**Item 1.01. Entry into a Material Definitive Agreement.**

On January 31, 2011, ProLogis entered into a fifth amendment to its existing Global Senior Credit Agreement dated as of October 6, 2005 (the "Global Credit Agreement"). Prior to the fifth amendment, the Global Credit Agreement would deem a change of control to occur upon the execution of a merger agreement. The amendment removed such provision. The provisions of the agreement regarding a change of control potentially occurring upon the consummation of a merger were not, however, changed.

The fifth amendment also contained a waiver pursuant to which the required lenders under the Global Credit Agreement waived any change of control or default that may have occurred thereunder as a result of the signing of the Agreement and Plan of Merger executed by ProLogis and certain other parties on January 30, 2011.

A copy of the fifth amendment to the Global Credit Agreement is filed as an exhibit to this report and is incorporated herein by reference.
