On behalf of the Board of Directors and management of 1st Independence Financial Group, Inc. (the "Company"), I cordially invite you to attend the Annual Meeting of Stockholders to be held at 3801 Charlestown Road, New Albany, Indiana, on Thursday, May 18, 2006, at 5:30 p.m., Eastern Daylight Time.

The attached Notice of Annual Meeting and Proxy Statement describe the business to be transacted at the Annual Meeting. During the Annual Meeting, we will report on the operations of the Company during the year ended December 31, 2005.

You will be asked to elect four directors, approve the 1st Independence Restricted Stock Plan and to ratify the appointment of BKD, LLP as the Company's independent registered public accounting firm for the year ending December 31, 2006. The Board of Directors has unanimously approved each of these proposals and recommends that you vote FOR them.

Your vote is important, regardless of the number of shares you own and regardless of whether you plan to attend the Annual Meeting. I encourage you to read the enclosed proxy statement carefully and sign and return your enclosed proxy card as promptly as possible because a failure to do so could cause a delay in the Annual Meeting and additional expense to the Company. This will not prevent you from voting in person, but it will assure that your vote will be counted if you are unable to attend the Annual Meeting. If you do decide to attend the Annual Meeting and feel for whatever reason that you want to change your vote at that time, you will be able to do so.

Sincerely,

/s/ N. William White

The cost of soliciting proxies will be borne by the Company. The Company will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of Common Stock. In addition to solicitations by mail, directors, officers, and regular employees of the Company may solicit proxies personally or by telegraph or telephone without additional compensation.

VOTING STOCK AND VOTE REQUIRED

The Board of Directors has fixed the close of business on March 31, 2006 as the record date for the determination of stockholders who are entitled to notice of, and to vote at, the Meeting. On the record date, there were 1,965,158 shares of the Company's common stock outstanding (the "Common Stock"). Each stockholder of record on the record date is entitled to one vote for each share held.

The certificate of incorporation of the Company ("Certificate of Incorporation") provides that in no event shall any record owner of any outstanding Common Stock which is beneficially owned, directly or indirectly, by a person who beneficially owns in excess of 10% of the then outstanding shares of Common

Edgar Filing: 1ST INDEPENDENCE FINANCIAL GROUP, INC. - Form DEF 14A

Stock (the "Limit") be entitled or permitted to any vote with respect to the shares held in excess of the Limit.

Beneficial ownership is determined pursuant to the definition in the Certificate of Incorporation and includes shares beneficially owned by such person or any of his or her affiliates or associates (as such terms are defined in the Certificate of Incorporation), shares which such person or his or her affiliates or associates have the right to acquire upon the exercise of conversion rights or options, and shares as to which such person and his or her affiliates or associates have or share investment or voting power, but shall not include shares beneficially owned by any employee stock ownership plan or similar plan of the issuer or any subsidiary.

The presence in person or by proxy of at least a majority of the outstanding shares of Common Stock entitled to vote (after subtracting any shares held in excess of the Limit) is necessary to constitute a quorum at the Meeting. With respect to any matter, any shares for which a broker indicates on the proxy that it does not have discretionary authority as to such shares to vote on such matter (the "Broker Non-Votes") will not be considered present for purposes of determining whether a quorum is present. In the event there are not sufficient votes for a quorum or to ratify any proposals at the time of the Meeting, the Meeting may be adjourned in order to permit the further solicitation of proxies.

Tellers will be appointed at the annual meeting to count the votes cast in person or by proxy. The results of the vote will be announced at the meeting and in our quarterly report on Form 10-Q for the second quarter of 2006.

As to the election of directors, the proxy being provided by the Board enables a stockholder to vote for the election of the nominees proposed by the Board of Directors, as submitted as Proposal 1, or to withhold authority to vote for the nominees being proposed. Directors are elected by a plurality of votes of the shares present in person or represented by proxy at a meeting and entitled to vote in the election of directors.

As to the approval of the 1st Independence Restricted Stock Plan, which is submitted as Proposal 2, a stockholder may: (i) vote "FOR" the approval; (ii) vote "AGAINST" the approval; or (iii) "ABSTAIN" with respect to the approval. Proposal 2 shall be determined by the affirmative vote of a majority of shares present in person or represented by proxy and entitled to vote without regard to Broker Non-Votes, or proxies marked "ABSTAIN" as to that matter.

As to the ratification of the appointment of BKD, LLP as the Company's independent registered public accounting firm, which is submitted as Proposal 3, a stockholder may: (i) vote "FOR" the ratification; (ii) vote "AGAINST" the ratification; or (iii) "ABSTAIN" with respect to the ratification. Unless otherwise required by law, Proposal 3 shall be determined by the affirmative vote of a majority of shares present in person or represented by proxy and entitled to vote without regard to Broker Non-Votes, or proxies marked "ABSTAIN" as to that matter.

All other matters that properly come before the Meeting shall be determined by the affirmative vote of a majority of shares present in person or represented by proxy and entitled to vote without regard to Broker Non-Votes, or proxies marked "ABSTAIN" as to that matter.

PROPOSAL 1 - ELECTION OF DIRECTORS

The Board of Directors of the Corporation is currently composed of ten members. The Corporation's Certificate of Incorporation divides the Board of Directors into three classes, as nearly equal in size as possible, with one class of Directors elected each year for a three-year term.

Edgar Filing: 1ST INDEPENDENCE FINANCIAL GROUP, INC. - Form DEF 14A

The persons named below (the "Nominees"), each of whom is currently a director of the Company, have been nominated as a director of the Company for a three-year term.

Stephen R. Manecke
Dr. Ronald L. Receveur
W. Dudley Shryock
H. Lowell Wainwright, Jr.

A description of each director's business experience follows on pages 7 and 8.

The persons named as proxies in the enclosed proxy card intend to vote for the election of the Nominees, unless the proxy card is marked to indicate that such authorization is expressly withheld. Should the Nominees withdraw or be unable to serve (which the Board of Directors does not expect) or should any other vacancy occur in the Board of Directors, it is the intention of the persons named in the enclosed proxy card to vote for the election of such person as may be recommended to the Board of Directors by the Nominating Committee of the Board. If there are no substitute nominees, the size of the Board of Directors may be reduced.

The Board of Directors of the Company recommends that you vote "FOR" the election of the persons named above as directors of the Company for a term of three years.

PROPOSAL 2 - APPROVAL OF 1st INDEPENDENCE RESTRICTED STOCK PLAN

The second item to be acted upon at the Meeting will be the approval of the 1st Independence Restricted Stock Plan (the "Plan").

Background

The Board of Directors of the Company approved a new restricted stock plan effective as of January 1, 2006, subject to stockholder approval. Awards will be made under the Plan only if the Plan is approved by stockholders.

If approved by stockholders, the Plan will supersede and replace the Company's existing restricted stock plan, the First Federal Savings Bank of Harrodsburg Restricted Stock Plan and Trust Agreement. The Plan is designed to promote the interests of the Company and its subsidiaries by encouraging their officers, key employees and non-employee directors, upon whose judgment, initiative and industry the Company and its subsidiaries are largely dependent for the successful conduct and growth of their business, to continue their association with the Company and its subsidiaries by providing additional incentive and opportunity for unusual industry and efficiency through stock ownership, and by increasing their proprietary interest in the Company and their personal interest in its continued success and progress.

The summary of the material terms of the Plan which follows is qualified in its entirety by reference to the full text of the Plan which is attached as Appendix A to this Proxy Statement.

Summary of Material Provisions of the Plan

Administration. The Compensation Committee will administer the Plan. The Board of Directors intends the Compensation Committee to be comprised of not less than 3 directors who are (a) independent under the director independence requirements of the principal securities exchange or market on which the shares of the Company's common stock are traded, (b) non-employee directors under Rule 16b-3 of the Securities Exchange Act of 1934, and (c) outside directors for purposes of Code Section 162(m). Failure of the Committee to be comprised in this manner will not result in the cancellation, termination, expiration or lapse of any

Edgar Filing: 1ST INDEPENDENCE FINANCIAL GROUP, INC. - Form DEF 14A

award.

Duration of the Plan. Upon approval by the stockholders, the Plan will remain in effect until terminated by the Board of Directors of the Company.

Eligibility. Any current or future officer, key employee or non-employee director of the Company or any of its subsidiaries designated by the Compensation Committee of the Board of Directors is eligible to be selected to participate in the Plan and to receive an award under the Plan. Participation in the Plan will not confer upon any participant a right to continued employment by the Company or any of its subsidiaries.

As of the date of this Proxy Statement, the Compensation Committee has not determined how many employees of the Company and its subsidiaries will be designated to participate in the Plan in 2006. The number of participants in the Plan may change from year to year in the discretion of the Compensation Committee.

Types of Awards. The Plan solely permits the award of restricted stock. Awards of restricted stock may be granted with or without a purchase price that must be paid for the shares of restricted stock after they have become vested.

Maximum Number of Shares Subject to the Plan. Subject to adjustment in the event of a change in the capitalization of the Company, a maximum aggregate of 80,500 shares may be granted under the Plan. If a restricted stock award does not vest and is forfeited, the shares subject to that award will be available for new grants under the Plan.

Transferability. No awards may be assigned, transferred or pledged nor can a lien, security interest or right to acquire be placed on an award until such shares become fully vested.

Vesting. Unless otherwise provided in an award agreement or determined by the Compensation Committee, restricted stock awarded under the Plan will become vested upon completion of years of service for the Company in accordance with the following schedule:

Years of Service From Grant Date	Vested Percentage	Forfeited Percentage
Less than 1	0%	100%
1	20	80
2	40	60
3	60	40
4	80	20
5	100	0

A year of service means a 12 consecutive month period of continuous, active employment with the Company commencing as of the applicable grant date. Restrictions on the shares of restricted stock will lapse and the shares will become fully vested upon the earliest to occur of a change in control of the Company, the participant's death, disability or when the shares of restricted stock become fully vested based on the participant's years of service.

The Compensation Committee will have full power and discretion to determine the size, vesting requirements, restrictions, pay-outs and all other attributes of awards under the Plan; amend or modify the Plan subject to limitations imposed by applicable law and the Plan; interpret the Plan and all award or other agreements entered into under the Plan; establish, amend or waive rules and regulations for the Plan's administration; and make all other determinations which may be necessary or advisable for the administration of the Plan. All determinations of the Compensation Committee will be final.

Termination of Employment. If a participant's employment with the Company or one of its subsidiaries is terminated for any reason other than because of disability or death, his or her unvested awards will be forfeited as set forth in the Plan. Provided, however, if the participant terminates employment for a reason other than Cause (as defined in the Plan), the Compensation Committee may in its discretion, by amending the restricted stock agreement, provide that the participant's unvested shares of restricted stock are not forfeited on termination of employment and that the shares will vest at the earliest of the time prescribed by the Compensation Committee in the amended agreement, or on the participant's death or disability. Such an amendment must also provide that if the participant violates any non-compete or non-solicitation provision or any other provision in the amended restricted stock agreement, all shares that were not vested when the participant terminated employment will be forfeited immediately.

Amendment and Termination of the Plan. The Board of Directors may amend or terminate the Plan, or discontinue or suspend the Plan, at any time but may not, without the consent of the participants to whom an award has been made, make any alteration which would adversely affect an award. The Board of Directors may also not (a) increase the aggregate number of shares subject to an award; (b) decrease the purchase price (if any); (c) permit any member of the Compensation Committee to be eligible for an award; (d) withdraw administration of the Plan from the Compensation Committee or the Board of Directors; (e) extend the term of the Plan; (f) change the manner of determining the purchase price (if any); or (g) change the class of individuals eligible for awards. In addition, the Compensation Committee may, in its sole discretion and subject to certain limitations, make adjustments to awards, and such other terms and conditions of the Plan that the Committee determines to be necessary or advisable.

Deferral of Awards. Participants are not permitted to defer the receipt of vested shares of restricted stock.

Plan Benefits. The benefits to be received by Plan participants, including the executive officers of the Company, and the number of and types of awards to be made pursuant to the 2006 Plan is subject to the discretion of the Committee and therefore not determinable at this time. In addition, because of the discretionary nature of the Plan, the benefits or amounts that would have been received by such persons for the last completed fiscal year if the Plan had been in effect cannot be determined.

Approval by stockholders of the Plan requires that the number of shares voted in favor of approval of the Plan exceed the number of shares voted against approval of the Plan.

The Board of Directors recommends that stockholders vote "FOR" the approval of the Plan.

PROPOSAL 3 - RATIFICATION OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM

The Audit Committee selected BKD, LLP, as the Company's independent registered public accounting firm for the year ending December 31, 2006. At the Meeting, stockholders will consider and vote upon the ratification of the appointment of BKD, LLP as the Company's independent registered public accounting firm for the year ending December 31, 2006. Your ratification of the Audit Committee's appointment of BKD, LLP is not necessary because the Audit Committee has sole authority for appointment of our independent registered public accounting firm. However, the Audit Committee will take your vote on this proposal into consideration when selecting our independent registered public accounting firm in the future.

Edgar Filing: 1ST INDEPENDENCE FINANCIAL GROUP, INC. - Form DEF 14A

BKD, LLP was the Company's independent registered public accounting firm for the year ended December 31, 2005.

A representative of BKD, LLP is expected to be present at the Meeting to respond to stockholders' questions and will have the opportunity to make a statement if he or she so desires.

The Board of Directors recommends that stockholders vote "FOR" the ratification of the appointment of BKD, LLP as the Company's independent registered public accounting firm for the year ending December 31, 2006.

Nominating Committee

The Board of Directors had no standing nominating committee or any committee performing similar functions during 2005; such functions are performed by the independent (as such is defined under the NASDAQ listing standards) members of the Board of Directors. In the nominee process, the independent members of the Board of Directors identify director nominees through a combination of referrals, including by management, existing board members and stockholders. The Company does not have a formal policy with respect to the consideration of any nominees recommended by a stockholder, however, the Board of Directors will consider written recommendations from stockholders of the Company regarding potential nominees for election as directors. To be considered for inclusion in the slate of nominees proposed by the Board of Directors at the next Annual Meeting of Stockholders of the Company, such recommendations must be received in writing by the Secretary of the Company not less than 60 or more than 90 days prior to the date of the meeting. Once a candidate has been identified, the independent members of the Board of Directors review the individual's experience and background and may discuss the proposed nominee with the source of the recommendation. If determined to be appropriate, certain independent Directors may meet with the proposed nominee before making a final determination. The independent members of the Board of Directors consider all factors they deem relevant regarding a possible director nominee, including his or her business experience, civic involvement, and general reputation in the community. In this respect, the Company has not identified any specific minimum qualifications which must be met to be considered as a nominee.

The Company received no security holder recommendations for nomination to the Board of Directors in connection with the 2006 Annual Meeting of Stockholders. The four director nominees are incumbent directors standing for re-election.

Compensation Committee

The Compensation Committee for 2005 was comprised of four directors, each of whom met the criteria for independence under the NASDAQ listing standards. The Compensation Committee met two times during the year ended December 31, 2005.

The Compensation Committee has primary responsibility for:

- o Establishing executive compensation policies and programs.
- o Establishing the base salaries for executive officers.
- o Reviewing the Company's management development and succession planning policies.
- o Administering the Company's stock option plans.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Company, comprised entirely of independent

Edgar Filing: 1ST INDEPENDENCE FINANCIAL GROUP, INC. - Form DEF 14A

directors, is responsible for reviewing the Company's executive compensation program. The Committee is responsible for establishing and administering executive compensation programs and has adopted a written charter for the Compensation Committee. The compensation philosophy of the Committee supports the Company's primary objective of creating stockholder value. The Committee strives to ensure that executive compensation provides a means of attracting and retaining individuals with proven abilities to lead the Company and the Bank so growth and profitability are realized while maintaining stability and capital strength. The following compensation strategies have been implemented by the Committee for the executive officers, including the Chief Executive Officer, to achieve this objective.

The Committee performs an annual review to study the Company's executive officers' compensation. The review identifies compensation practices within the banking industry based on size, complexity, and demographics. The reviews identify similar positions within peer banks to compare with each of the Company's executive officers. For 2005, the Compensation Committee reviewed a peer group comprised of 29 banks from the Mid-West region within the asset range of \$200 - \$500 million in total assets compiled by an outside consulting firm. The Committee believes pay levels are competitive within a range the Committee considers reasonable and necessary to attract and retain qualified officers.

Base Salary. Executive officers' salaries are determined by evaluating both the most recent comparative peer data as described above and the role and responsibilities of their positions. Individual salary increases are reviewed annually and are based on the comparative performance to the peer group and the executive's individual performance during the preceding year. The Committee also considers the recommendations of the Chief Executive Officer as to the parameters for annual salary adjustments for executive officers and all employees.

Annual Incentive Compensation. The objective of annual incentive compensation is to deliver competitive levels of compensation for the attainment of annual financial objectives and operating results. The annual determination as to whether incentives and the amount of the incentive to executive officers is based upon the Committee's evaluation of the performance of each officer and the Company's results, using a variety of performance factors including net income per share.

Long Term Incentives. The Committee believes the granting of stock options to executives best serves the interest of stockholders by providing those individuals having responsibility for the management and growth of the Company and the Bank with an opportunity to increase their ownership of the Company's Common Stock. By increasing executive officer ownership, these individuals will have an added incentive to maximize stockholder value. Executive officers are granted options, from time to time, giving them the right to purchase the Company's Common Stock at a specified price in the future. The number of stock options granted is based upon individual performance and comparative practices and have an exercise price of 100% of the market value on the date of the grant.

Chief Executive Officer's Compensation. In determining the base pay for Mr. White, the Committee used the factors and peer group data detailed above. Due to Mr. Freeman's retirement in April 2005, Mr. White assumed additional responsibilities. His base salary was increased to \$154,000 effective May 13, 2005 based on the comparison data.

In summary, the Committee believes the total compensation program for the Company's executive officers is competitive with programs offered by similar institutions, and executive compensation is appropriate to further the goals and objectives of the Company and the Bank.

..2 "Board" means the Board of Directors of the Company, unless the context clearly requires otherwise, and to the extent that any powers and discretion vested in the Board of Directors are delegated to any committee of the Board, the term "Board" shall also mean such committee.

..3 "Cause" means: (i) the willful and continued failure of a Participant to perform his required duties as an officer or key employee of the Company or any Subsidiary, (ii) action by a Participant involving willful misfeasance or gross negligence, (iii) the requirement or direction of a federal or state regulatory agency having jurisdiction over the Company or any Subsidiary to terminate the employment of a Participant, (iv) conviction of a Participant of the commission of any criminal offense involving dishonesty or breach of trust, or (v) any intentional breach by a Participant of a material term, condition or covenant of any agreement of employment, termination or severance or any other agreement between the Participant and the Company or any Subsidiary.

..4 "Change in Control" of the Company will be deemed to have occurred if one of the following events takes place:

..A Change in Ownership. A change in the ownership of the Company occurs on the date that any person, or group of persons, as defined in subparagraph (b), acquires ownership of stock of the Company that, together with stock held by the person or group, constitutes more than 50 percent of the total fair market value or total voting power of the stock. However, if any person or group is considered to own more than 50 percent of the total fair market value or total voting power of the stock, the acquisition of additional stock by the same person or group is not considered to cause a change in the ownership

of the Company. An increase in the percentage of stock owned by any person or group, as a result of a transaction in which the Company acquires its stock in exchange for property will be treated as an acquisition of stock.

..B Change in the Effective Control. A change in the effective control of the Company will occur when: (i) any person or group acquires, or has acquired during the twelve-month period ending on the date of the most recent acquisition by such person(s), ownership of stock of the Company possessing 35 percent or more of the total voting power; or (ii) a majority of members of the Board is replaced during any twelve-month period by Directors whose appointment or election is not endorsed by a majority of the members of the Company's Board prior to the date of the appointment or election. However, if any person or group is considered to effectively control the Company, the acquisition of additional control of the Company by the same person(s) is not considered to cause a change in the effective control.

..C Change in the Ownership of a Substantial Portion of the Company's Assets. A change in the ownership of a substantial portion of the Company's assets occurs on the date that any person or group acquires, or has acquired during the 12-month period ending on the date of the most recent acquisition by such person(s), assets from the Company that have a total gross fair market value equal to or more than 40 percent of the total gross fair market value of all of the assets immediately prior to such acquisition(s). Gross fair market value means the value of the assets of the Company, or the value of the assets being disposed of, determined without regard to any liabilities associated with such assets.

However, there is no Change in Control under this subparagraph when there is a transfer to an entity that is controlled by the shareholders of the transferring Company immediately after the transfer. A transfer of assets by the Company is not treated as a change in the ownership of such assets if the assets are transferred to: (i) a shareholder of the Company (immediately before the asset transfer) in exchange for or with respect to its stock; (ii) an entity, 50 percent or more of the total value or voting power of which is owned, directly or indirectly, by the Company; (iii) a person, or group of persons, that owns, directly or indirectly, 50 percent or more of the total value or voting power of all the outstanding stock of the Company or (iv) an entity, at least 50 percent of the total value or voting power of which is owned, directly or indirectly, by a person described in (iii). For purposes of this subparagraph, except as otherwise provided, a person's status is determined immediately after the transfer of the assets. For example, a transfer to a Company in which the transferor Company has no ownership interest before the transaction, but which is a majority-owned subsidiary of the transferor Company after the transaction is not treated as a change in the ownership of the assets of the transferor Company.

..D Acting as a Group. For purposes of this Section, persons will not be considered to be acting as a group solely because they purchase or own stock of the Company at the same time, or as a result of the same public offering. However, persons will be considered to be acting as a group if they are owners of a

Edgar Filing: 1ST INDEPENDENCE FINANCIAL GROUP, INC. - Form DEF 14A

Company that enters into a merger, consolidation, purchase or acquisition of stock or similar business transaction with the Company. If a person, including an entity, owns stock in both Companies that enter into a merger, consolidation, purchase or acquisition of stock or similar transaction, such shareholder is considered to be acting as a group with other shareholders in a Company prior to the transaction giving rise to the change and not with respect to the ownership interest in the other Company.

Reference to a specific section of the Code or to a regulation adopted thereunder will include such section, guidance issued by the Internal Revenue Service or the Treasury Department with respect to such section, any valid regulation promulgated under such section, and any comparable provision of any future law, legislation or regulation amending, supplementing or superseding such section or regulation.

If the common stock of the Company is not quoted by entities which make a market in the Company's stock, the Fair Market Value shall be determined by the Committee in good faith based upon a valuation of the Company Stock conducted by a qualified appraiser and such other factors as the Committee deems appropriate.

..12 "Grant Date" means, with respect to any Award granted under the Plan, the date as of which the Award was granted by the Committee, regardless if the Restricted Stock Agreement to which the Award relates is executed subsequent to such date.

..13 "Non-employee Director" means any individual who is a member of the Board and who is not an employee of the Company.

..14 "Participant" means an officer, key employee or Non-employee Director to whom an Award has been granted.

..15 "Period of Restriction" means the period during which the transfer of shares of Restricted Stock is subject to restrictions and, therefore, are subject to a substantial risk of forfeiture. As provided in Article V, such restrictions may be based on the passage of time or the occurrence of such other events as may be determined by the Committee in its sole discretion.

..16 "Plan" means the 1st Independence Financial Group Restricted Stock Plan, as set forth in this instrument and as hereafter amended from time to time.

3

Administration

..1 The Committee. The Plan will be administered by a Committee of not less than three Directors of the Company who will be designated from time to time by the Board. No Director who is also an officer or key employee of the Company or any of its Subsidiaries will be eligible to serve as a member of the Committee. The decision of a majority of the members of the Committee will constitute a decision of the Committee. It is intended that the Committee be comprised solely of Directors who both are (a) "Non-employee Directors" under Rule 16b-3, and (b) "outside Directors" as described in Treasury Regulation Section 1.162-27(e)(3). Failure of the Committee to be so comprised will not result in the cancellation, termination, expiration or lapse of any Award. Until and unless this Article is amended to provide otherwise, all references in the Plan to the Committee are to the Compensation Committee of the Board.

..2 Authority of the Committee.

..1 Except as limited by law or by the Articles of Incorporation or By-Laws of the Company, and subject to the provisions of the Plan, the Committee will have full power and discretion to:

- (i) select officers, key employees and Non-employee Directors to receive Awards;
- (ii) determine the sizes of Awards;
- (iii) determine the terms and conditions of Awards in a manner consistent with the Plan;
- (iv) construe and interpret the Plan, all Restricted Stock Agreements and any other agreements or instruments entered into under the Plan;
- (v) establish,

amend or waive rules and regulations for the Plan's administration; and (vi) amend the terms and conditions of any outstanding Restricted Stock Agreement to the extent such terms and conditions are within the discretion of the Committee as provided in the Plan. Further, the Committee will make all other determinations which may be necessary or advisable for the administration of the Plan. Each Award will be evidenced by a written Restricted Stock Agreement between the Company and the Participant and will contain terms and conditions established by the Committee consistent with the provisions of the Plan. Any notice or document required to be given to or filed with the Committee will be properly given or filed if hand delivered (and a delivery receipt is received) or mailed by certified mail, return receipt requested, postage paid, to the Committee at 1st Independence Bank, P.O. Box 1433, 3801 Charlestown Road, New Albany, Indiana 47151-1433.

- ..2 The Committee is authorized, subject to the provisions of the Plan, to adopt, amend and rescind such rules and regulations as it may deem appropriate for the administration of the Plan and to make determinations and interpretations which it deems consistent with the Plan's provisions. The Committee's determinations and interpretations in this regard will be final and conclusive.

4

Eligibility

..1 Eligibility. Officers, key employees and Non-employee Directors of the Company or of any of its Subsidiaries, as selected by the Committee, are eligible to receive Awards. An officer, key employee or Non-employee Director will become a Participant as of the date specified by the Committee. A Participant can be removed as an active Participant by the Committee effective as of any date; provided, however, that no such removal will adversely affect any Award previously granted to the Participant.

..2 Participation. No officer, key employee or Non-employee Director will have the right to be selected to receive an Award under the Plan or, having been selected, to be selected to receive a future Award. Participation in the Plan will not give any Participant any right or claim to any benefit under the Plan, unless such right or claim has specifically accrued under the terms of the Plan.

5

Restricted Stock

..1 Number of Shares. Awards of Restricted Stock will be made in shares of Company Stock which can be unissued shares or reacquired shares (including shares purchased in the open market), or a combination thereof, as the Committee may from time to time determine in its sole discretion. Subject to the provisions of Section 5.8, the maximum number of shares to be delivered upon the grant of all Restricted Stock awarded under the Plan will not exceed 80,500 shares. Shares of Restricted Stock which are forfeited can be made the subject of further Awards.

..2 Grant of Restricted Stock. Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant shares of Restricted Stock to any officer, key employee or Non-employee Director in such amounts as

Edgar Filing: 1ST INDEPENDENCE FINANCIAL GROUP, INC. - Form DEF 14A

the Committee determines in its sole discretion. Subject to the limitations of Section 5.1, the Committee will determine the number of shares of Restricted Stock to be granted to each Participant in its sole discretion.

..3 Restricted Stock Agreement. Each Award of Restricted Stock will be evidenced by a Restricted Stock Agreement that specifies the Period of Restriction, the number of shares granted, the Grant Date, the Purchase Price (if any) and such other terms and conditions as the Committee determines in its sole discretion.

..4 Vesting and Transfer of Restricted Stock. Shares issued due to grant of an Award will be subject to the terms and conditions specified herein and to such other terms, conditions and restrictions as the Committee in its sole discretion may determine and provide in the Restricted Stock Agreement. The Company may cause any certificate for shares to be delivered hereunder to be properly marked with a legend or other notation which reflects the limitations on transfer of such shares as provided in the Plan, the applicable Restricted Stock Agreement or as the Committee may otherwise require in its sole discretion.

..1 Restrictions on Transferability. Except as provided in this subsection, no shares of Restricted Stock awarded under the Plan may be sold, assigned, transferred, pledged or hypothecated by the Participant in any way, whether by operation of law or otherwise and shall not be subject to execution, attachment or similar process. Each certificate evidencing shares of Restricted Stock awarded under the Plan will bear a legend which sets forth such restrictions; and, any attempted sale, assignment, transfer, pledge, hypothecation, execution, attachment or similar disposition will be null and void and of no effect.

..2 Vesting. Unless otherwise provided in the applicable Restricted Stock Agreement or determined by the Committee in its sole discretion, Restricted Stock awarded under the Plan will become vested upon completion of years of service for the Company in accordance with the following schedule:

Years of Service From Grant Date	Vested Percentage	Forfeited Percentage
1	20%	80%
2	40%	60%
3	60%	40%
4	80%	20%
5	100%	0%

Notwithstanding the vesting schedule specified above, the Committee may, in its sole discretion, amend the vesting schedule for a particular Restricted Stock Award in a manner which causes the Restricted Stock to which the Award relates to vest under a more rapid schedule. The Committee shall not amend such schedule to (i) require a Participant to complete more years of service than specified in the schedule, or (ii) reduce the percentage rates specified in the schedule, to slow the rate at which the Restricted Stock vests.

For purposes of this Section 5.4, a "year of service" means a period of 12 consecutive months of continuous, active employment of the Participant with the Company commencing as of the applicable Grant Date.

..3 Lapse of Restrictions and Vesting. The restrictions on shares of Restricted Stock contained in subsections 5.4(a) and (b) will

lapse and such shares will become fully vested, nonforfeitable and transferable upon the earliest to occur of: (i) the date(s) prescribed by the Committee in the Restricted Stock Agreement; (ii) the Participant's death; or (iii) the Participant's Total and Permanent Disability. The specific terms and conditions regarding the lapse of restrictions and the vesting of shares of Restricted Stock will be contained in the Restricted Stock Agreement. In no event will a Participant have any right under the Plan or in a Restricted Stock Agreement to affect the time at which the Restricted Stock awarded to him becomes vested.

..4

Forfeiture of Shares on Termination of Employment. If a Participant's employment with the Company or any Subsidiary is terminated for any reason other than for Cause or on account of the Total and Permanent Disability or death, prior to the time the shares of Restricted Stock become vested, as provided in subsections 5.4(b) or (c), all of the unvested shares of Restricted Stock will be forfeited and will thereupon revert to the Company. Such forfeiture will be effective on the date of the Participant's termination of employment. Transfer of employment from the Company to a Subsidiary, or vice versa, or from one Subsidiary to another, will not be deemed termination of employment. The Committee has the authority to determine in each case whether a leave of absence on military or government service is deemed a termination of employment.

Notwithstanding the foregoing provisions of this Section, if a Participant's employment terminates for any reason other than Cause, the Committee may, in its sole discretion, by means of a written amendment to the Restricted Stock Agreement, provide that (i) the unvested shares of Restricted Stock will not be forfeited upon termination of employment, and (ii) the restrictions on shares of Restricted Stock contained in subsections 5.4(a) and (b) will lapse and such shares will become fully vested, nonforfeitable and transferable upon the earliest to occur of: (x) the date(s) prescribed by the Committee in the amendment to the Restricted Stock Agreement, (y) the Participant's death, or (z) the Participant's Total and Permanent Disability; provided, however, that the Committee will provide in any such amendment that (A) shares of Restricted Stock that were not vested on the date the Participant terminated employment will be immediately forfeited; and (B) shares of Restricted Stock which became vested after the Participant terminated employment must be returned to the Company, upon a finding by the Committee, as determined in its sole discretion, that the Participant has violated any provision of the amended Restricted Stock Agreement, including without limitation any non-competition, non-solicitation or non-disclosure provision thereof.

..5

Forfeiture on Termination For Cause. If a Participant's employment is terminated for Cause prior to the time the shares of Restricted Stock become vested, as provided in subsections 5.4(b) or (c), all of the unvested shares will be forfeited and thereupon revert to the Company. Such forfeiture will be effective on the date the Participant receives notice of his termination for Cause.

..6

Change in Control of Company. In the event of a Change in Control of the Company (i) the restrictions on the transfer of

Edgar Filing: 1ST INDEPENDENCE FINANCIAL GROUP, INC. - Form DEF 14A

all shares of Restricted Stock provided in subsection 5.4(a), will immediately lapse, and (ii) all of the shares of Restricted Stock subject to forfeiture under subsections 5.4(b), (d) and (e) will immediately become fully vested and nonforfeitable.

..5 Return of Restricted Stock to Company. On the date set forth in the applicable Restricted Stock Agreement, the Restricted Stock for which restrictions have not lapsed by the last day of the Period of Restriction will revert to the Company and thereafter will be available for the grant of new Awards.

..6 Shareholder Rights. No person will have any rights of a shareholder (including, but not limited to, voting rights) with respect to shares subject to an Award until such shares have been recorded on the Company's official shareholder records (or the records of its transfer agents or registrars) as having been issued and transferred to the Participant. Upon grant of the Award or any portion thereof, the Company will have a reasonable period in which to issue and transfer the shares to the Participant, and the Participant will not be treated as a shareholder for any purpose whatsoever prior to such issuance and transfer. No payment or adjustment will be made for rights for which the record date is prior to the date such shares are recorded as issued and transferred in the Company's official shareholder records (or the records of its transfer agents or registrars), except as otherwise provided herein or in a Restricted Stock Agreement.

..7 Dividends and Voting Rights. Upon the Award of shares of Restricted Stock under the Plan, subject to the requirements of Section 5.4 concerning restrictions on the transferability of Restricted Stock and the requirement that a Participant remain an employee or Non-employee Director of the Company or its Subsidiaries, the Participant will be entitled to: (i) receive all dividends payable and paid with respect to Restricted Stock awarded and issued to the Participant; and (ii) exercise all voting rights associated with such Restricted Stock. Provided, however, upon the transfer or other disposition of any shares of Restricted Stock in violation of subsection 5.4(a) or upon the forfeiture of any shares of Restricted Stock in accordance with subsection 5.4(b), (d) or (e), the Participant will not be entitled to receive any dividends declared or exercise any voting rights on or after the date such shares of Restricted Stock were transferred or forfeited.

..8 Changes in Stock.

..1 Subject to the provisions of subsection 5.8(b), in the event of any change in the Company's shares through stock dividends, split-ups, recapitalizations, reclassifications, conversions or otherwise, or in the event that other stock is converted into or substituted for Company shares as the result of any merger, consolidation, reorganization or similar transaction which results in a Change in Control of the Company, then the Committee may make appropriate adjustment or substitution in the aggregate number, price and kind of shares available under the Plan and in the number, price and kind of shares covered under any Restricted Stock awarded or to be awarded under the Plan. The Committee's determination in this respect will be final and conclusive. Provided, however, that the Company will not, and will not permit its Subsidiaries to, recommend, facilitate or agree or consent to a transaction or series of transactions which would result in a Change in Control of the Company unless and until the person or persons or entity or entities acquiring or succeeding to the assets or capital stock of the Company or any of its Subsidiaries as a result of such transaction or transactions agrees to be bound by the

terms of the Plan insofar as it pertains to Restricted Stock theretofore awarded but which are unvested and agrees to assume and perform the obligations of the Company hereunder.

..2 In the event of a Change in Control of the Company pursuant to which another person or entity acquires control of the Company (such other person or entity being the "Successor"), shares subject to the Plan and each Award of Restricted Stock, will, automatically by virtue of such Change in Control of the Company, be converted into and replaced by shares of common stock, or such other class of securities having rights and preferences no less favorable than common voting stock of the Successor, and the number of shares of Restricted Stock, and the Purchase Price per share upon exercise of the Restricted Stock, if any, will be correspondingly adjusted, so that, by virtue of such Change in Control of the Company, each Participant will have that number of shares of Restricted Stock of the Successor which have a Fair Market Value equal, as of the date of such Change in Control of the Company, to the Fair Market Value, as of the date of such Change in Control of the Company, of the shares of Restricted Stock of the Company theretofore awarded to him.

Section 5.9. Information to be Furnished. Participants, or any other persons entitled to benefits under the Plan, must furnish to the Committee such documents, evidence, data or other information as the Committee considers necessary or desirable for the purpose of administering the Plan. The benefits under the Plan for each Participant and for each other person who is entitled to benefits hereunder, are to be provided on the condition that the Participant of the person who is entitled to benefits hereunder furnish full, true and complete data, evidence or other information, and that he promptly signs any document reasonably related to the administration of the Plan requested by the Committee. No fractional shares will be issued under the Plan.

6

Amendment, Termination and Duration

..1 Amendment, Suspension or Termination. The Board may, at any time, without the approval of the shareholders of the Company (except as otherwise required by applicable law, rule or regulations, including without limitation any shareholder approval of the safe harbor rule promulgated under the Securities Exchange Act of 1934) alter, amend, modify, suspend or discontinue the Plan, but may not, without the consent of the affected Participant or without the approval of the shareholders of the Company, make any alteration which would: (i) increase the aggregate number of shares subject to an Award, except as provided in Section 5.8; (ii) decrease the Purchase Price, except as provided in Section 5.8; (iii) permit any member of the Committee to be eligible for an Award; (iv) withdraw administration of the Plan from the Committee or Board; (v) extend the term of the Plan, (vi) change the manner of determining the Purchase Price; (vii) change the class of individuals eligible for Awards; or (viii) without the consent of the affected Participant, alter or impair any Award.

..2 Duration of the Plan and Shareholder Approval. The Plan will be effective on the Effective Date and, subject to Section 6.1 (regarding the Board's right to supplement, amend, alter or discontinue the Plan), will remain in effect thereafter until terminated by the Board; provided, however, that no Award can be granted until the Plan has been approved by the holders of at least a majority of the outstanding shares at a meeting at which approval of the Plan is

considered.

7

Tax Withholding

..1 Withholding Requirements. The Company has the power and the right, prior to the delivery of any Company Stock on the vesting of Restricted Stock, to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy all federal, state and local income and employment taxes required by applicable law to be withheld with respect to exercise or vesting of such Award. In no event will any amount withheld be in an amount that would require the Company to incur accounting charges.

..2 Withholding Arrangements. The Committee, in its sole discretion and pursuant to such procedures as it may specify from time to time, may permit a Participant to satisfy a tax withholding obligation, in whole or in part, by electing to have the Company withhold otherwise deliverable shares. The amount of the withholding requirement will be deemed to include any amount that the Committee agrees may be withheld at the time any such election is made, not to exceed, in the case of income tax withholding, the amount determined, based upon minimum statutory requirements, by using the maximum federal, state or local marginal income tax rates applicable to the Participant with respect to the Award on the date the amount of income tax to be withheld is determined.

8

Legal Construction

..1 Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also includes the feminine, the plural includes the singular, and the singular includes the plural.

..2 Severability. In the event any provision of the Plan is held illegal or invalid for any reason, the illegality or invalidity will not affect the remaining parts of the Plan, and the Plan will be construed and enforced as if the illegal or invalid provision had never been included herein.

..3 Requirements of Law. The grant of Awards and the issuance of shares under the Plan will be subject to all applicable statutes, laws, rules and regulations and to such approvals and requirements as may be required from time to time by any governmental authorities or any securities exchange or market on which the shares are then listed or traded.

..4 Governing Law. The Plan and all Restricted Stock Agreements will be construed in accordance with and governed by the laws of the State of Indiana without giving effect to any choice or conflict of law provisions, principles or rules (whether of the State of Indiana or any other jurisdiction) that would cause the application of any laws of any jurisdiction other than the State of Indiana. The Plan and all Restricted Stock Agreements are intended to comply, and will be construed by the Board and Committee in a manner which complies, with the applicable provisions of Code Section 409A. To the extent there is any conflict between a provision of the Plan or a Restricted Stock Agreement and a provision of Code Section 409A, the applicable provision of Code Section 409A will control.

..5 Headings. The descriptive headings and sections of the Plan are provided herein for convenience of reference only and will not serve as a basis for

interpretation or construction of the Plan.

..6 Mistake of Fact. Any mistake of fact or misstatement of facts will be corrected when it becomes known by a proper adjustment to an Award or Restricted Stock Agreement.

..7 Evidence. Evidence required of anyone under the Plan may be by certificate, affidavit, document or other information which the person relying thereon considers pertinent and reliable, and signed, made or presented by the proper party or parties.

9

Miscellaneous

..1 No Effect on Employment or Service. Neither the Plan nor the grant of any Award or the execution of any Restricted Stock Agreement will confer upon any Participant any right to continued employment by the Company, or will interfere with or limit in any way the right of the Company to terminate any employee's employment or service at any time, with or without Cause. Employment with the Company and its Subsidiaries is on an at-will basis only, unless otherwise provided by a written employment or severance agreement, if any, between the employee and the Company or a Subsidiary, as the case may be. If there is any conflict between the provisions of the Plan or any Restricted Stock Agreement executed and delivered hereunder and an employment or severance agreement between an employee and the Company, the provisions of such employment or severance agreement will control, including, but not limited to, the vesting and forfeiture of any Awards.

..2 Liability and Indemnification. No member of the Board, the Committee or any officer or employee of the Company or any Subsidiary will be personally liable for any action, failure to act, decision or determination made in good faith in connection with the Plan. By participating in the Plan, each Participant agrees to release and hold harmless the Company and its Subsidiaries (and their respective directors, officers and employees) and the Committee from and against any tax liability, including, but not limited to, interest and penalties, incurred by the Participant in connection with his receipt of Awards under the Plan and the deferral, payment and exercise thereof. Each person who is or was a member of the Committee, or of the Board, will be indemnified and held harmless by the Company against and from (a) any loss, cost, liability or expense (including, but not limited to, attorneys' fees) that may be imposed upon or reasonably incurred by him in connection with or resulting from any claim, action, suit or proceeding to which he may be a party or in which he may be involved by reason of any action taken or failure to act under the Plan or any Restricted Stock Agreement; and (b) any and all amounts paid by him in settlement thereof, with the Company's prior written approval, or paid by him in satisfaction of any judgment in any such claim, action, suit or proceeding against him; provided, however, that he will give the Company an opportunity, at the Company's expense, to handle and defend such claim, action, suit or proceeding before he undertakes to handle and defend the same on his own behalf. The foregoing right of indemnification is exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or By-Laws, by contract, as a matter of law or otherwise, or under any power that the Company may have to indemnify them or hold them harmless.

..3 Successors. All obligations of the Company under the Plan, with respect to Awards granted hereunder, are binding on any successor to the Company, whether or not the existence of such successor is the result of a Change in Control of the Company. The Company will not, and will not permit its Subsidiaries to,

Edgar Filing: 1ST INDEPENDENCE FINANCIAL GROUP, INC. - Form DEF 14A

recommend, facilitate or agree or consent to a transaction or series of transactions which would result in a Change in Control of the Company unless and until the person or persons or entity or entities acquiring control of the Company as a result of such Change in Control agree(s) to be bound by the terms of the Plan insofar as it pertains to Awards theretofore granted and agrees to assume and perform the obligations of the Company and its Successor (as defined in Section 5.8) hereunder.

..4 Use of Proceeds. The proceeds, if any, received by the Company from the sale of stock pursuant to the Plan will be used for general corporate purposes.

..5 Investment Representations. Unless the shares subject to an Award are registered under the Securities Act of 1933, each Participant in the Restricted Stock Agreement between the Company and the Participant shall agree for himself and his legal representatives that any and all shares acquired upon the award of Restricted Stock shall be acquired for investment and not with a view to, or for sale in connection with, any distribution thereof.

..6 Funding. Benefits payable under the Plan to any person will be paid by the Company from its general assets. Shares to be issued hereunder will be issued directly by the Company from its authorized but unissued shares or acquired by the Company on the open market, or a combination thereof. Neither the Company nor any of its Subsidiaries will be required to segregate on its books or otherwise establish any funding procedure for any amount to be used for the payment of benefits under the Plan. The Company (or any of its Subsidiaries) may, however, in its sole discretion, set funds aside in investments to meet any anticipated obligations under the Plan. Any such action or set-aside will not be deemed to create a trust of any kind between the Company and any of its Subsidiaries and any Participant or other person entitled to benefits under the Plan or to constitute the funding of any Plan benefits. Consequently, any person entitled to a payment under the Plan will have no rights greater than the rights of any other unsecured general creditor of the Company or its Subsidiaries.
