PROXY STATEMENT
ANNUAL MEETING -- MAY 8, 2002

The Board of Directors of CNA Financial Corporation ("CNA" or the "Company") submits this statement in connection with the solicitation of proxies from the Stockholders in the form enclosed.

The persons named in this statement as nominees for election as Directors have been designated by the Board of Directors.

Any Stockholder giving a proxy has the power to revoke it at any time before it is exercised. A subsequently dated proxy, duly received, will revoke an earlier dated proxy. A Stockholder may also revoke his proxy and vote in person at the Annual Meeting. Proxies will be voted in accordance with the Stockholder's specifications and, if no specification is made, proxies will be voted in accordance with the Board of Directors' recommendations. The approximate date of mailing of this Proxy Statement is March 27, 2002.

On March 18, 2002, the Company had outstanding 223,596,861 shares of common stock ("Common Stock"). The holders of Common Stock have one vote for each share of stock held. Stockholders of record at the close of business on March 18, 2002 will be entitled to notice of, and to vote at, this meeting. The holders of a majority of shares of Common Stock issued and outstanding and entitled to vote when present in person or represented by proxy constitute a quorum at all meetings of Stockholders.

In accordance with the Company's by-laws and applicable law, the election of Directors will be determined by a plurality of the votes cast by the holders of shares present in person or by proxy and entitled to vote. Consequently, the eleven nominees who receive the greatest number of votes cast for election as Directors will be elected as Directors of the Company. Shares present which are properly withheld as to voting with respect to any one or more nominees, and shares present with respect to which a broker indicates that it does not have authority to vote ("broker non-votes"), will not be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum. The affirmative vote of shares representing a majority of the votes cast by the holders of shares present and entitled to vote is required to approve the other matters to be voted on at the Annual Meeting. Shares which are voted to abstain will be considered present at the meeting, but since they are not affirmative votes for the matter they will have the same effect as votes against the matter. Broker non-votes are not counted as present.

1

PRINCIPAL SHAREHOLDERS

The following table contains certain information as to all entities which,

Edgar Filing: CNA FINANCIAL CORP - Form DEF 14A

to the knowledge of the Company, were the beneficial owners of 5% or more of the outstanding shares of Common Stock as of February 28, 2002 (unless otherwise noted). Except as noted below, each such entity has sole voting and investment power with respect to the shares set forth:

NAME AND ADDRESS OF BENEFICIAL OWNER -----	AMOUNT BENEFICIALLY OWNED -----	PERCENT OF -----
Loews Corporation ("Loews")..... 667 Madison Avenue New York, New York 10021	198,575,624	88.81

Because Loews holds more than a majority of the outstanding Common Stock of CNA, Loews has the power to approve matters submitted for consideration at the Annual Meeting without regard to the votes of the other Stockholders. Loews intends to vote FOR the election of management's nominees for the Board of Directors and FOR ratification of the appointment of Deloitte & Touche LLP as the Company's independent auditors. There are no agreements between CNA and Loews with respect to the election of CNA Directors or Officers or with respect to the other matters to come before the meeting.

AUDIT COMMITTEE REPORT

Edgar Filing: CNA FINANCIAL CORP - Form DEF 14A

The role of the Audit Committee is to assist the Board of Directors with the responsibility of administering corporate policy in matters of accounting and control in its oversight of the Company's financial reporting process. (The Board of Directors, in its business judgment, has determined that all members of the Committee are "independent", as required by applicable listing standards of the New York Stock Exchange. The Committee operates pursuant to a Charter that was adopted by the Board on May 11, 2000 and ratified on February 13, 2002). As set forth in the Charter, management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements, the Company's accounting and financial reporting principles and internal controls and procedures designed to assure compliance with

6

accounting standards and applicable laws and regulations. The Audit Committee functions as the liaison with the Company's independent auditors and internal audit. The independent auditors are responsible for auditing the Company's financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America. The Committee met four times in 2001. The Committee also met four times with the independent auditors in independent sessions.

In the performance of its oversight function, the Committee has considered and discussed the audited financial statements with management and the independent auditors. The Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as currently in effect. Finally, the Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, as currently in effect, has also received written confirmations from management with respect to information technology consulting services relating to financial information systems design and implementation and internal audit services provided by the auditors and has considered whether the provision of such services by the independent auditors' to the Company is compatible with maintaining the auditors' independence. The Committee has discussed with the independent auditors the auditors' independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including in respect of auditors' independence. Members of the Committee rely without independent verification on the information provided to them and on the representations made by management and the independent auditors. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal control procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with auditing standards generally accepted in the United States of America, that the financial statements are presented in accordance with accounting principles generally accepted in the United States of America or that the Company's auditors are in fact "independent".

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the Charter, the Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2001 to be filed with the Securities and Exchange Commission and considered whether the provision of

Edgar Filing: CNA FINANCIAL CORP - Form DEF 14A

non-audit services by Deloitte & Touche LLP to the Company in 2001 was not incompatible with maintaining the independence of Deloitte & Touche LLP in its audit of the Company.

The Employment Agreements also provide that each executive officer will have the opportunity to earn annual incentive compensation under the CNA Financial Corporation 2000 Incentive Compensation Plan (the "Incentive Compensation Plan") if certain annual net operating income targets are met. The Company's Incentive Compensation Committee will determine the definition of net operating income for these targets on an annual basis. The annual incentive compensation amounts are capped at 200% of salaried compensation for Messrs. Deutsch and Hengesbaugh. Mr. Lilienthal's annual incentive target compensation shall not be less than 71% of his base compensation as of his start date. For the year 2001 performance period, the annual incentive compensation amounts for Messrs. Hengesbaugh and Deutsch payable under the Incentive Compensation Plan were required to be determined using a formula approved by the Incentive Compensation Committee and then adjusted downward at the discretion of the Committee. Under this determination, Messrs. Hengesbaugh and Deutsch were entitled to bonuses of \$1,454,000 and \$935,000, respectively. In recognition of the poor financial results of the Company in 2001, Mr. Hengesbaugh agreed to accept a bonus of \$950,000, representing a further 35% reduction. Pursuant to the terms of the Incentive Compensation Plan, Messrs. Hengesbaugh and Deutsch each have been or will be awarded annual stock grants of 55,000 and 25,000 shares, respectively, during each of 2000, 2001 and 2002 subject to Company and individual performance. Mr. Lilienthal also is entitled to an annual grant of stock options of 25,000 to 30,000 shares. Mr. Deutsch's cash award under the Incentive Compensation Plan was or will be targeted at \$160,000 for each of the 2000 -- 2002, 2001 -- 2003 and 2002 -- 2004 performance cycles and guaranteed at \$160,000 for the 2000 -- 2001 cycle. For assuming the role as the Company's Chief Financial Officer, Mr. Deutsch also received a one-time award of 10,000 restricted shares

Edgar Filing: CNA FINANCIAL CORP - Form DEF 14A

of the Company's Common Stock which vests in four equal installments beginning on December 31, 2000. The unvested portion of Mr. Deutsch's shares will vest immediately if he is terminated without cause, Mr. Deutsch terminates his employment for good reason, the Company fails to renew his Employment Agreement or in the event of his death or disability. Under his Employment Agreement, Mr. Hengesbaugh's salary amounts and annual cash incentive compensation amounts are considered eligible compensation for purposes of SES-CAP (as defined below) Company matching contributions. Mr. Lilienthal received a special stock option grant of 75,000 shares of the Company's Common Stock and a special grant of restricted shares of the Company's Common Stock in a number which approximates the value of \$780,000. Vesting of Mr. Lilienthal's stock option and restricted stock occurs over a four-year period.

The Employment Agreements also include certain provisions that are effective if the executive officer's employment is terminated by the executive officer for "good reason" or by the Company other than for "cause" or death or disability (each as defined in the Employment Agreements). In Mr. Hengesbaugh's case, he will receive 300% of his salary for each of three years following the termination. Under such circumstances, Mr. Deutsch will receive a payment equal to 100% of his total compensation (salary in effect on the date of termination, targeted annual incentive compensation, targeted Incentive Compensation Plan cash award and an amount using a modified Black-Scholes methodology which values options to be awarded under the

11

Incentive Compensation Plan at 48% of the fair market value of the average of the high and low sales price for the Company's Common Stock on the date of termination) for each of three years following his termination. Mr. Lilienthal will receive 200% of his then-current base compensation and Incentive Compensation Plan target bonus and the special stock option and restricted grants of the Company's common stock described above would vest immediately. Additionally, Messrs. Deutsch and Hengesbaugh's Employment Agreements include a provision requiring the Company to pay the executive officer the amounts described above if such executive officer's Employment Agreement is not renewed at the end of the term of the Employment Agreement. Mr. Lilienthal would receive severance consisting of one-half of his then-current base compensation and annual Incentive Compensation Plan target bonus in the event of the Company's termination of his employment for any reason other than for cause or if the Company failed to extend or renew his Employment Agreement prior to termination. If the Company does not offer Mr. Lilienthal an extended or new employment agreement in writing on or prior to January 31, 2004, his termination date under the current Employment Agreement shall be extended for as many days thereafter until such offer is made up to July 31, 2004.

The Company also agreed to pay each executive officer an amount necessary to reimburse him, on an after-tax basis, for any excise tax due as a result of any payment under the Employment Agreements being treated as an "excess parachute payment" under Section 280G of the Internal Revenue Code.

Mr. Deutsch's Employment Agreement also contains provisions relating to pension enhancements. Mr. Deutsch's pension enhancement, provided from the SERP, is in the form of ten additional years of credited service to be earned pro rata over four years of Company service. The unvested portion of Mr. Deutsch's pension enhancement shall vest immediately if he is terminated without cause, or terminates his employment for good reason, or the Company fails to renew his Employment Agreement.

The Employment Agreements contain provisions, effective during the period of employment and for varying time periods thereafter as described below, relating to non-competition with the Company's business (24 months for Messrs. Deutsch and Hengesbaugh, for the term of his Employment Agreement in the case of

Edgar Filing: CNA FINANCIAL CORP - Form DEF 14A

Mr. Lilienthal), non-disclosure of confidential information (no time limit), non-solicitation of the Company's or its subsidiaries' employees or officers (36 months for Messrs. Deutsch and Hengesbaugh, 24 months for Mr. Lilienthal), non-interference with the Company's or its subsidiaries' business or relationships (36 months for Messrs. Deutsch and Hengesbaugh, 24 months for Mr. Lilienthal) and assistance with claims of the Company and its subsidiaries (60 months except in Mr. Hengesbaugh's case, 36 months). If Mr. Deutsch voluntarily resigns, he will be bound by the non-competition, non-solicitation and non-interference provisions for as many months as the Company pays him an amount equal to 1.5 times his monthly compensation (as described in the first paragraph above) in the case of the non-competition provision and 1.5 times the number of months of such payments in the case of the non-solicitation and non-interference provisions. The Employment Agreements are not assignable by either party, but are binding upon successors of the Company.

RETIREMENT PLANS

CNA sponsors funded, tax-qualified retirement plans for salaried employees, including executive officers (the "Qualified Plans") and unfunded, non-qualified equalization plans (the "Non-Qualified Plans") which provide for accruals and contributions not available under the tax-qualified plans. The following description of the Qualified Plans also gives effect to the Non-Qualified Plans. The Qualified Plans and the Non-Qualified Plans both include defined contribution plans and defined benefit plans. The qualified and non-qualified defined contribution plans are the CNA Savings and Capital Accumulation Plan (the "S-CAP") and the CNA Supplemental Executive Savings and Capital Accumulation Plan (the "SES-CAP"), respectively. The qualified and non-qualified defined benefit plans are the CNA Retirement Plan and the CNA Supplemental Executive Retirement Plan (the "SERP"), respectively.

12

Prior to 2000, the CNA Retirement Plan provided a normal retirement pension equal to 2% of a participant's final average compensation times his first 25 years of service, plus .6667% of his final average compensation times his next 15 years of participation, with the total reduced by 1.4% of his social security benefit times his first 35 years of service. In 2000, the CNA Retirement Plan was amended and employees of Continental Casualty Company ("CCC") who were employed at December 31, 1999 and were still employed on April 24, 2000 were required to make a choice regarding their future accruals in this plan. Employees were given two choices: (1) to continue earning additional benefits under the formula described above, or (2) to convert the present value of their accrued benefit as of December 31, 1999 to an accrued pension account, which is credited with interest at a rate based on 30 year treasury securities.

Employees who elected to forego earning additional benefits in the CNA Retirement Plan and all employees hired by CCC on or after January 1, 2000 receive an annual basic Company contribution to the S-CAP of 3% or 5% of their eligible compensation, depending on their age. In addition, these employees are eligible to receive discretionary annual performance contributions of up to 2% of eligible compensation and an additional Company match of up to 80% of the first 6% of salary contributed by the employee. All eligible employees, regardless of their choice, are entitled to a 70% Company matching contribution to the S-CAP on the first 6% of eligible compensation contributed by the employee. The Company matching contribution rates for employees during the first year of service are 50% of the foregoing.

All salary amounts and annual cash incentive compensation amounts are considered eligible compensation for purposes of the CNA Retirement Plan, the SERP, and for basic and performance contributions to the S-CAP and SES-CAP. Only salary is considered eligible compensation for purposes of Company matching

Edgar Filing: CNA FINANCIAL CORP - Form DEF 14A

contributions to the S-CAP and SES-CAP.

The executive officers listed below all chose to continue to accrue benefits under the CNA Retirement Plan and SERP.

BOARD OF DIRECTORS REPORT ON EXECUTIVE COMPENSATION

CERTAIN EXECUTIVE OFFICERS

The Board of Directors believes that the future success of the Company and its subsidiaries is dependent upon the quality of management, and that compensation programs are important in attracting and retaining individuals of superior ability and motivating their efforts on behalf of the Company and its business interests.

Under Section 162(m) of the Internal Revenue Code and certain regulations thereunder (together "the Code") the amount of compensation paid by a publicly-held corporation to its five most highly compensated executive officers during any year that may be deductible for federal income tax purposes is limited to \$1,000,000 per person per year except that compensation that is "qualified performance-based compensation" will be deductible.

To the extent the Company's compensation policy can be implemented in a manner that maximizes the deductibility of compensation paid by the Company, the Board of Directors will seek to do so. Accordingly, in 2000, the Company adopted the Incentive Compensation Plan, which is designed to qualify the amounts paid from time to time thereunder to certain of the Company's Executive Officers as "qualified performance-based compensation" under Section 162(m) of the Code.

GENERAL

The Company's compensation program is designed to recognize individual performance and contribution to CNA. This pay-for-performance philosophy is used to reward employees whose work meets or exceeds CNA's standards of quality and value-added customer service. It is CNA's objective to have a compensation policy that is internally equitable and externally competitive, rewards executives for long term strategic management, supports a performance-oriented environment that stresses attainment of corporate goals and individual expectations, and attracts and retains key executives critical to the Company's long term success.

The Chairman and Chief Executive Officer of the CNA insurance companies establishes the compensation for the other senior executives ("Senior Executives"). (As used herein, "Senior Executives" does not include the Chairman and Chief Executive Officer, the President and Chief Executive Officer of Property and Casualty Operations and the Chief Financial Officer). He is assisted in developing the compensation plan by the Company's Human Resources staff. The Human Resources staff is aided by an independent nationally recognized compensation consulting organization. Information is obtained regarding the Company's competitor group of companies. The competitor group of

Edgar Filing: CNA FINANCIAL CORP - Form DEF 14A

companies are within the property/casualty insurance industry and include two of the three companies in the Standard & Poor's Multi-Line Insurance Index (see "Stock Price Performance Graph" below). These companies represent the organizations against which CNA competes for key executives. This information, in conjunction with performance judgments as to past and expected future contributions of the individual, is used to develop an annual compensation plan. The Human Resources staff periodically reviews the overall competitiveness of the salary plan with independent compensation consultants. Because CNA uses this market pricing approach to determine appropriate pay levels, CNA does not use formal salary ranges, with attendant minimums, midpoints and maximums to determine pay levels or annual increase amounts. In 2001, the Senior Executives were provided total compensation opportunities that approximated a minimum of the 50th percentile of total compensation opportunities for comparable individuals at the Company's peer group of competitors.

The Company has adopted an Annual Incentive Bonus Plan for its Senior Executives, the awards for which are determined by performance compared to preset goals in one or both of two categories: Shared Goals and Individual Goals. Generally, the pre-set goals have been developed to be quantifiable or definable to the extent possible. The percentage is based, among other factors, on comparative salary data as described

15

above. Final approval of bonus payments is made by the Chairman and Chief Executive Officer of the CNA insurance companies. The Company reserves the right to make discretionary changes to the award amounts and reserves the right to eliminate these bonuses, uniformly, due to adverse financial conditions. In determining the annual incentive awards for 2001, the Chairman and Chief Executive Officer of the CNA insurance companies evaluated Company and business unit performance and individual performance against the pre-set goal categories. Based upon his evaluation, the median for 2001 incentive bonuses was 65% of the incentive targets for the Senior Executives.

In 1999, the Company adopted the CNA Financial Corporation 2000 Long-Term Incentive Compensation Plan (the "LTIP"). The LTIP was amended by the Board of Directors in February 2000 (and subsequently approved by the shareholders) to merge the Incentive Compensation Plan for Certain Executive Officers with the LTIP to provide an omnibus plan renamed as the CNA Financial Corporation 2000 Incentive Compensation Plan which covers annual, long-term, cash and share-related compensation for certain officers of the Company and its subsidiaries.

In February 1999, the CNA insurance companies' Chairman and Chief Executive Officer and the then President awarded Supplemental Bonuses payable in March 2001 to the Senior Executives ranging in amounts from \$50,000 to \$648,000. See "Employment Contracts" above for a description of the Incentive Compensation Awards for Messrs. Deutsch and Hengesbaugh.

As noted in the Summary Compensation Table, Laurence A. Tisch, the Company's Chief Executive Officer, does not receive compensation from the Company. Mr. Tisch is compensated by Loews, of which he is Co-Chairman of the Board. CNA reimburses Loews for services of Mr. Tisch and other officers and executives of Loews pursuant to the Services Agreement described under "Certain Transactions," below.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Messrs. L. A. Tisch, B. L. Hengesbaugh and S. W. Lilienthal, all of whom are Directors of the Company, also serve as officers of the Company or its subsidiaries. In addition, Mr. Noha, a Director of the Company, formerly served as an officer of the Company or its subsidiaries. Mr. L. A. Tisch, Director and Chief Executive Officer of the Company, also serves as a Director and Co-Chairman of the Board of Loews. See "Certain Transactions," below, for information with respect to transactions between the Company and its subsidiaries, and certain individuals and entities with which they are affiliated.

CERTAIN TRANSACTIONS

Loews makes available to CNA the services of certain officers and executives of Loews. In February 1975 CNA entered into a management services agreement (the "Services Agreement") with Loews which provides that Loews will make available to CNA these services, together with general corporate services, including financial, administrative and management consulting services. Loews is reimbursed on the basis of an allocation of a portion of the salaries and related payroll taxes and benefits of the officers and executives performing

16

the services, in addition to travel and similar expenses incurred. The allocation may be adjusted in the event of any substantial change in the services performed and the Services Agreement may be terminated by CNA or Loews on the last day of any month. The Services Agreement has been reviewed each year since 1975 by CNA's Audit Committee. The last such review took place in February 2002 and the Audit Committee recommended renewal of the Services Agreement for the ensuing fiscal year, calling for a reimbursement allocation of approximately \$210,000 per month, which recommendation was accepted by the Board of Directors. Under the Services Agreement CNA reimbursed Loews \$2,520,000 for services performed during 2001, and \$29,443 for travel and similar expenses incurred during that period. During 2001, Loews or its subsidiaries paid premiums on insurance and administrative services to the CNA insurance companies at standard rates aggregating approximately \$6,035,278.

The Loews ownership of the voting securities of CNA has exceeded 80% since 1980 requiring the inclusion of CNA and its eligible subsidiaries in the consolidated federal income tax returns filed by Loews. Accordingly, following approval by CNA's Audit Committee and Board of Directors, CNA and Loews entered into a tax allocation agreement that provides that CNA will (i) be paid by Loews the amount, if any, by which the Loews consolidated federal income tax liability is reduced by virtue of the inclusion of CNA and its subsidiaries in the Loews consolidated federal income tax return, or (ii) pay to Loews an amount, if any, equal to the federal income tax that would have been payable by CNA, if CNA and its subsidiaries had filed a separate consolidated return. In the event that Loews should have a net operating loss in the future computed on the basis of filing a separate consolidated tax return without CNA and its eligible subsidiaries, CNA may be required to repay tax recoveries previously received from Loews. This agreement may be cancelled by CNA or Loews upon thirty days' prior written notice. In 2001, the inclusion of CNA and its eligible subsidiaries in the consolidated federal tax return of Loews resulted in a decreased federal income tax liability for Loews. Accordingly, Loews has paid or will pay approximately \$908,000,000 to CNA for 2001 under the tax allocation agreement.

Edgar Filing: CNA FINANCIAL CORP - Form DEF 14A

CNA has also reimbursed to Loews or paid directly approximately \$13,058,274 for expenses (consisting primarily of salaries and benefits and other out-of-pocket costs) incurred or owed by Loews during 2001 in maintaining investment facilities and services for CNA.

Pursuant to the terms of the Stock Ownership Plan as hereinafter described, in October of 1998, CNA provided loans to Mr. Hengesbaugh, to assist him with the purchase of common stock of the Company. In March 1999 Mr. Hengesbaugh received an additional loan from CNA to purchase additional shares from the Company. Mr. Deutsch received a loan to purchase stock in August of 1999. Interest on the loans extended in October 1998 is 5.39% (5.23% with respect to the loan to Mr. Hengesbaugh in March 1999 and 6.14% with respect to Mr. Deutsch in August 1999), compounded semi-annually, and will be added to the principal balances until the loans are settled. The term of each loan is 10 years. Mr. Hengesbaugh's loan is unconditional with full recourse against the maker. Mr. Deutsch's loan is non-recourse and is secured by additional collateral. As of March 12, 2002, the outstanding amounts of the loans were as follows: Mr. Hengesbaugh, \$18,697,618 and Mr. Deutsch, \$4,337,672.
