**Item 8.01. Other Events.**

Hallwood Energy, L.P. has entered into an agreement to sell a 60% interest in its oil and gas properties in Reeves and Culberson Counties, Texas, and 100% of its properties in Parker, Hood and Tarrant Counties, Texas to a third party. The third party will also assume operation of the wells on the properties. The purchase price is to be approximately \$29,500,000 plus expenses incurred from April 1, 2006 through the closing date and is subject to adjustment for title and other issues identified prior to closing. Closing is expected to occur approximately June 16, 2006. Completion of the transaction will enable Hallwood Energy to increase its operational focus on its properties in Arkansas and Louisiana and reduce its capital requirements in West Texas while retaining a significant interest in the economic potential of the West Texas properties.

Hallwood Energy, L.P. is a private limited partnership in which The Hallwood Group Incorporated owns approximately 25% (20% after consideration of profit interests) of the limited partner interests.

Certain statements in this report may constitute forward-looking statements which are subject to known and unknown risks and uncertainties including, among other things, that the contemplated transaction is subject to certain conditions and, therefore, may not be completed or may be completed on terms different than those described.

**SIGNATURES**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
