**Item 2.02 Results of Operations and Financial Condition.**

On May 30, 2006, CA, Inc. (the Company ) issued a press release announcing its preliminary results for the fiscal quarter and fiscal year ended March 31, 2006. A copy of the press release is attached as Exhibit 99.1 hereto and is hereby incorporated by reference into this Item 2.02.

**Item 4.02 (a) Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.**

On May 30, 2006, the Company also announced that it will restate its earnings for the fiscal quarter ended December 31, 2005 to reflect approximately \$26 million of additional commission expense that should have been recorded in the Company s third fiscal quarter. Information about the facts underlying the restatement can be found in the Company s press release attached as Exhibit 99.1 hereto which is hereby incorporated by reference into this Item 4.02.

Because the impact of the restatement on the financial statements for the third quarter is expected to be relatively limited in scope, the Company expects to include the restated financial statements in its Annual Report on Form 10-K for the fiscal year ended March 31, 2006 to be filed with the SEC in the coming weeks. In the meantime, the Company has concluded (on May 25, 2006) that its previously issued interim financial statements and the related review report of independent registered public accounting firm thereon for the fiscal quarter ended December 31, 2005 should no longer be relied upon, insofar as adjustments for that period will be made in order to eliminate the effects of an error in such financial statements as described in the press release. The audit committee of the Company s board of directors, as well as senior management, has discussed the matters described above with the Company s independent auditors.

The Company has not concluded its review of the matters described above and further adjustments may be necessary.
