**Item 5. Other events**

On March 29, 2004, Arch Wireless, Inc. ( Arch ) and Metrocall Holdings, Inc. ( Metrocall ) announced the execution of a definitive merger agreement (the Merger Agreement ). Under the terms of the Merger Agreement, a new holding company will be formed to own both Metrocall and Arch. The merged company will carry a new brand name, to be determined by its board. In the aggregate, Metrocall common stockholders will receive \$150 million in cash pursuant to a cash election and 27.5% of the shares of the new holding company s common stock. Under the cash election, Metrocall shareholders will be entitled to elect to receive cash in the amount \$75.00 per Metrocall share for up to 2 million of the total Metrocall shares. The remaining approximately four million fully diluted Metrocall shares would be converted into approximately 7.561 million shares of the common stock of the new holding company at an exchange ratio of approximately 1.876 new holding company shares for each Metrocall share. To the extent that cash elections are made in respect of a number greater than or less than 2 million shares, the merger consideration would be adjusted on a pro rata basis so that 2 million of Metrocall s outstanding shares are exchanged for cash.

Arch shareholders will receive one share of the new holding company common stock for each share of Arch common stock they own. On a fully diluted basis, there are approximately 19.934 million shares of Arch common stock outstanding.

The parties intend that the merger qualify as a tax-free reorganization to the extent that shareholders receive stock rather than cash. Upon completion of the merger, Arch shareholders will own approximately 72.5% and Metrocall shareholders will own approximately 27.5% of the new company on a fully diluted basis and there will be approximately 27.495 million shares of new holding company common stock outstanding on a fully diluted basis.

The boards of directors of both companies have approved the proposed merger transaction. It is currently contemplated that the merger would close in the second half of 2004, promptly following receipt of shareholder and regulatory approval.

The foregoing description of the transaction and the Merger Agreement is qualified in its entirety by reference to the Merger Agreement, which is attached hereto as an Exhibit to this Current Report on Form 8-K and incorporated by reference herein. A copy of the press release issued by Arch and Metrocall is also attached as an exhibit to this Current Report on Form 8-K and incorporated by reference herein.
