The amendment extends the maturity date of the Warehouse Facility from February 15, 2006 until February 9, 2007 and makes various other changes to adjust the determination of asset values and otherwise conform the terminology used in the Warehouse Facility to the Company's current method of accounting to keep the parties' rights constant. In addition, the amendment extends the date on which a refinancing of amounts due under the Warehouse Facility must occur and otherwise modifies the related provision so that a refinancing of a portion of amounts outstanding under the Warehouse Facility will be required within 90 days of February 10, 2006 and within 360 days of the most recent refinancing occurring after February 10, 2006. The Revised Credit Agreement extends the maturity date from June 9, 2006 to June 20, 2008 and makes various other changes to conform the terminology used in the Revised Credit Agreement to the Company's current business and method of accounting. In addition, the Revised Credit Agreement increased the Borrowing Base rates from 65% of the Company's dealer loans receivable and purchased contract balances to 75% of such balances. The Revised Credit Agreement also eased the minimum tangible net worth and maximum debt to net worth ratio requirements and eased the restriction on the Company's ability to repurchase shares of its common stock. The Revised Credit Agreement is attached as Exhibit 4(f)(67) to this Form 8-K and incorporated herein by reference.
