ITEM 7.01. REGULATION FD DISCLOSURE

On October 13, 2004, HCA Inc. issued a press release announcing, among other matters, its preliminary results of operations for the third quarter ended September 30, 2004, the text of which is set forth as Exhibit 99.1.

ITEM 8.01. OTHER EVENTS

On October 13, 2004, HCA Inc. issued a press release announcing the approval by its board of directors of the initiation of a modified Dutch auction tender offer to purchase up to 61,000,000 shares of its outstanding common stock, par value \$.01 per share, at a price not greater than \$41.00 nor less than \$35.00 per share net to the seller in cash, without interest, the text of which is set forth as Exhibit 99.2. The full details of the tender offer are set forth the Offer to Purchase, Letter of Transmittal and related materials, which are attached as exhibits (a)(1)(A) through (a)(1)(G), respectively, to the Schedule TO filed by the Company with the Securities and Exchange Commission on October 13, 2004 (the Schedule TO ).

HCA has obtained conditional commitments to finance the tender offer. It is anticipated that the tender offer will be financed with a short-term loan facility of approximately \$1.5 billion together with approximately \$1 billion drawn under a new credit facility to be entered into in connection with the refinancing of HCA's existing credit facility. The terms of the commitment letters are more fully described below.

*JPMorgan Commitment Letter.* JPMorgan Chase Bank has committed, subject to the terms and conditions set forth in the Commitment Letter dated as of October 12, 2004, from J.P. Morgan Securities Inc. and JPMorgan Chase Bank to the Company (the JPMorgan Commitment Letter ), to provide up to \$2.25 billion in financing to the Company, consisting of two facilities (the JPMorgan Facilities ): a senior term loan facility in an aggregate principal amount of \$500 million (the JPMorgan Term Facility ) and a senior revolving credit facility (including a competitive bid facility similar to the one provided in the Company's existing bank credit facility) in an aggregate principal amount of \$1.75 billion (the JPMorgan Revolving Facility ). The JPMorgan Facilities will be used to refinance outstanding indebtedness under the existing bank credit facility of the Company and for general corporate purposes (including but not limited to the redemption or purchase of outstanding securities of the Company).

The JPMorgan Term Facility will provide for a five year maturity and will amortize in non-ratable quarterly installments in years two through five. The JPMorgan Revolving Facility will provide for a five year maturity. Interest on the outstanding balances under the JPMorgan Revolving Facility is payable, at the Company's option, at an alternate base rate (or ABR as that term is defined in the JPMorgan Commitment Letter), or at the London Interbank Offered Rate ( LIBOR ), plus a margin ranging from 0.400% to 1.000%, depending on the long-term unsecured debt rating of the Company. Interest on the outstanding balances under the JPMorgan Term Facility is payable, at the Company's option, at an alternate base rate (or ABR as that term is defined in the JPMorgan Commitment Letter) plus a margin ranging from 0.000% to 0.250%, or at LIBOR plus a margin ranging from 0.500% to 1.250%, depending on the long-term unsecured debt rating of the Company.

The Company may make optional prepayments of loans under the JPMorgan Facilities, in whole or in part, in minimum amounts of \$5 million, without premium or penalty, and subject to the reimbursement of lenders' redeployment costs in the case of a prepayment of LIBOR borrowings on a day other than the last day of the relevant interest period for that borrowing.

JPMorgan Chase Bank's obligation to make the loans described above is subject to customary conditions precedent and, among others:

the repayment and termination of the existing bank credit facility of the Company;

there shall not have occurred or become known to JPMorgan Chase Bank any condition or change in the financial condition of the Company and its subsidiaries taken as a whole that is material and adverse;

## Edgar Filing: HCA INC/TN - Form 8-K

JPMorgan Chase Bank not becoming aware of any information or other matter affecting the Company and its subsidiaries taken as a whole that is material and adverse and is inconsistent with any such information or other matter disclosed to it prior to the date of the JPMorgan Commitment Letter;

A minimum long-term unsecured debt rating from Standard & Poor's Rating Group and Moody's Investor Service of at least BB+ and Ba2, respectively (with a stable outlook);

the absence of any continuing default under the definitive loan documents; and

the accuracy of all representations and warranties made in the definitive loan documents, including the absence of a material adverse change in the business or assets or in the condition, financial or otherwise, of the Company and its subsidiaries, on a consolidated basis;

The terms of the JPMorgan Facilities will provide for customary representations and warranties and negative and affirmative covenants, and will also include customary events of default such as payment defaults, cross-defaults to other indebtedness of the Company, bankruptcy and insolvency, and a change in control.

JPMorgan Chase Bank and J.P. Morgan Securities Inc. have the ability to syndicate, before or after the consummation of the tender offer, the JPMorgan Facilities to a group of financial institutions, in consultation with the Company.

We expect that any undrawn funds under the JPMorgan Facilities, following the consummation of the tender offer and the repayment of amounts required to terminate our existing credit facility, will be generally available to meet our business needs.

*JPMorgan/Merrill Commitment Letter.* JPMorgan Chase Bank and Merrill Lynch Capital Corporation have each individually committed, subject to the terms and conditions set forth in the Commitment Letter, dated as of October 12, 2004, from J.P. Morgan Securities Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, JPMorgan Chase Bank and Merrill Lynch Capital Corporation to the Company (the JPMorgan/Merrill Commitment Letter and, together with the JPMorgan Commitment Letter, the Commitment Letters), to provide to the Company fifty percent of a senior term loan facility of up to \$1.5 billion (the JPMorgan/Merrill Term Facility). The JPMorgan/Merrill Term Facility will be used to finance the consummation of the tender offer.

The JPMorgan/Merrill Term Facility will provide for a six month maturity. Interest on the outstanding balances under the JPMorgan/Merrill Term Facility is payable, at the Company's option, at an alternate base rate (or ABR as that term is defined in the JPMorgan/Merrill Commitment Letter) or at LIBOR, in each case plus the margin applicable to such loans under the JPMorgan Term Facility as of the date of closing of the JPMorgan/Merrill Term Facility.

The terms of the JPMorgan/Merrill Term Facility will provide for customary mandatory prepayment provisions.

The Company may make optional prepayments of loans under the JPMorgan/Merrill Term Facility, in whole or in part, without premium or penalty, and subject to the reimbursement of lenders' redeployment costs in the case of a prepayment of LIBOR borrowings on a day other than the last day of the relevant interest period for that borrowing.

JPMorgan Chase Bank's and Merrill Lynch Capital Corporation's obligations to make the loans described above are subject to customary conditions precedent and, among others:

the execution and delivery of definitive documentation for the JPMorgan Facilities;

the repayment and termination of the existing bank credit facility of the Company (or, as an alternative to satisfaction of this condition and the preceding one, the amendment of the existing bank credit facility in a manner mutually satisfactory to the Company, JPMorgan Chase Bank and Merrill Lynch Capital Corporation);

there shall not have occurred or become known to JPMorgan Chase Bank and Merrill Lynch Capital Corporation any condition or change in the financial condition of the Company and its subsidiaries taken as a whole that is material and adverse;

JPMorgan Chase Bank and Merrill Lynch Capital Corporation not becoming aware of any information or other matter affecting the Company and its subsidiaries taken as a whole that is material and adverse and is inconsistent with any such information or other matter disclosed to them prior to the date of the JPMorgan/Merrill Commitment Letter;
