal to \$5,000 divided by the value of an option as of the date of grant. The amendment also generally provides that each non-employee director in office on the first business day of each year, and who has been a director for at least three months, will be granted a stock option covering a number of shares of our common stock equal to \$10,000 divided by the value of an option as of the date of grant. Option values are determined using the Black Scholes option value model. The amendment also provides for a one-time stock option grant equal to the difference between \$10,000 divided by the value of an option as of the grant date less 2,000 shares. This calculation did not result in any additional stock option grants in 2002.

The amendment also generally provides that each non-employee director in office on the first business day of each year will be granted a number of restricted shares of our common stock equal to \$10,000 divided by the then fair market value of a share of our common stock. The amendment also provides for a one-time restricted stock grant. Accordingly, each of the non-employee directors in office on May 10, 2002, the effective date of the amendment, received a restricted stock grant of 516 shares.

STOCK OPTION GRANTS IN 2002 During 2002, the Compensation Committee of our Board granted stock options to officers. The options have exercise prices equal to the fair market value of our common stock at the date of grant, and were intended to be incentive stock options under, and to the maximum

Edgar Filing: UNISOURCE ENERGY CORP - Form DEF 14A

extent permitted by, the Internal Revenue Code of 1986, as amended ("Code"). The options vest ratably over a three-year period. The aggregate number of UNS shares attributable to the 2002 grants is 568,000.

The following table includes our 2002 grants of stock options and SARs to the Named Executives. The amounts shown as potential realizable values rely on arbitrarily assumed increases in value required by the SEC. In assessing those amounts, please note that the ultimate value of the options, as well as the shares, depends on actual future share prices. Market conditions and the efforts of the directors, the officers and others to foster the future success of UniSource Energy and its subsidiaries can influence those future share values.

EQUITY COMPENSATION PLAN INFORMATION

EQUITY COMPENSATION PLANS UniSource Energy's only equity-based compensation plan that has not been approved by shareholders is the Management and Directors Deferred Compensation Plan (the "DCP"). Shareholder approval of the DCP has not been required. Under the DCP, certain eligible officers and other employees selected for participation, and non-employee members of the Board, may elect to defer a percentage of the compensation or fees that would otherwise become payable to the individual for their services to the Company. UniSource Energy also credits DCP accounts of employees participating in the Company's 401(k) Plan with the additional amount of Company matching contributions that the participant would have been entitled to under the 401(k) Plan if certain Code limits did not apply to limit the amount of Company matching contributions made under the 401(k) Plan. Each participant in the DCP may elect that his or her deferrals be credited in the form of deferred shares. Deferred shares are bookkeeping entries that, when payable, will be paid in the form of an equivalent number of shares of UniSource Energy common stock. Deferred shares accrue dividend equivalents, credited in the form of additional deferred shares, as dividends are paid by UniSource Energy on its issued and outstanding common stock. Each participant elects the time and manner of payment (lump sum or installments) of his or her deferred shares under the DCP. The UniSource Energy shares used to satisfy the Company's stock obligations under the DCP are shares that have been purchased on the open market.

The estimated benefits shown in the Pension Plan Table are straight life annuities not subject to a reduction for any Social Security benefits. The table also reflects amounts payable under the Excess Benefits Plan which will pay from the general funds of UniSource Energy

the difference, if any, between the benefits under TEP's pension plan and any benefit payments, which may be limited by federal regulations.

The credited years of service for UniSource Energy's Named Executives are as follows:

OFFICER CHANGE IN CONTROL AGREEMENTS

Change in Control Agreements were adopted to attract and retain quality management.

TEP has Change in Control Agreements ("Agreements") with all of its officers. The Agreements are in effect until the latter of: (i) five years after the date either TEP or the officer gives written notice of termination of the Agreement, or (ii) if a change in control occurs during the term of the Agreement, five years after the change in control. For the purpose of the Agreements, a change in control includes the acquisition of beneficial ownership of 30% of the common stock of UniSource Energy, certain changes in the UniSource Energy Board of Directors, approval by the shareholders of certain mergers or consolidations or certain transfers of the assets of UniSource Energy. The Agreements provide that each officer shall be employed by TEP or one of its subsidiaries or affiliates in a position comparable to his or her current position, with compensation and benefits, which are at least equal to their then current compensation and benefits, for an employment period of five years after a change in control (subject to earlier termination due to the officer's acceptance of a position with another company or termination for cause).

Following a change in control, in the event that the officer's employment is terminated by TEP (with the exception of termination due to the officer's acceptance of another position or for cause), or if the officer terminates employment because of a reduction in position, responsibility, salary or for certain other stated reasons, the officer is entitled to severance benefits in the form of: (i) a lump sum payment equal to the present value of three times annual salary and bonus compensation; (ii) the present value of the additional amount the officer would have received under the TEP Retirement Plan if the officer had continued to be employed for the five-year period after a change in control occurs; and (iii) the present value of any employee awards under the 1994 Omnibus Stock and Incentive Plan or any successor plan, which are outstanding at the time of the officer's termination (whether vested or not), prorated based on length of service. Such officer is also entitled to continue to participate in TEP's health, death and disability

benefit plans for five years after the termination. The

16

Agreements further provide that TEP will make a payment to the officer to offset any excise taxes that may become payable under certain conditions. Any payments made in respect of such excise taxes are not deductible. Assuming a change in control occurred on the Record Date which resulted in the immediate termination of Mr. Pignatelli and the other Named Executives, the total payments made by UniSource Energy pursuant to the Agreements would not be expected to exceed \$18 million.

DIRECTOR INDEPENDENCE CRITERIA

Board independence is determined by consideration of established criteria.

The Board has established the following criteria for determining independence for the purpose of serving upon the Audit Committee, the Compensation Committee and the Corporate Governance and Nominating Committee.

Directors that meet each of the following criteria are deemed independent:

1. A director who is a former employee of the Company cannot be "independent" until five years after employment has ended, provided, however, that a director who serves as an interim Chairman or CEO is excluded from the definition of a "former employee" and thus deemed independent immediately after his or her service as interim Chairman or CEO ends.
2. A director who is, or in the past five years has been, affiliated with or employed by a (present or former) auditor of the Company (or of an affiliate) cannot be "independent" until five years after the end of either the affiliation or the auditing relationship.
3. A director cannot be "independent" if he or she is, or in the past five years has been, part of an interlocking directorate in which an executive officer of the Company serves on the compensation committee of another company that concurrently employs the director.
4. Directors with immediate family members in the foregoing categories (items 1-3) are likewise subject to the five-year "cooling-off" provisions for purposes of determining "independence," provided, however, that employment of a family member in a non-officer position does not preclude a director from being deemed "independent."
5. A director who possesses an interest in any transaction for which disclosure would be required pursuant to Item 404(a) of SEC Regulation S-K (generally, this item requires proxy statement disclosure of transactions exceeding \$60,000 between a director and the Company or any of its

Edgar Filing: UNISOURCE ENERGY CORP - Form DEF 14A

subsidiaries) cannot be independent.

6. Directors that do not meet item 5 of the aforementioned criteria may nonetheless be deemed independent by a majority of independent directors, provided the basis for such determination shall be disclosed in the Company's Proxy Statement.

Based upon the foregoing criteria, the Board has deemed each director to be independent, with the exception of Lawrence J. Aldrich and Larry W. Bickle.

17

Mr. Aldrich, a member of our Board, is a general partner of the company that manages Valley Ventures III, LP. As of December 31, 2002, Millennium had funded approximately \$1 million under this commitment.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

As Director of Energy Investments, Mr. Alexander assists in overseeing Millennium's investment portfolio. COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

THE COMMITTEE The Compensation Committee is responsible for developing and administering executive compensation policies and programs for UniSource Energy and TEP and making recommendations to the Board with respect thereto. The Compensation Committee makes recommendations to the Board with respect to the compensation of UniSource Energy's executive officers, including Mr. Pignatelli and the other Named Executives, and sets policies for and reviews the compensation awarded to other key members of management. UniSource Energy applies a consistent philosophy to compensation for all executive

Edgar Filing: UNISOURCE ENERGY CORP - Form DEF 14A

employees, including the Named Executives.

OVERALL OBJECTIVES UniSource Energy's executive compensation policies and programs generally are intended to (i) relate the compensation of employees to the success of UniSource Energy and the corresponding creation of shareholder value, and (ii) attract, retain and motivate executives and key employees with competitive compensation opportunities.

EXECUTIVE COMPENSATION GENERALLY We review executives' pay each year. Compensation depends on many factors, including individual performance, responsibilities, future challenges and objectives and the executive's potential contribution to our future success. We also look at UniSource Energy's financial performance and the compensation levels at comparable companies.

18

UniSource Energy's 2002 compensation program consisted of three components:

- base salary;
- short-term incentive compensation; and
- long-term incentive compensation.

BASE SALARY The base salary component of compensation is intended to be competitive with that paid by comparable companies in the energy industry. In developing the compensation program, the Compensation Committee retained an external consultant to conduct a competitive analysis of pay for UniSource Energy's officer group. In conducting its analysis for 2002, the consultant selected a peer group of energy companies with a revenue range of \$450 million to \$3.8 billion. UniSource Energy ranks at the 36th percentile of the peer group. Sixteen of the 21 peer group companies have both regulated utility and non-regulated energy businesses. The Compensation Committee believes the companies in the comparator group are a more appropriate comparison for UniSource Energy than the Edison Electric 100 companies used in the Performance Graph on page 22, because the type of business and annual revenues of the companies included in the survey are more closely related to those of UniSource Energy and the companies in the comparator group represent primary competitors to UniSource Energy for top-level management personnel. The external data from companies in the comparator group was used to develop market compensation for each executive position. "Market compensation" refers to the median salary for executives in the comparator group. Base salaries for UniSource Energy's executive officers, including Mr. Pignatelli and the other Named Executives, were set at market compensation levels in January 2002, in recognition of the increasingly competitive environment in the electric industry, the need to continue to attract and retain highly qualified executives and the fact that a substantial portion of each executive's total compensation package is "at-risk," based on the achievement of certain corporate goals. See Short-Term

Edgar Filing: UNISOURCE ENERGY CORP - Form DEF 14A

Incentive Compensation and Long-Term Incentive Compensation below.

SHORT-TERM
INCENTIVE
COMPENSATION

The Board adopted a Short-Term Incentive Plan to provide compensation for meeting or exceeding specified objectives designed to contribute to the attainment of UniSource Energy's long-term strategic plan. Under the Short-Term Incentive Plan, target award levels are set as a percentage of each participant's base salary. In 2002, the target award levels for our executive officers ranged from 30% to 65% of base salary. Awards for Mr. Pignatelli and the remaining executive officers are determined by the Board based on the accomplishment of previously established individual goals and contribution to business results. Based on the foregoing factors, the Compensation Committee made awards to the Named Executives ranging from 35% to 56% of base salary. Incentive compensation awarded to Mr. Pignatelli and the other Named Executives is set forth in the preceding Summary Compensation Table.

LONG-TERM
INCENTIVE
COMPENSATION

UniSource Energy's long-term incentive compensation is intended to attract and retain quality employees over the long term in a manner that directly aligns them with shareholder interest.

19

At the recommendation of the Compensation Committee, the Board unanimously adopted and, at the 1994 annual meeting of the shareholders, the shareholders approved the Tucson Electric Power Company 1994 Omnibus Stock and Incentive Plan. On January 2, 2002, the Compensation Committee issued stock options intended to be incentive stock options to all executive officers of UniSource Energy, including Mr. Pignatelli and the other Named Executives. In calculating the level of awards to the other executive officers, the Compensation Committee considered the above analysis of executive compensation for comparative companies. Based on such analysis, the Compensation Committee awarded Mr. Pignatelli stock options with a total value equal to 130% of his base salary. The total value of stock options issued to the other Named Executives ranged from 87% to 100% of base salary. The number of UNS shares covered by the stock option grant to Mr. Pignatelli was 150,000. The Compensation Committee did not consider the number of options previously granted or outstanding.

TAX CODE
CONCERNS

The Compensation Committee does not presently have a policy regarding qualifying compensation paid to executive officers for deductibility under Section 162(m) of the Code.

AUDIT COMMITTEE REPORT

THE COMMITTEE The Audit Committee is made up of non-employee, financially literate directors who are independent, as defined in the applicable New York Stock Exchange listing standards. Several members of the Audit Committee have accounting or related financial management expertise. The Board previously adopted a written charter for the Audit Committee. On December 5, 2002, the Board approved amendments to the charter. The Audit Committee Charter is included as Appendix A to this Proxy Statement. The Committee has complied with its charter, including the requirement to meet periodically with UniSource Energy's independent auditors, our Internal Audit Department and our management to discuss the auditors' findings and other financial and accounting matters.

In connection with our December 31, 2002 financial statements, the Audit Committee has (i) reviewed and discussed the audited financial statements with management; (ii) discussed with PricewaterhouseCoopers, LLP, our independent auditor, the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU Sec. 380); (iii) received from PricewaterhouseCoopers, LLP the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees); and (iv) discussed with PricewaterhouseCoopers, LLP its independence.

The following table details fees paid to PricewaterhouseCoopers, LLP for professional services during 2002. The Audit Committee has considered whether the provision of services to us by PricewaterhouseCoopers, LLP, beyond those rendered in connection with their audit and review of our financial statements, is compatible with maintaining their independence as auditors.

Audit Fees	Financial Information Systems Design and Implementation Fees	All Other Fees
-----	-----	-----

Based on all of its activities during the year, the Audit Committee recommended to the Board that the audited financial statements for 2002 be included in the Annual Report on Form 10-K for filing with the SEC.

SUBMISSION OF SHAREHOLDER PROPOSALS

GENERAL Rule 14a-4 of the SEC's proxy rules allows us to use discretionary voting authority to vote on a matter coming before an annual meeting of the shareholders, which was not included in our Proxy Statement (if we do not have notice of the matter at least 45 days before the date on which we first mailed our proxy materials for the prior year's annual meeting of the shareholders). In addition, we may also use discretionary voting authority if we receive timely notice of such matter (as described in the preceding sentence) and if, in the Proxy Statement, we describe the nature of such matter and how we intend to exercise

Edgar Filing: UNISOURCE ENERGY CORP - Form DEF 14A

our discretion to vote on it. Accordingly, for our 2004 annual meeting of the shareholders, any such notice must be submitted to the Corporate Secretary of UniSource Energy on or before February 24, 2004.

We must receive your shareholder proposals by December 11, 2003.

This requirement is separate and apart from the SEC's requirements that a shareholder must meet in order to have a shareholder proposal included in our Proxy Statement. Shareholder proposals intended to be presented at our 2004 annual meeting of the shareholders must be received by us no later than December 11, 2003, in order to be eligible for inclusion in our Proxy Statement and the form of proxy relating to that meeting. Direct any proposals, as well as related questions, to the undersigned.
