#### Item 4. Description of Securities.

Not applicable.

#### Item 5. Interests of Named Experts and Counsel.

Not applicable.

#### Item 6. Indemnification of Directors and Officers.

Section 561 of the Michigan Business Corporation Act, or the MBCA, permits a Michigan corporation to indemnify any director or officer of the corporation (as well as other employees and individuals) that was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the corporation, by reason of his or her position with, or service to, the corporation, against expenses, including attorneys fees, judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if the person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation or its shareholders, and with respect to any criminal action or proceeding, if the person had no reasonable cause to believe his or her conduct was unlawful. Section 562 of the MBCA permits similar indemnification by the corporation in the case of actions or suits by or in the right of the corporation, except that (a) the permitted indemnification does not extend to judgments, penalties and fines, and (b) court approval is required before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. Section 563 of the MBCA provides that, to the extent that a director or officer of a corporation has been successful in the defense of an action, suit or proceeding described above, or in the defense of any claim, issue or matter therein, the corporation is required to indemnify him or her against actual and reasonable expenses, including attorneys fees, incurred by him or her in connection therewith.

The Registrant s Restated Articles of Incorporation provide that directors of the Registrant shall not be personally liable to the Registrant or its shareholders for monetary damages for breach of the director s fiduciary duty. However, Pulte s Restated Articles of Incorporation do not eliminate or limit the liability of a director for any of the following: (a) acts or omissions not in good faith or that involve intentional misconduct or knowing violation of law; (b) a violation of Section 551(1) of the MBCA; (c) a transaction from which the director derived an improper personal benefit; or (d) an act or omission occurring before the effective date of the Articles. In addition, the Registrant s by-laws generally provide that the Registrant shall, to the fullest extent permitted by applicable law, indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding (whether civil, criminal, administrative or investigative) by reason of the fact that such person is or was a director or officer of the Registrant, or is or was serving at the Registrant s request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise.

The Registrant has obtained a Directors and Officers liability insurance policy, which provides for coverage for liabilities under the Securities Act, including for prior acts dating to the Registrant s inception.

aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the Registration Statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.
