EXPLANATORY NOTE

On February 17, 2005, Royal Gold, Inc., a Delaware corporation (the Registrant), filed with the Securities and Exchange Commission (the Commission) under the Securities Act a registration statement on Form S-8, Registration Statement No. 333-122877 (the Prior Registration Statement), covering the registration of 900,000 shares of its Common Stock authorized for issuance under the Registrant's 2004 Omnibus Long-Term Incentive Plan as then in effect (the 2004 Incentive Plan).

Pursuant to General Instruction E to Form S-8, this registration statement incorporates by reference the contents of the Prior Registration Statement and registers the additional 400,000 shares of Common Stock authorized for issuance under the Plan.

Item 4. Description of Securities.

Not Applicable.

Item 5. Interests of Named Experts and Counsel.

Not Applicable.

Item 6. Indemnification of Officers and Directors.

Delaware General Corporation Law

Under Section 145 of the Delaware General Corporation Law (the "Delaware Statute"), a corporation may indemnify its directors, officers, employees and agents and its former directors, officers, employees and agents and those who serve, at the corporation's request, in such capacities with another enterprise, against expenses (including attorneys fees), as well as judgments, fines and settlements in nonderivative lawsuits, actually and reasonably incurred in connection with the defense of any action, suit or proceeding in which they or any of them were or are made parties or are threatened to be made parties by reason of their serving or having served in such capacity. The Delaware Statute provides, however, that such person must have acted in good faith and in a manner he or she reasonably believed to be in (or not opposed to) the best interests of the corporation and, in the case of a criminal action, such person must have had no reasonable cause to believe his or her conduct was unlawful. In addition, the Delaware Statute does not permit indemnification in an action or suit by or in the right of the corporation, where such person has been adjudged liable to the corporation, unless, and only to the extent that, a court determines that such person fairly and reasonably is entitled to indemnity for expenses the court deems proper in light of liability adjudication. Indemnity is mandatory to the extent a claim, issue or matter has been successfully defended. Finally, the Delaware Statute provides that a corporation has the power to purchase and maintain insurance on behalf of any person described above, whether or not the corporation would have the power to indemnify such person against such liability under the provisions of the Delaware Statute.

Certificate of Incorporation and Bylaws

The Registrant's Restated Certificate of Incorporation, as amended (the "Certificate") and the Amended and Restated Bylaws, as amended (the "Bylaws") provide for mandatory indemnification or similar rights of directors, officers, employees or agents generally to the same extent as is authorized by the Delaware Statute. Under the Bylaws, the Registrant must advance expenses incurred by an officer or director in defending any such action if the director or officer undertakes to repay such amount if it is ultimately determined that he or she is not entitled to indemnification. The provisions of the Certificate and Bylaws do not preclude the Registrant from indemnifying other persons from similar or other expenses and liabilities as the Board of Directors or the stockholders may determine in a specific instance or by resolution of general application.

The foregoing description of certain provisions of the Registrant's Certificate and Bylaws is qualified in its entirety by the actual Certificate and Bylaws of the Registrant respectively filed as Exhibit 3.1 to the Registrant's

Quarterly Report on Form 10-Q filed on February 8, 2008 and as Exhibit 3.1 to the Registrant's Quarterly Report on Form 10-Q filed on May 1, 2008.

Indemnification Agreements and Insurance

The Registrant has entered into indemnification agreements with certain of its current officers and directors. The indemnification agreements provide such persons indemnification against, among other things, any and all expenses, judgments, fines, penalties, and amounts paid in settlement by the director or officer, provide for the advancement of expenses incurred by the director or officer in connection with any proceeding and obligate the director or officer to reimburse the Registrant for all amounts so advanced if it is subsequently determined, as provided in the indemnification agreements, that the director or officer is not entitled to indemnification. The indemnification agreements also provide certain methods and presumptions for determining whether the officer or director is entitled to indemnification, among other matters, as set forth in such agreement.

The foregoing description of the indemnification agreements is qualified in its entirety by the Form of Indemnification Agreement with Directors and Officers of the Registrant filed as Exhibit 10.1 to the Registrant's Current Report on Form 8-K on November 13, 2006, together with the Schedule of Certain Officers Parties thereto (filed as Exhibit 99.2 to the Company's Current Report on Form 8-K on September 4, 2007).

The Registrant also maintains directors' and officers' liability insurance.

Item 7. Exemption from Registration Claimed.

Item 9. Undertakings.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate,

represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if total dollar value securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) of the Securities Act if, in the aggregate, the changes in volume and price represent not more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Denver, State of Colorado, on November 14, 2008.
