Compensatory Arrangements of Certain Officers.

On December 11, 2009, the Compensation Committee of the Board of Directors (the Committee) of NCI Buildings Systems, Inc. (NCI or the Company) approved, subject to stockholder approval, the amendment and restatement of the NCI Building Systems, Inc. 2003 Long-Term Stock Incentive Plan (the Plan), which would (i) increase the number of shares of NCI's common stock that may be delivered pursuant to awards granted under the Plan by an additional 28,340,000, before taking into account the reverse stock split of the Company's common stock, as further described below under Item 8.01, (ii) increase the maximum number of shares that may be granted to an individual in any fiscal year by 4,250,000, before taking into account the reverse stock split, and (iii) provide for an extension of the term of the Plan until the tenth anniversary of December 11, 2009. At NCI's annual stockholder meeting held on February 19, 2010 (the Annual Meeting), NCI's stockholders approved the Plan, as amended and restated. The amended and restated Plan is filed as Exhibit 10.1 hereto.

Election of Directors.

At the Annual Meeting, stockholders elected Gary L. Forbes, George Martinez and Jonathan L. Zrebiec as Class II directors, to serve until the Company's 2013 annual meeting of stockholders.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On and effective February 19, 2010, NCI's Board of Directors (the Board) approved, authorized and adopted the Third Amended and Restated By-Laws of the Company (the By-Laws). The following is a summary of changes effected by the adoption of the By-Laws, which is qualified in its entirety by reference to the By-Laws filed as Exhibit 3.1 hereto. In addition to the changes described below, the By-Laws include certain changes to (1) clarify language, (2) comply or be consistent with Delaware law, and (3) make various technical corrections and non-substantive changes.

Article II, Section 3, Section 5, Section 6 and Section 10, and Article VII, Section 5 of the By-Laws were amended to conform to certain recent amendments to Section 213 and Section 222 of the General Corporation Law of the State of Delaware (the DGCL). Sections 213 and 222 of the DGCL were amended to allow the Board to fix one date as the record date to determine the stockholders of the Company entitled to receive notice of a meeting of stockholders and to fix another later date on or before the date of the meeting of stockholders as the record date to determine the stockholders entitled to vote at a meeting of stockholders.

Section 3 and Section 5 of Article II were also amended to provide that notice of annual and special meetings of stockholders may be transmitted to stockholders of the Company by any form of electronic transmission (with the consent of the stockholder to the extent required by applicable law). Article II, Section 6 was amended to clarify that the person presiding over a meeting of stockholders may adjourn such meeting if a quorum is not present.

Article II, Section 4 of the By-Laws was modified to conform with an amendment to the certificate of incorporation of the Company (the Certificate of Incorporation), approved by the stockholders of the Company on February 19, 2010, that enables stockholders of the Company holding at least 25% of the outstanding voting power of the Company to request that a special meeting of stockholders be called. Prior to this Amendment, the By-Laws did not enable the stockholders of the Company to request that a special meeting of stockholders be called.

Article II, Section 8 of the By-Laws was amended to formulate a more current and comprehensive by-law relating to the advance notice of stockholder business. The by-law was revised to provide that a stockholder's notice must be delivered to the Company 90 to 120 days before the anniversary of the preceding year's annual meeting. Section 8 was amended to require that additional information be submitted to the Company with the notice. In addition to information regarding the stockholder, the amendment requires information regarding the beneficial owner on whose behalf a proposal is presented and certain persons associated with the record and beneficial owner and also requires information regarding the stock ownership and derivative and other economic positions held by such persons in respect of the capital stock of the Company. Section 8 was additionally revised to provide that if a stockholder (or a qualified representative of the stockholder) does not appear at the annual meeting of stockholders to present the proposed business, the proposed business will not be transacted at the meeting. The amendment to Section 8 further clarifies that submission of a proposal in accordance with the requirements of the advance notice by-law will be the exclusive means by which a stockholder may present the proposal, other than matters that are properly brought under Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the Exchange Act), and included in the Company's notice of meeting.

Article II, Section 9 of the By-Laws was amended to clarify that any vote of the stockholders by written ballot may be satisfied by a ballot submitted by electronic transmission if so authorized by the Board. Article II, Section 10 of the By-Laws was amended to provide that a list of the stockholders entitled to vote at a meeting of stockholders may be available to stockholders on a reasonably accessible electronic network or at the principal place of business of the Company.

Article III, Section 4 of the By-Laws was amended to formulate a more current and comprehensive by-law relating to the advance notice of stockholder nominations and to clarify that a stockholder's submission of nominations in accordance with the

requirements of the advance notice by-law is the exclusive means by which a stockholder may present nominations. The amendment eliminated the stockholders' limited right to make nominations at a meeting of stockholders. The by-law was revised to provide that a stockholder's notice must be delivered to the Company 90 to 120 days before the anniversary of the preceding year's annual meeting, and the by-law was amended to include a time period for stockholders submitting a notice for nominations for a special meeting of stockholders. The amendment requires that the stockholder's notice include each nominee's written consent to being named in the proxy statement as a nominee and consent to serving as a director of the Company if elected. The by-law was amended to provide disclosure requirements for the beneficial owner, if any, on whose behalf the nomination was made. The amendment also requires the following additional disclosures: (1) the class or series and number of shares of stock owned by the stockholder and beneficial owner; (2) any agreement between the stockholder and any of its affiliates or associates regarding the nomination; (3) certain hedging arrangements entered into with regard to the Company's stock; (4) a representation whether the stockholder intends to deliver a proxy statement or otherwise solicit proxies from stockholders in support of such nominations; (5) information relating to the stockholder required to be disclosed in a proxy statement made in connection with solicitations of proxies in accordance with the Exchange Act; and (6) a representation that it is a stockholder of record entitled to vote at the meeting and intends to appear at the meeting to propose the nomination.

Article III, Section 5 of the By-Laws was amended to conform with an amendment to the Certificate of Incorporation, approved by the stockholders of the Company on February 19, 2010, that provides for the removal of any director, or the entire Board, with or without cause, by the affirmative vote of the holders of 80% of the outstanding voting power of the Company. Article III, Section 8 of the By-Laws was amended to provide that a director's waiver of notice of a meeting need not state the time and place of such meeting. Article III, Section 11 of the By-Laws was amended to require that in order to obtain a quorum of the Board, directors representing 50% or more of the total number of votes entitled to be cast at the Board meeting be present at the Board meeting and one-third of the total number of directors be present at the Board meeting.

Article V, Section 6 of the By-Laws was amended to provide that the chief executive officer of the Company will preside over meetings of the Board only if the chief executive officer is a member of the Board.

Article VII, Section 1 of the By-Laws was amended to provide that stock certificates may be signed by the chairman of the Board or vice-chairman of the Board, the president or a vice president and by the secretary or an assistant secretary or the treasurer or assistant treasurer of the Company, and to provide that the Company will send a written notice to the registered owner containing information required to be set

forth on the certificate by the DGCL within a reasonable time after the issuance or transfer of shares of uncertificated stock of the Company. Section 3 and Section 4 of Article VII were amended to clarify that the Company may issue uncertificated shares to replace lost, stolen or destroyed certificates and upon the transfer of shares represented by certificates.

Article VIII, Section 1 of the By-Laws was amended to clarify that dividends may be declared by a committee of the Board.

The foregoing description of the amendments to the By-Laws does not purport to be complete and is qualified in its entirety by reference to the By-Laws, as amended, a copy of which is attached hereto as Exhibit 3.1 and incorporated herein by reference.

Item 8.01 Other Events.

Reverse Stock Split

At the Annual Meeting, stockholders approved a proposal to authorize the Board to effect a reverse stock split at one of three ratios, 1-for-5, 1-for-7 or 1-for-9, as determined by the Board, and to amend the Company's Certificate of Incorporation accordingly. Following the Annual Meeting on February 19, 2010, the Board approved the implementation of a reverse stock split at a ratio of 1-for-5, which is expected to become effective at 6:01 p.m. EST on or about March 5, 2010 (the Effective Time). As a result of the reverse stock split, every 5 shares of the Company's common stock that are issued and outstanding as of the Effective Time will be automatically combined into one issued and outstanding share, without any change in the par value of such shares, subject to the elimination of fractional shares.

The Company issued a press release on February 19, 2010 announcing the authorization and approval of the reverse stock split by the Company's stockholders and Board, respectively, and providing certain information with respect to the reverse stock split. A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.
