Item 8.01 Other Events

The Company's Board of Directors on October 24, 2012 declared a quarterly cash dividend of \$0.04 per share on its outstanding common stock. The dividend is payable on November 20, 2012 to shareholders of record as of November 6, 2012.

Lake Shore, MHC (the "MHC") which holds 3,636,875 shares, or 61.2% of the Company's total outstanding stock, will not waive receipt of the dividend payment as it has in past quarters because of the Federal Reserve Board's interim final regulation which requires the prior approval of a majority of the eligible votes of the MHC's members (depositors) for the MHC to waive the receipt of dividends. Due to the significant time that would be required to obtain the member vote required by the Federal Reserve Board's regulation, the Board of Directors of the MHC has determined not to pursue a vote in connection with this dividend. Without the dividend waiver, the Company must pay a dividend at the same rate on the shares that are held by the MHC as it does for public shareholders. Because of the increased number of shares that must receive the dividend payout, the Company has approved payment of this quarterly dividend at the amount of \$0.04 per share.
