Jacuzzi Brands, Inc. Retirement Savings & Investment Plan

West Palm Beach, Florida

We have audited the accompanying statement of net assets available for benefits of Jacuzzi Brands, Inc. Retirement Savings & Investment Plan as of December 31, 2005, and the related statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2005, and the changes in its net assets available for benefits for the year then ended in conformity with U.S. generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic 2005 financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic 2005 financial statements taken as a whole.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Benefits Committee

Jacuzzi Brands, Inc.

We have audited the accompanying statement of net assets available for benefits of Jacuzzi Brands, Inc. Retirement Savings & Investment Plan (the Plan) as of December 31, 2004. This balance sheet is the responsibility of the Plan s management. Our responsibility is to express an opinion on this balance sheet based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the balance sheet is free of material misstatement. We were not engaged to perform an audit of the Plan s internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan s internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the balance sheet, assessing the accounting principles used and significant estimates made by management, and evaluating the overall balance sheet presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the balance sheet referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2004, in conformity with U.S. generally accepted accounting principles.

JACUZZI BRANDS, INC. RETIREMENT SAVINGS & INVESTMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2005 and 2004

NOTE 1 DESCRIPTION OF THE PLAN

The following description of the Jacuzzi Brands, Inc. Retirement Savings & Investment Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan sponsored by Jacuzzi Brands, Inc. (the Company) covering substantially all employees of the participating subsidiaries (other than those covered by a collective bargaining agreement, unless such agreement provides for participation) who are at least 21 years old and who have provided 90 days of service. The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Each year, participants may contribute up to 60% of their pretax eligible compensation, as defined by the Plan. Participants who have attained age 50 before the close of the Plan year may make catch up contributions to the Plan. Participants may also make rollover contributions representing distributions from other qualified plans. The Plan provides that the Company will match 50% of the first 6% of pre-tax wages contributed by each participant. The Company may also, at the discretion of the Board of Directors, make an additional employer contribution to the Plan to these participants. All contributions are subject to certain limitations.

Participant Accounts: Each participant's account is credited with the participant's own contribution and an allocation of the Company's contributions and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their own contributions plus actual earnings thereon. Vesting in the remainder of their account is based on years of continuous service. A participant is fully vested after three years of credited service. A participant is entitled to 100% of his or her account balance upon retirement, death, or disability.

Forfeitures: Forfeited balances of terminated participants' nonvested accounts may be used to reduce the Company's liability for future contributions to the Plan and to pay Plan administrative expenses. During 2005, forfeitures of \$100,000 were used to reduce employer contributions and \$27,397 were used to pay Plan administrative expenses. At December 31, 2005 and 2004, \$150,868 and \$107,372, respectively, of forfeitures were available to be used in the future.

Investment Options: Each participant may direct their contributions into any of the investment options available under the Plan, including the common stock of Jacuzzi Brands, Inc. Prior to January 1, 2005, all matching contributions were invested directly in the Jacuzzi Brands, Inc. Company stock fund. As of January 1, 2005, participants who have at least three years of service may direct that the investment of employer matching contributions into any of the investment options available under the Plan.

NOTE 1 DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits: On termination of service a participant is entitled to receive the value of the vested interest in his or her account. Participants may elect to receive a lump-sum amount, installments or various annuity options. In the event of a qualified financial hardship, the plan administrator can allow a participant to withdraw an amount to the extent of the participant's immediate and heavy financial need with consideration of his or her vested account balance. Generally, only one such withdrawal is allowed in any 12-month period and, in the event a participant makes a hardship withdrawal, the member shall be suspended from contributing deferrals for six months following the withdrawal.

Loan Provisions: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account. The interest rate for the loan is computed at the prime rate as published in the Wall Street Journal as of the date the loan is made, plus one percent. Principal and interest are paid through payroll deductions.

Administrative Expenses: Expenses related to the administration of the Plan are paid by the Plan and are funded, to the extent available, from the application of forfeitures.

Plan Termination: Although it has not expressed any intent to do so, the Company has the right under the plan agreement to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements are prepared on the accrual basis of accounting.

Estimates: The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Risks and Uncertainties: The Plan provides for various investment options. The underlying investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of assets available for benefits.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Shares of mutual funds and common stock are valued using quoted market prices. Units of participation in common collective trusts are valued at the net asset value of shares held by the Plan at year-end as determined by the trustee based on the quoted redemption values for the underlying assets on the last business day of the year. Participant loans are valued at their outstanding balance, which approximate fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits: Benefits are recorded when paid.

NOTE 5 INCOME TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service (IRS) dated July 16, 2003, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is exempt from taxation. NOTE 6 PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the Department of Labor regulations as any fiduciary of the plan, any party rendering service to the plan, the employer, and certain others. Additionally, participants with one year of service or more became 100% vested in employer matching contributions.
