Amendment to CEO Employment Agreement

American Axle & Manufacturing Holdings, Inc. (AAM) and Richard E. Dauch, Co-Founder, Chairman of the Board & Chief Executive Officer of AAM, have entered into an amendment to Mr. Dauch's employment agreement with AAM, originally dated November 6, 1997, in order to satisfy the requirements of Section 409A of the Internal Revenue Code of 1986, as amended. Among other things, the amendment requires the payment of amounts subject to Section 409A to be delayed in certain circumstances for six months following termination of Mr. Dauch's employment with AAM. In addition, under the amendment, 50% of the total grant value of Mr. Dauch's annual equity award will consist of stock options and 50% will consist of restricted stock.

2008 Director Compensation

The Board of Directors of AAM has approved changes to the compensation for non-employee directors. Effective as of January 1, 2008, non-employee directors will receive an annual retainer of \$50,000 (a \$10,000 increase from 2007). In addition, effective as of the date of AAM's 2008 Annual Meeting of Stockholders, non-employee directors will receive an award of restricted stock units, vesting in annual installments over the director's term of office, with an annual value targeted at \$70,000 (also a \$10,000 increase from 2007). Accordingly, directors who are elected or reelected for a new three-year term will receive restricted stock units with a total targeted value of \$210,000 that will vest in annual installments over three years. Directors who are continuing in office at the 2008 Annual Meeting with a term ending in 2009 or 2010 will receive restricted stock units with a total target value of \$70,000 or \$140,000, respectively, and vesting in one or two annual installments, as the case may be.
