**Section 1 Registrant's Business and Operations**

**Item 1.01 Entry into a Material Definitive Agreement.**

On December 2, 2004, upon the recommendation of the Compensation Committee of the Registrant's Board of Directors, the Board adopted a Bonus Award Program for the Registrant's salaried employees and accounting trainees effective November 1, 2004. If the Registrant meets net income per share and minimum return on average stockholders equity goals for the fiscal year ended October 31, 2005, the program provides for the award of bonuses to eligible participants equal to a percentage of their base salary. The total award a participant can receive has two components: a percentage based on the Registrant's earnings per share, and a percentage based on the Registrant's operational performance. The fiscal 2005 program is identical to the program that was in effect for fiscal 2004, which was filed as Exhibit 10.2 to the Registrant's Quarterly Report on Form 10-Q for the fiscal quarter ended January 31, 2004, except that: (i) the maximum percentage of base salary that can be earned under the program by the Registrant's President and Chief Operating Officer and Treasurer and Chief Financial Officer was increased from 70% to 100%; and (ii) the Board increased the objectives that determine the percentage of an employee's bonus that is dependent on earnings per share for the year.

A copy of the Bonus Award Program is filed herewith as Exhibit 10.

**Section 5 Corporate Governance and Management**
