Dear Fellow Shareholder:

On July 24, 2006, HCA Inc., a Delaware corporation ( HCA or the Company ), entered into an Agreement and Plan of Merger (the merger agreement ) with Hercules Holding II, LLC, a Delaware limited liability company ( Parent ), and Hercules Acquisition Corporation, a Delaware corporation and a wholly-owned subsidiary of Parent ( Merger Sub ). Parent is currently owned by private equity funds sponsored by Bain Capital Partners, LLC, Kohlberg Kravis Roberts & Co. L.P. and Merrill Lynch Global Partners, Inc. (d/b/a Merrill Lynch Global Private Equity). Under the terms of the merger agreement, Merger Sub will be merged with and into the Company, with the Company continuing as the surviving corporation (the merger ). If the merger is completed, you will be entitled to receive \$51.00 in cash for each share of HCA common stock that you own.

A special meeting of our shareholders will be held on , 2006, at .m., local time, to vote on a proposal to adopt the merger agreement so that the merger can occur. The special meeting will be held at HCA s executive offices located at One Park Plaza, Nashville, Tennessee 37203. Notice of the special meeting and the related proxy statement is enclosed.

The accompanying proxy statement gives you detailed information about the special meeting and the merger and includes the merger agreement as Annex A. The receipt of cash in exchange for shares of HCA common stock in the merger will constitute a taxable transaction to U.S. persons for U.S. federal income tax purposes. We encourage you to read the proxy statement and the merger agreement carefully.

Our board of directors has determined that the merger is advisable and that the terms of the merger are fair to and in the best interests of HCA and its shareholders (other than HCA founder and director Dr. Thomas F. Frist, Jr., members of Dr. Frist s family and his and their affiliates, affiliates of Parent and certain executive officers and other members of senior management of HCA who will invest in equity securities of the surviving corporation in connection with the merger as further described in the accompanying proxy statement), and approved the merger agreement and the transactions contemplated thereby, including the merger. This recommendation is based, in large part, upon the unanimous recommendation of the special committee of the board of directors consisting of five independent and disinterested directors.

**Your vote is very important.** We cannot complete the merger unless holders of a majority of all outstanding shares of HCA common stock entitled to vote on the matter vote to adopt the merger agreement. **Our board of directors recommends that you vote FOR the proposal to adopt the merger agreement. The failure of any shareholder to vote on the proposal to adopt the merger agreement will have the same effect as a vote against the adoption of the merger agreement.**

**Whether or not you plan to attend the special meeting, please complete, date, sign and return, as promptly as possible, the enclosed proxy in the accompanying reply envelope, or submit your proxy by telephone or the Internet. Shareholders who attend the meeting may revoke their proxies and vote in person.**

Our board of directors and management appreciate your continuing support of the Company, and we urge you to support this transaction.

Sincerely,

Frederick W. Gluck

*Chairman of the Special Committee*

**Neither the Securities and Exchange Commission nor any state securities regulatory agency has approved or disapproved the merger, passed upon the merits or fairness of the merger or passed upon the adequacy or accuracy of the disclosure in this document. Any representation to the contrary is a criminal offense.**

The proxy statement is dated , 2006, and is first being mailed to shareholders on or about , 2006.

NOTICE OF SPECIAL MEETING OF SHAREHOLDERS  
To Be Held On \_\_\_\_\_, 2006**

Dear Shareholder:

PLEASE TAKE NOTICE that a special meeting of shareholders of HCA Inc., a Delaware corporation (the Company), will be held on \_\_\_\_\_, 2006, at \_\_\_\_\_ .m. local time, at the Company's executive offices located at One Park Plaza, Nashville, Tennessee, for the following purposes:

1. To consider and vote on a proposal to adopt the Agreement and Plan of Merger (the merger agreement), dated as of July 24, 2006, by and among the Company, Hercules Holding II, LLC, a Delaware limited liability company (Parent), and Hercules Acquisition Corporation, a Delaware corporation and a wholly-owned subsidiary of Parent (Merger Sub), as the merger agreement may be amended from time to time.

2. To approve the adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the meeting to adopt the merger agreement.

3. To act upon other business as may properly come before the special meeting and any and all adjourned or postponed sessions thereof.

The record date for the determination of shareholders entitled to notice of and to vote at the special meeting is \_\_\_\_\_, 2006. Accordingly, only shareholders of record as of that date will be entitled to notice of and to vote at the special meeting or any adjournment or postponement thereof. A list of our shareholders will be available at our principal executive offices at One Park Plaza, Nashville, Tennessee, during ordinary business hours for ten days prior to the special meeting.

We urge you to read the accompanying proxy statement carefully as it sets forth details of the proposed merger and other important information related to the merger.

Your vote is important, regardless of the number of shares of the Company's common stock you own. The adoption of the merger agreement requires the affirmative approval of the holders of a majority of the outstanding shares of the Company's common stock entitled to vote thereon. The adjournment proposal requires the affirmative vote of a majority of the shares of the Company's common stock present at the special meeting and entitled to vote thereon. Even if you plan to attend the special meeting in person, we request that you complete, sign, date and return the enclosed proxy or submit your proxy by telephone or the Internet prior to the special meeting and thus ensure that your shares will be represented at the special meeting if you are unable to attend. If you fail to return your proxy card or fail to submit your proxy by phone or the Internet, your shares will not be counted for purposes of determining whether a quorum is present at the meeting and will have the same effect as a vote against the adoption of the merger agreement, but will not affect the outcome of the vote regarding the adjournment proposal.

Please note that space limitations make it necessary to limit attendance at the special meeting to shareholders. Registration will begin at \_\_\_\_\_ .m. local time. If you attend, please note that you may be asked to present valid picture identification. Street name holders will need to bring a copy of a brokerage statement reflecting stock ownership as of the record date. Cameras, recording devices and other electronic devices will not be permitted at the special meeting.

Shareholders of the Company who do not vote in favor of the adoption of the merger agreement will have the right to seek appraisal of the fair value of their shares of the Company's common stock if they deliver a demand for appraisal before the vote is taken on the merger agreement and comply with all requirements of Delaware law, which are summarized in the accompanying proxy statement.

**WHETHER OR NOT YOU PLAN TO ATTEND THE SPECIAL MEETING, PLEASE COMPLETE, DATE, SIGN AND RETURN, AS PROMPTLY AS POSSIBLE, THE ENCLOSED PROXY IN THE ACCOMPANYING REPLY ENVELOPE, OR SUBMIT YOUR PROXY BY TELEPHONE OR THE INTERNET. ### **SUMMARY TERM SHEET**

*This Summary Term Sheet, together with the Questions and Answers About the Special Meeting and the Merger, summarizes the material information in the proxy statement. You should carefully read this entire proxy statement and the other documents to which this proxy statement refers you for a more complete understanding of the matters being considered at the special meeting. In addition, this proxy statement incorporates by reference important business and financial information about HCA. You may obtain the information incorporated by reference into this proxy statement without charge by following the instructions in Where You Can Find More Information beginning on page 84.*

#### **The Merger and the Merger Agreement**

*The Parties to the Merger (see page 15).* HCA, a Delaware corporation, is one of the leading health care services companies in the United States. Hercules Holding II, LLC, a Delaware limited liability company ( Parent ), was formed solely for the purpose of effecting the merger (as defined below) and the transactions related to the merger. Parent has not engaged in any business except in furtherance of this purpose. Hercules Acquisition Corporation, a Delaware corporation and a direct wholly-owned subsidiary of Parent ( Merger Sub ), was formed solely for the purpose of effecting the merger. Merger Sub has not engaged in any business except in furtherance of this purpose. Parent is currently owned by private equity funds sponsored by Bain Capital Partners, LLC ( Bain ), Kohlberg Kravis Roberts & Co. L.P. ( KKR ) and Merrill Lynch Global Partners, Inc. (d/b/a Merrill Lynch Global Private Equity) ( Merrill Lynch Global Private Equity ) (collectively referred to in this proxy statement as the sponsors ). The sponsors, collectively, with certain entities affiliated with HCA founder and director Dr. Thomas F. Frist, Jr. (the Frist Entities ), are sometimes collectively referred to in this proxy statement as the Investor Group.

*The Merger.* You are being asked to vote to adopt an agreement and plan of merger (the merger agreement ) providing for the recapitalization of HCA by Parent. Pursuant to the merger agreement, Merger Sub will merge with and into HCA (the merger ). HCA will be the surviving corporation in the merger (the surviving corporation ) and will continue to do business as HCA following the merger. As a result of the merger, HCA will cease to be an independent, publicly traded company. See The Merger Agreement beginning on page 54.

*Merger Consideration.* If the merger is completed, you will be entitled to receive \$51.00 in cash, without interest and less any applicable withholding taxes, for each share of HCA capital stock (consisting of common stock, par value \$.01 per share, and nonvoting common stock, par value \$.01 per share (collectively, the HCA Common Stock )) that you own. See The Merger Agreement Merger Consideration beginning on page 54.

*Treatment of Outstanding Options, Restricted Shares and Restricted Share Units.* Upon consummation of the merger, except as otherwise agreed by a holder and Parent, all outstanding options to acquire HCA Common Stock will become fully vested and immediately exercisable. All such options (other than certain options held by certain Management Rollover Holders (as defined below under Interests of the Company's Directors and Executive Officers in the Merger )) not exercised prior to the merger will be cancelled and converted into the right to receive a cash payment equal to the number of shares of HCA Common Stock underlying the options multiplied by the amount (if any) by which \$51.00 exceeds the option exercise price, without interest and less any applicable withholding taxes. Additionally, except as otherwise agreed by a holder and Parent, all shares of restricted stock and restricted share units will vest and those shares or units will be cancelled and converted into the right to receive a cash payment equal to the number of outstanding restricted shares or restricted share units multiplied by \$51.00 (together with the value of any deemed dividend equivalents accrued but unpaid with respect to restricted share units),

**Table of Contents**

without interest and less any applicable withholding taxes. Certain options to purchase HCA Common Stock held by certain of the Management Rollover Holders that are not exercised prior to consummation of the merger will be converted into options to acquire shares of common stock of the surviving corporation. See Special Factors Interests of the Company's Directors and Executive Officers in the Merger and The Merger Agreement Treatment of Options and Other Awards beginning on pages 46 and 54, respectively.

*Conditions to the Merger (see page 61).* The consummation of the merger depends on the satisfaction or waiver of a number of conditions, including the following:

the merger agreement must have been adopted by the affirmative vote of the holders of a majority of the outstanding shares of voting HCA Common Stock;

no injunction, judgment, order or law which prohibits, restrains or renders illegal the consummation of the merger shall be in effect;

the waiting period (and any extension thereof) under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the HSR Act), must have expired or been terminated;

HCA's and Parent's and Merger Sub's respective representations and warranties in the merger agreement must be true and correct as of the closing date in the manner described under the caption The Merger Agreement Conditions to the Merger beginning on page 61; and

HCA and Parent and Merger Sub must have performed in all material respects all obligations that each is required to perform under the merger agreement.

*Restrictions on Solicitations of Other Offers (see page 62).*

The merger agreement provides that, until 11:59 p.m., New York time, on September 12, 2006 (the go-shop period), we are permitted to initiate, solicit and encourage an acquisition proposal for us (including by way of providing information), and enter into and maintain discussions or negotiations concerning an acquisition proposal for us or otherwise cooperate with or assist or participate in, or facilitate any such inquiries, proposals, discussions or negotiations. Prior to terminating the merger agreement or entering into an acquisition agreement with respect to any such proposal, the Company must comply with certain terms of the merger agreement described under The Merger Agreement Recommendation Withdrawal/ Termination in Connection with a Superior Proposal, including negotiating with Parent and Merger Sub in good faith to make adjustments to the merger agreement and, if required, paying a termination fee.

The merger agreement provides that from and after the expiration of the go-shop period, we are generally not permitted to:

initiate, solicit or knowingly encourage (including by way of providing information) the submission of any inquiries, proposals or offers or any other efforts or attempts that constitute or may reasonably be expected to lead to, an acquisition proposal for us or engage in any discussions or negotiations (other than with a person who submitted a proposal prior to the expiration of the go-shop period under certain circumstances) with respect thereto, or otherwise knowingly cooperate with or knowingly assist or participate in, or knowingly facilitate any such inquiries, proposals, discussions or negotiations; or

approve or recommend, or publicly propose to approve or recommend, any acquisition proposal for us or enter into any merger agreement, letter of intent, agreement in principle, share purchase agreement, asset purchase agreement or share exchange agreement, option agreement or other similar agreement providing for or relating to any acquisition proposal for us or enter into any agreement or agreement in principle requiring us to abandon, terminate or fail to consummate the transactions contemplated by the merger agreement or breach our obligations under the merger agreement or propose or agree to do any of the foregoing.

**Table of Contents**

Notwithstanding these restrictions, under certain circumstances, our board of directors (acting through the special committee if such committee still exists) may respond to a bona fide unsolicited written proposal for an alternative acquisition or terminate the merger agreement and enter into an acquisition agreement with respect to a superior proposal, so long as the Company complies with certain terms of the merger agreement described under The Merger Agreement Recommendation Withdrawal/ Termination in Connection with a Superior Proposal, including negotiating with Parent and Merger Sub in good faith to make adjustments to the merger agreement prior to termination and, if required, paying a termination fee.

The merger agreement provides that Dr. Frist shall not be prevented from engaging in a due diligence discussion with any third party who has been provided with and has agreed in writing to comply with the limitations described below if specifically requested to do so by the special committee of HCA's board of directors or Credit Suisse Securities (USA) LLC (Credit Suisse). However, other than with respect to public disclosure obligations required by applicable law, (1) Dr. Frist shall not disclose to any such third party any information regarding the transactions contemplated by the merger agreement or any agreements, understandings or arrangements in connection therewith or any assumptions, information, evaluations or views of Parent and its affiliates, and (2) Dr. Frist shall not be permitted to have any discussions, agreements, understandings or arrangements with any third party regarding any participation, investment, involvement or interest of any nature whatsoever in any form of transaction similar to, or in the alternative to, the transactions contemplated by the merger agreement, including the merger.

*Termination of the Merger Agreement (see page 64).* The merger agreement may be terminated:

By mutual written consent of HCA, on the one hand, and Parent or Merger Sub, on the other hand;

By either HCA, on the one hand, or Parent or Merger Sub, on the other hand, if:

there shall be any final and nonappealable law that makes consummation of the merger illegal or otherwise prohibited;

the merger is not completed on or before December 19, 2006, or (if the marketing period (as defined below under The Merger Agreement Marketing Period) has not ended on or before December 19, 2006) on or before January 31, 2007, so long as the failure to complete the merger is not the result of, or caused by, the failure of the terminating party to comply with the terms of the merger agreement; or

our shareholders do not adopt the merger agreement at the special meeting or any adjournment or postponement thereof; or

By Parent or Merger Sub, if:

our board of directors or a committee of our board of directors withdraws, modifies or qualifies, or publicly proposes to withdraw, modify or qualify, in a manner adverse to Parent or Merger Sub, its recommendation that our shareholders adopt the merger agreement, or takes action or makes any public statement in connection with the special meeting inconsistent with such recommendation, or approves or recommends, or resolves to approve or recommend, any takeover proposal by a third party other than the merger; or

we have breached or failed to perform any of our representations, warranties, covenants or agreements under the merger agreement which would give rise to the failure of certain conditions to closing to be satisfied and where that breach or failure to perform cannot be cured by December 19, 2006 (or January 31, 2007 if the termination date is extended as described above); or

**Table of Contents**

By HCA, if:

prior to obtaining the vote of shareholders at the special meeting, we receive a superior proposal and concurrently enter into a definitive agreement with respect to such superior proposal, provided that we have complied with our obligations under the merger agreement described under *The Merger Agreement Restrictions on Solicitations of Other Offers* and *The Merger Agreement Recommendation Withdrawal/Termination in Connection with a Superior Proposal* beginning on pages 62 and 63, respectively, and provided that we have paid the termination fee owed to Parent as described under *The Merger Agreement Termination Fees* beginning on page 65;

Parent or Merger Sub has breached or failed to perform any of its representations, warranties, covenants or agreements under the merger agreement which would give rise to the failure of certain conditions to closing to be satisfied if that breach or failure to perform cannot be cured by December 19, 2006 (or January 31, 2007 if the termination date is extended as described above); or

certain conditions to closing have been satisfied or waived and Parent has not consummated the merger within five calendar days after the final day of the marketing period.

*Termination Fees (see page 65)*. If the merger agreement is terminated under certain circumstances: the Company will be obligated to pay a termination fee of \$500 million as directed by Parent, unless the Company terminates the merger agreement in order to enter into a definitive agreement with a person that submitted a proposal during the go-shop period, in which case the Company must pay a fee of \$300 million as directed by Parent;

the Company will be obligated to pay the expenses of Parent, up to \$50 million; or

Parent will be obligated to pay us a termination fee of \$500 million. Each member of the Investor Group, including the Frist Entities, has agreed severally to guarantee the obligation of Parent to pay this termination fee subject to a cap. This cap is equal to such member's pro rata share of \$500 million, which share is proportionate to its equity commitment to Parent as compared to the equity commitments of the other guarantors.

**The Special Meeting**

See *Questions and Answers About the Special Meeting and the Merger* beginning on page 9 and *The Special Meeting* beginning on page 16.

**Other Important Considerations**

*The Special Committee and its Recommendation*. The special committee is a committee of our board of directors that was formed on June 30, 2006 for the purpose of reviewing, evaluating and, as appropriate, negotiating a possible transaction relating to the sale of the Company. The special committee is comprised of five independent and disinterested directors. The members of the special committee are Frederick W. Gluck, Glenda A. Hatchett, Charles O. Holliday, Jr., T. Michael Long and Kent C. Nelson. The special committee unanimously determined that the merger agreement and the transactions contemplated thereby, including the merger, are fair to and in the best interests of our shareholders (other than Dr. Frist, members of the Frist family and his and their affiliates (including the Frist Entities), holders of shares of HCA Common Stock who are affiliates of Parent and the Management Rollover Holders) (such shareholders being referred to in this proxy statement collectively as the unaffiliated shareholders ) and recommended to our board of directors that the merger agreement and the transactions contemplated thereby, including the merger, be approved and declared advisable by our board of directors and that our board of directors recommend adoption by the shareholders of the merger agreement. For a discussion of the

**Table of Contents**

material factors considered by the board of directors and the special committee in reaching its conclusions and the reasons why the board of directors and the special committee determined that the merger is fair, see *Special Factors Reasons for the Merger; Recommendation of the Special Committee and of Our Board of Directors; Fairness of the Merger* beginning on page 25.

*Board Recommendation.* The Company's board of directors, acting upon the unanimous recommendation of the special committee, recommends that HCA's shareholders vote FOR the adoption of the merger agreement, and FOR the adjournment of the special meeting, if necessary, to solicit additional proxies. See *Special Factors Reasons for the Merger; Recommendation of the Special Committee and of Our Board of Directors; Fairness of the Merger* beginning on page 25.

*Share Ownership of Directors and Executive Officers.* As of \_\_\_\_\_, 2006, the record date, the directors and executive officers of HCA (other than Dr. Frist) held and are entitled to vote, in the aggregate, shares of HCA Common Stock representing approximately \_\_\_\_\_% of the outstanding shares of the voting HCA Common Stock. The directors and executive officers have informed HCA that they currently intend to vote all of their shares of HCA Common Stock FOR the adoption of the merger agreement and FOR the adjournment proposal, if necessary. In addition, the Frist Entities, representing approximately \_\_\_\_\_% of the outstanding shares of the voting HCA Common Stock, have entered into an agreement with the sponsors and certain other equity investors to vote their shares in favor of adopting the merger agreement. It is the current intention of Dr. Frist and members of his immediate family to vote other shares beneficially owned by them, representing approximately \_\_\_\_\_% of the outstanding shares of the voting HCA Common Stock, to adopt the merger agreement, other than approximately 109,000 shares that are held by a charitable foundation formed by Dr. Frist, which will not be voted in the merger. See *The Special Meeting Voting Rights; Quorum; Vote Required for Approval* beginning on page 16.

*Interests of the Company's Directors and Executive Officers in the Merger.* Upon the consummation of the merger, except as may be agreed by a holder or participant and Parent, (1) all stock options held by our directors and officers will vest and all vested and unexercised stock options will generally be cashed out in an amount equal to the excess (if any) of \$51.00 over the option exercise price, (2) all shares of restricted stock and restricted share units will vest, become free of restrictions and will be cashed out at \$51.00 per share (together with the value of any deemed dividend equivalents accrued but unpaid with respect to restricted share units), (3) all salary amounts withheld on behalf of the participants in the HCA stock purchase plans through the closing date of the merger will be deemed to have been used to purchase HCA Common Stock under the terms of these plans, using the closing date of the merger as the last date of the applicable offering period under these plans, and converted into the right to receive, effectively, a cash payment equal to the number of shares deemed purchased under these plans multiplied by \$51.00, and (4) executives who are covered officers under the 2006 Senior Officer Performance Excellence Program will be paid their 2006 annual bonus at the target level as provided under such program. In addition, under the Company's Supplemental Executive Retirement Plan (the SERP), upon the consummation of the merger, all current participants will become fully vested in their retirement benefits, the normal retirement age for collecting benefits under the SERP will be reduced from 62 to 60, and current participants will be entitled to certain additional benefits upon certain terminations of employment and to certain protections against the amendment or termination of the SERP. Certain of our executive officers (such officers, together with such other employees who are permitted to invest by the payment of cash and/or contribution of their HCA equity securities to the surviving corporation, are sometimes referred to herein collectively as the Management Rollover Holders) have also made commitments to roll over options to purchase HCA Common Stock into and/or otherwise invest in the equity securities of the surviving corporation. The Frist Entities have committed to contribute 15,686,275 shares of HCA Common Stock to Parent in connection with the merger in exchange for a portion of the equity securities of Parent. In addition, Dr. Frist, certain members of his immediate family and certain entities

**Table of Contents**

controlled by them may contribute shares of HCA Common Stock to Parent in connection with the commitment by the Frist Entities. The surviving corporation will grant new stock options in the surviving corporation to certain of our executive officers, who will also enter into new employment agreements with the surviving corporation and/or become directors of the surviving corporation. The Frist Entities will have the right to designate two directors of Parent's board of directors after the merger is consummated, and Jack O. Bovender, Jr., the Company's Chairman and Chief Executive Officer, and Richard M. Bracken, the Company's President and a current director, will have the right to serve as directors of the surviving corporation so long as they are officers of the surviving corporation. These and other interests of our executive officers and directors, some of which may be different than those of our shareholders generally, are more fully described under *Special Factors - Interests of the Company's Directors and Executive Officers in the Merger* beginning on page 46.

*Opinions of Credit Suisse Securities (USA) LLC and Morgan Stanley & Co. Incorporated.* In connection with the proposed merger, the special committee's financial advisors, Credit Suisse and Morgan Stanley & Co. Incorporated (Morgan Stanley), each have delivered an opinion as to the fairness from a financial point of view to the unaffiliated shareholders of the merger consideration to be received by such holders in the merger.

The full text of the opinions of Credit Suisse and Morgan Stanley, which set forth the procedures followed, assumptions made, matters considered and limitations on review undertaken by Credit Suisse and Morgan Stanley, as applicable, in connection with their opinions, are attached as Annex B and Annex C, respectively, to this proxy statement. **Credit Suisse and Morgan Stanley provided their opinions for the information and assistance of the special committee in connection with its consideration of the merger, and the opinions of Credit Suisse and Morgan Stanley are not recommendations as to how any shareholder should vote or act with respect to any matter relating to the merger.** We encourage you to read the opinions carefully and in their entirety. See *Special Factors - Opinions of Financial Advisors* beginning on page 30.

*Sources of Financing.* The merger agreement does not contain any condition relating to the receipt of financing by Parent. HCA and Parent estimate that the total amount of funds necessary to consummate the merger and related transactions, including the new financing arrangements, the refinancing of certain existing indebtedness and the payment of customary fees and expenses in connection with the proposed merger and financing arrangements, will be approximately \$26 billion, which is expected to be funded by new credit facilities, private and/or public offerings of debt securities and equity financing. Funding of the equity and debt financing is subject to the satisfaction of the conditions set forth in the commitment letters pursuant to which the financing will be provided. See *Special Factors - Financing of the Merger* beginning on page 41. The following arrangements are in place to provide the necessary financing for the merger, including the payment of related transaction costs, charges, fees and expenses:

*Equity Financing.* Parent has received roll over commitments from the Frist Entities of 15,686,275 shares of HCA Common Stock which, based on the merger consideration per share of HCA Common Stock, have an aggregate value of \$800 million, and equity commitments from the other members of the Investor Group totaling \$4.5 billion, for aggregate roll over and equity commitments totaling \$5.3 billion.

*Debt Financing.* Parent has received a debt commitment letter from Bank of America, N.A., Banc of America Bridge LLC, Banc of America Securities LLC, JPMorgan Chase Bank, N.A., J.P. Morgan Securities Inc., Citigroup Global Markets Inc., Merrill Lynch Capital Corporation and Merrill Lynch, Pierce, Fenner & Smith Incorporated to provide (a) up to \$16.80 billion of senior secured credit facilities and (b) up to \$5.70 billion of senior secured second lien loans under a bridge facility.

*Regulatory Approvals (see page 41).* Under the HSR Act, and the rules promulgated thereunder by the Federal Trade Commission (FTC), the merger may not be completed until notification

**Table of Contents**

and report forms have been filed with the FTC and the Antitrust Division of the Department of Justice ( DOJ ) and the applicable waiting period has expired or been terminated. HCA and Parent filed notification and report forms under the HSR Act with the FTC and the Antitrust Division on August 7, 2006. If HCA and Parent do not receive a request for additional information, the waiting period will expire at 11:59 p.m. on September 6, 2006, if not terminated earlier. Depending on the final structure of Parent, individual members of the Frist family may also be required to file notification and report forms with the FTC and the Antitrust Division of the DOJ in connection with the merger.

Though not a condition to the consummation of the merger, U.S. federal and state laws and regulations, as well as the laws and regulations of the United Kingdom and Switzerland, may require that we or Parent obtain approvals or certificates of need from, file new license and/or permit applications with, and/or provide notice to, applicable governmental authorities in connection with the merger.

*Applicability of Rules Related to Going Private Transactions; Position of Dr. Frist and Messrs. Bovender and Bracken as to Fairness and Their Reasons for the Merger (see pages 29 and 36-37).* The requirements of Rule 13e-3 under the Securities Exchange Act of 1934, as amended (the Exchange Act ), could apply to the merger because Dr. Frist and Messrs. Bovender and Bracken may be deemed to be engaged in a going private transaction under a potential interpretation of the applicable rules. To comply with the requirements of Rule 13e-3, our board of directors, Dr. Frist and Messrs. Bovender and Bracken make certain statements as to, among other matters, their purposes and reasons for the merger, and their belief as to the fairness of the merger to our unaffiliated shareholders.

Each of the special committee and the board of directors has determined that the merger agreement and the transactions contemplated thereby, including the merger, are advisable, fair to and in the best interests of our unaffiliated shareholders. In evaluating the merger, the special committee consulted with its independent legal and financial advisors, reviewed a significant amount of information and considered a number of factors and procedural safeguards set forth below in *Special Factors Reasons for the Merger; Recommendation of the Special Committee and of Our Board of Directors; Fairness of the Merger*. Based upon the foregoing, and consistent with its general recommendation to shareholders, the special committee and our board of directors believe that the merger agreement and the merger are substantively and procedurally fair to our unaffiliated shareholders.

*Tax Consequences.* The merger will be a taxable transaction for U.S. federal income tax purposes if you are a U.S. person. Your receipt of cash in exchange for your shares of HCA Common Stock in the merger generally will cause you to recognize a gain or loss measured by the difference, if any, between the cash you receive in the merger (determined before the deduction of any applicable withholding taxes) and your adjusted tax basis in your shares of HCA Common Stock. Under U.S. federal income tax law, you will be subject to information reporting on cash received in the merger unless an exemption applies. Backup withholding may also apply with respect to cash you receive in the merger, unless you provide proof of an applicable exemption or a correct taxpayer identification number and otherwise comply with the applicable requirements of the backup withholding rules. You should consult your own tax advisor for a full understanding of how the merger will affect your federal, state and local and/or foreign taxes and, if applicable, the tax consequences of the receipt of cash in connection with the cancellation of your options to purchase shares of HCA Common Stock, your shares of restricted stock and/or your restricted share units, including the transactions described in this proxy statement relating to our other equity compensation and benefit plans. See *Special Factors Material U.S. Federal Income Tax Consequences of the Merger to Our Shareholders* beginning on page 51.

*Appraisal Rights.* Under Delaware law, holders of HCA Common Stock who do not vote in favor of adopting the merger agreement will have the right to seek appraisal of the fair value of their shares as determined by the Delaware Court of Chancery if the merger is completed, but only if

**Table of Contents**

they comply with all requirements of Delaware law, which are summarized in this proxy statement. This appraisal amount could be more than, the same as or less than the amount a shareholder would be entitled to receive under the terms of the merger agreement. Any holder of HCA Common Stock intending to exercise such holder's appraisal rights, among other things, must submit a written demand for an appraisal to us prior to the vote on the adoption of the merger agreement and must not vote or otherwise submit a proxy in favor of adoption of the merger agreement. Your failure to follow exactly the procedures specified under Delaware law will result in the loss of your appraisal rights. See *The Special Meeting Rights of Shareholders Who Object to the Merger* and *Dissenters Rights of Appraisal* beginning on pages 18 and 68, respectively, and the text of the Delaware appraisal rights statute reproduced in its entirety as Annex D.

*Market Price of HCA Common Stock (see page 79).* The closing sale price of HCA Common Stock on the New York Stock Exchange (the NYSE) on July 18, 2006, the last trading day prior to press reports of rumors regarding a potential acquisition of HCA, was \$43.29 per share. The \$51.00 per share to be paid for each share of HCA Common Stock in the merger represents a premium of approximately 18% to the closing price on July 18, 2006.

**QUESTIONS AND ANSWERS ABOUT THE SPECIAL MEETING AND THE MERGER**

*The following questions and answers are intended to address briefly some commonly asked questions regarding the merger, the merger agreement and the special meeting. These questions and answers do not address all questions that may be important to you as an HCA shareholder. Please refer to the Summary Term Sheet and the more detailed information contained elsewhere in this proxy statement, the annexes to this proxy statement and the documents referred to or incorporated by reference in this proxy statement, which you should read carefully.*

**Q. What matters will be voted on at the special meeting?**

A. You will be asked to consider and vote on the following proposals:

to act upon other business that may properly come before the special meeting or any adjournment or postponement thereof.

**Q. Who is entitled to vote at the special meeting?**

A. All holders of HCA Common Stock are entitled to notice, but only shareholders of record holding voting HCA Common Stock as of the close of business on \_\_\_\_\_, 2006, the record date for the special meeting, are entitled to vote at the special meeting. As of the record date, there were approximately \_\_\_\_\_ shares of voting HCA Common Stock outstanding. Approximately \_\_\_\_\_ holders of record held such shares. Every holder of voting HCA Common Stock is entitled to one vote for each such share the shareholder held as of the record date.

Please note that space limitations make it necessary to limit attendance at the special meeting to shareholders. Registration will begin at \_\_\_\_\_ .m., local time. If you attend, please note that you may be asked to present valid picture identification. Street name holders will need to bring a copy of a brokerage statement reflecting stock ownership as of the record date. Cameras, recording devices and other electronic devices are not permitted at the meeting.

**Q. What vote is required for HCA's shareholders to adopt the merger agreement? How do HCA's directors and officers intend to vote?**

A. An affirmative vote of the holders of a majority of all outstanding shares of HCA Common Stock entitled to vote on the matter is required to adopt the merger agreement. Our directors and executive officers have informed us that they currently intend to vote all of their shares of HCA Common Stock for the adoption of the merger agreement. In addition, the Frist Entities (representing approximately \_\_\_\_\_ % of the voting HCA Common Stock outstanding) have entered into an agreement with the

**Table of Contents**

sponsors and certain other equity investors pursuant to which they have agreed to vote their shares in favor of the adoption of the merger agreement. It is also the current intention of Dr. Frist and members of his immediate family to vote other shares beneficially owned by them, representing approximately % of the outstanding shares of the voting HCA Common Stock, to adopt the merger agreement, other than approximately 109,000 shares that are held by a charitable foundation formed by Dr. Frist, which will not be voted in the merger.

**Q. What vote is required for HCA's shareholders to approve the proposal to adjourn the special meeting, if necessary, to solicit additional proxies?**

A. The proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies requires the affirmative vote of the holders of a majority of the shares of HCA Common Stock present or represented by proxy at the meeting and entitled to vote on the matter.

**Q. Who is soliciting my vote?**

A. This proxy solicitation is being made and paid for by HCA. In addition, we have retained Georgeson Inc. to assist in the solicitation. We will pay Georgeson Inc. approximately \$20,000 plus out-of-pocket expenses for its assistance. Our directors, officers and employees may also solicit proxies by personal interview, mail, e-mail, telephone, facsimile or by other means of communication. These persons will not be paid additional remuneration for their efforts. We will also request brokers and other fiduciaries to forward proxy solicitation material to the beneficial owners of shares of HCA Common Stock that the brokers and fiduciaries hold of record. We will reimburse them for their reasonable out-of-pocket expenses.

**Q. What do I need to do now?**

A. Even if you plan to attend the special meeting, after carefully reading and considering the information contained in this proxy statement, if you hold your shares in your own name as the shareholder of record, please vote your shares by completing, signing, dating and returning the enclosed proxy card; using the telephone number printed on your proxy card; or using the Internet voting instructions printed on your proxy card. You can also attend the special meeting and vote, or change your prior vote, in person. **Do NOT enclose or return your stock certificate(s) with your proxy.** If you hold your shares in street name through a broker, bank or other nominee, then you received this proxy statement from the nominee, along with the nominee's proxy card which includes voting instructions and instructions on how to change your vote.

**Q. How do I vote? How can I revoke my vote?**

A: You may vote by signing and dating each proxy card you receive and returning it in the enclosed prepaid envelope or as described below if you hold your shares in street name. If you return your signed proxy card, but do not mark the boxes showing how you wish to vote, your shares will be voted FOR the proposal to adopt the merger agreement and FOR the adjournment proposal. You have the right to revoke your proxy at any time before the vote taken at the special meeting:

if you hold your shares in your name as a shareholder of record, by notifying our Vice President and Corporate Secretary, John M. Franck II, at One Park Plaza, Nashville, Tennessee 37203;

by attending the special meeting and voting in person (your attendance at the meeting will not, by itself, revoke your proxy; you must vote in person at the meeting);

by submitting a later-dated proxy card; or

if you have instructed a broker, bank or other nominee to vote your shares, by following the directions received from your broker, bank or other nominee to change those instructions.

**Table of Contents**

**Q: Can I vote by telephone or electronically?**

**A:** If you hold your shares in your name as a shareholder of record, you may vote by telephone or electronically through the Internet by following the instructions included with your proxy card.

If your shares are held by your broker, bank or other nominee, often referred to as held in street name, please check your proxy card or contact your broker, bank or nominee to determine whether you will be able to vote by telephone or electronically.

**Q. If my shares are held in street name by my broker, bank or other nominee, will my broker, bank or other nominee vote my shares for me?**

**A.** Your broker, bank or other nominee will only be permitted to vote your shares if you instruct your broker, bank or other nominee how to vote. You should follow the procedures provided by your broker, bank or other nominee regarding the voting of your shares. If you do not instruct your broker, bank or other nominee to vote your shares, your shares will not be voted and the effect will be the same as a vote against the adoption of the merger agreement and will not have an effect on the proposal to adjourn the special meeting.

**Q: What do I do if I have money in the HCA Stock Fund of the HCA 401(k) Plan?**

**A:** If you have money invested in the HCA Stock Fund of the HCA 401(k) Plan, you do not actually own shares of HCA Common Stock. You are instead credited with equivalent shares, which consist of your interest in both shares of HCA Common Stock and cash that are held by the HCA Stock Fund of the 401(k) Plan. The number of equivalent shares you hold on any given day is equal to your interest in the value of the HCA Common Stock and the cash held by the HCA Stock Fund, divided by the closing market price per share of HCA Common Stock on the NYSE on that day.

In accordance with the 401(k) Plan, the shares held in the HCA Stock Fund are typically voted at the direction of our plan administration committee, which is made up of certain members of our management, and not by individual plan participants. However, the plan administration committee has determined to engage an independent fiduciary to vote the shares held in the HCA Stock Fund in connection with the merger. Additionally, the plan administration committee has decided to offer participants pass-through voting rights based on a participant's interest or equivalent shares in the HCA Stock Fund. You may exercise these pass-through voting rights only by completing and returning the voting instruction card for participants in the HCA Stock Fund of the HCA 401(k) Plan you received with this proxy statement in accordance with the procedures included therewith, or by following the instructions for voting by telephone or the Internet described in the voting instruction card, and before the deadline noted below. **If your voting instructions are received by 6:00 a.m., local time, in Nashville, Tennessee on [redacted], 2006, the independent fiduciary will submit a proxy that reflects your instructions. If your voting instructions are not received by the date and time specified above, the independent fiduciary will vote the shares of HCA Common Stock allocable to your interest in the HCA Stock Fund in accordance with its independent and sole discretion, and all such shares will be voted in the same manner.** Your voting instructions will be kept confidential as required by the terms of the HCA 401(k) Plan. You may **not** vote in person at the special meeting.

**Q. What do I do if I receive more than one proxy or set of voting instructions?**

**A.** If you also hold shares in street name, directly as a record holder or otherwise through the Company's stock purchase plans, or if you have money invested in the HCA Stock Fund of the HCA 401(k) Plan, you may receive more than one proxy and/or set of voting instructions relating to the special meeting. **These should each be voted and/or returned separately as described elsewhere in this proxy statement in order to ensure that all of your shares are voted.**

**Table of Contents**

**Q. How are votes counted?**

A. For the proposal to adopt the merger agreement, you may vote FOR, AGAINST or ABSTAIN. Abstentions will not be counted as votes cast or shares voting on the proposal to adopt the merger agreement, but will count for the purpose of determining whether a quorum is present. If you abstain, it will have the same effect as if you vote against the adoption of the merger agreement. In addition, if your shares are held in the name of a broker, bank or other nominee, your broker, bank or other nominee will not be entitled to vote your shares in the absence of specific instructions. These non-voted shares, or broker non-votes, will be counted for purposes of determining a quorum, but will have the same effect as a vote against the adoption of the merger agreement.

For the proposal to adjourn the special meeting, if necessary, to solicit additional proxies, you may vote FOR, AGAINST or ABSTAIN. Abstentions and broker non-votes will count for the purpose of determining whether a quorum is present, but abstentions and broker non-votes will not count as shares present and entitled to vote on the proposal to adjourn the meeting. As a result, abstentions and broker non-votes will have no effect on the vote to adjourn the meeting, which requires the vote of the holders of a majority of the shares of HCA Common Stock present or represented by proxy at the meeting and entitled to vote on the matter.

If you sign your proxy card without indicating your vote, your shares will be voted FOR the adoption of the merger agreement and FOR the adjournment of the special meeting, if necessary, to solicit additional proxies, and in accordance with the recommendations of our board of directors on any other matters properly brought before the special meeting for a vote.

**Q: Who will count the votes?**

A: A representative of our transfer agent, National City Bank, will count the votes and act as an inspector of election. Questions concerning stock certificates or other matters pertaining to your shares may be directed to National City Bank at 1-800-622-6757.

**Q. When is the merger expected to be completed? What is the marketing period ?**

A. We are working toward completing the merger as quickly as possible, and we anticipate that it will be completed in the fourth quarter of 2006. In order to complete the merger, we must obtain shareholder approval and the other closing conditions under the merger agreement must be satisfied or waived (as permitted by law). In addition, Parent is not obligated to complete the merger until the expiration of a 20-business day marketing period that it may use to complete its financing for the merger. The marketing period begins to run after we have obtained the shareholder approval and satisfied other conditions under the merger agreement; provided that if the marketing period would not end on or before December 19, 2006, the marketing period will commence no earlier than January 2, 2007. See The Merger Agreement Marketing Period and The Merger Agreement Conditions to the Merger beginning on pages 60 and 61, respectively.

**Q. Should I send in my stock certificates now?**

A. No. After the merger is completed, you will be sent a letter of transmittal with detailed written instructions for exchanging your HCA Common Stock certificates for the merger consideration. If your shares are held in street name by your broker, bank or other nominee you will receive instructions from your broker, bank or other nominee as to how to effect the surrender of your street name shares in exchange for the merger consideration.  
**Please do not send your certificates in now.**

**Q. How can I obtain additional information about HCA?**

A. We will provide a copy of our Annual Report to Shareholders and/or our Annual Report on Form 10-K for the year ended December 31, 2005, excluding certain of its exhibits, and other filings,

including our reports on Form 10-Q, with the Securities and Exchange Commission ( SEC ) without charge to any shareholder who makes a written request to the Office of Investor Relations, HCA Inc., One Park Plaza, Nashville, Tennessee 37203. **THE SPECIAL MEETING**

This proxy statement is furnished in connection with the solicitation of proxies by our board of directors in connection with the special meeting of our shareholders relating to the merger.

**Date, Time and Place of the Special Meeting**

The special meeting is scheduled to be held as follows:

Date: \_\_\_\_\_, 2006

Time: \_\_\_\_\_ .m., local time

Place: One Park Plaza  
Nashville, Tennessee 37203

**Proposals to be Considered at the Special Meeting**

At the special meeting, you will be asked to vote on a proposal to adopt the merger agreement, and to approve the adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the meeting to adopt the merger agreement. A copy of the merger agreement is attached as Annex A to this proxy statement.

**Record Date**

We have fixed the close of business on \_\_\_\_\_, 2006 as the record date for the special meeting, and only holders of record of voting HCA Common Stock on the record date are entitled to vote at the special meeting. On the record date, there were \_\_\_\_\_ shares of HCA Common Stock outstanding and entitled to vote.

**Voting Rights; Quorum; Vote Required for Approval**

Each share of voting HCA Common Stock entitles its holder to one vote on all matters properly coming before the special meeting. The presence in person or representation by proxy of shareholders entitled to cast a majority of the votes of all issued and outstanding shares entitled to vote, shall constitute a quorum for the purpose of considering the proposals. Shares of voting HCA Common Stock represented at the special meeting but not voted, including shares of HCA Common Stock for which proxies have been received but for which shareholders have abstained, will be treated as present at the special meeting for purposes of determining the presence or absence of a quorum for the transaction of all business. In the event that a quorum is not present at the special meeting, it is expected that the meeting will be adjourned or postponed to solicit additional proxies.

Adoption of the merger agreement requires the affirmative vote of the holders of a majority of the outstanding shares of HCA Common Stock entitled to vote on the matter. For the proposal to adopt the merger agreement, you may vote FOR, AGAINST or ABSTAIN. Abstentions will not be counted as votes cast or shares voting on the proposal to adopt the merger agreement, but will count for the purpose of determining whether a quorum is present. **If you abstain, it will have the same effect as if you vote against the adoption of the merger agreement.** In addition, if your shares are held in the name of a broker, bank or other nominee, your broker, bank or other nominee will not be entitled to vote your shares in the absence of specific instructions. **These non-voted shares, or broker non-votes, will be counted for purposes of determining a quorum, but will have the same effect as a vote against the adoption of the merger agreement.** Your broker, bank or nominee will vote your shares only if you provide instructions on how to vote by following the instructions provided to you by your broker, bank or nominee.

The proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies requires the affirmative vote of the holders of a majority of the outstanding shares of HCA Common

Stock present or represented by proxy at the special meeting and entitled to vote on the matter. For the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies, you may vote FOR, AGAINST or ABSTAIN. Abstentions and broker non-votes will count for the purpose of determining whether a quorum is present, but abstentions and broker non-votes will not count as shares present and entitled to vote on the proposal to adjourn the meeting. **As a result, abstentions and broker non-votes will have no effect on the vote to adjourn the special meeting, which requires the vote of the holders of a majority of the shares of HCA Common Stock present or represented by proxy at the meeting and entitled to vote on the matter.**

As of \_\_\_\_\_, 2006, the record date, the directors and executive officers of HCA (other than Dr. Frist) held and are entitled to vote, in the aggregate, \_\_\_\_\_ shares of HCA Common Stock, representing approximately \_\_\_\_\_ % of the outstanding voting HCA Common Stock. The directors and executive officers have informed HCA that they currently intend to vote all of their shares of HCA Common Stock FOR the adoption of the merger agreement and FOR the adjournment proposal. In addition, the Frist Entities, representing approximately \_\_\_\_\_ % of the outstanding shares of voting HCA Common Stock, have entered into an agreement with the sponsors and certain other equity investors to vote their shares in favor of adopting the merger agreement. It is also the current intention of Dr. Frist and members of his immediate family to vote other shares beneficially owned by them, representing approximately \_\_\_\_\_ % of the outstanding shares of the voting HCA Common Stock, to adopt the merger agreement, other than approximately 109,000 shares that are held by a charitable foundation formed by Dr. Frist which will not be voted in the merger. If our directors (including persons related to Dr. Frist and the Frist Entities) and executive officers vote their shares in favor of adopting the merger agreement, \_\_\_\_\_ % of the outstanding shares of voting HCA Common Stock will have voted for the proposal to adopt the merger agreement. This means that additional holders of approximately \_\_\_\_\_ % of all shares entitled to vote at the special meeting would need to vote for the proposal to adopt the merger agreement in order for it to be adopted.

**Rights of Shareholders Who Object to the Merger**

Shareholders of HCA are entitled to appraisal rights under Delaware law in connection with the merger. This means that you are entitled to have the value of your shares determined by the Delaware Court of Chancery and to receive payment based on that valuation. The ultimate amount you receive as a dissenting shareholder in an appraisal proceeding may be more than, the same as or less than the amount you would have received under the merger agreement.

To exercise your appraisal rights, you must submit a written demand for appraisal to the Company before the vote is taken on the merger agreement and you must not vote in favor of the adoption of the merger agreement. Your failure to follow exactly the procedures specified under Delaware law will result in the loss of your appraisal rights. See Dissenters Rights of Appraisal beginning on page 68 and the text of the Delaware appraisal rights statute reproduced in its entirety as Annex D.

**Background of the Merger**

The Company regularly reviews and evaluates its business strategy and strategic alternatives with the goal of enhancing shareholder value. As part of these reviews, management and the board of directors on various occasions have received advice from Merrill Lynch, Pierce, Fenner & Smith Incorporated (Merrill Lynch), one of the Company's financial advisors. Merrill Lynch has advised the Company in connection with various transactions over the last several years, including, most recently, in connection with the Company's repurchase of its outstanding shares in a modified Dutch auction tender offer completed in November 2005.

Throughout early 2006, at the request of management, Merrill Lynch reviewed with management various strategic alternatives including potential acquisition opportunities (including domestic for-profit and not-for-profit hospital providers, international hospital providers and other ancillary healthcare providers) and other financial alternatives for the Company, including further leveraged recapitalizations. On April 5, 2006, Merrill Lynch met with management to discuss trends in leveraged buyout transactions (including increased activity within the private equity community and conditions in the leveraged lending markets) and, based on management's January 2006 projections, reviewed hypothetical financial structures for a leveraged buyout transaction involving the Company at a per share price ranging from \$55.00 to \$59.00. Management subsequently advised Merrill Lynch that the January 2006 financial projections that Merrill Lynch had used in its analysis had been revised downward by management in light of the Company's operating results for the year to date and provided these revised projections to Merrill Lynch. After reviewing these revised projections, Merrill Lynch advised management that, although a leveraged buyout transaction could potentially be achieved based on the revised projections, the transaction would likely be at a price range below the range previously reviewed with management. The January 2006 projections, the revised projections provided to Merrill Lynch in April 2006 and a further revised downward set of projections prepared in May 2006 are all described below under Important Information About HCA Projected Financial Information.

Following the receipt of Merrill Lynch's advice that a leveraged buyout transaction could potentially be achieved based on the revised April projections, management decided that it would be appropriate to explore further the feasibility of such a transaction. On April 20, 2006, management contacted representatives of Bain and KKR to set up a meeting with members of management to explore the feasibility of a leveraged buyout transaction involving the Company. On or around this time, Merrill Lynch introduced management to Merrill Lynch Global Private Equity, Merrill Lynch's private equity affiliate.

On April 22 and 23, 2006, the Company entered into confidentiality agreements with each member of the sponsors.

On April 24, 2006, management and Dr. Frist met with representatives of the sponsors to discuss, on a preliminary basis, the feasibility of a leveraged buyout transaction of the Company by the sponsors. Representatives of the sponsors advised management and Dr. Frist that they would perform a preliminary analysis and report to management and Dr. Frist their conclusions regarding the feasibility of such a transaction.

On May 3, 2006, representatives of the sponsors advised management of their preliminary conclusion that an acquisition of the Company in a leveraged buyout transaction was feasible and requested permission for the sponsors and their potential financing sources to perform a due diligence review of the Company so that the sponsors could confirm this view and begin to formulate a proposal. On May 4, 2006, management advised Mr. Frederick W. Gluck, presiding director of the board of directors, and several other directors individually, of the sponsors' preliminary view of the feasibility of a leveraged buyout transaction. Mr. Gluck agreed with management that a special meeting of the board of directors should be called to consider the matter.

**Table of Contents**

At a special meeting of the board of directors held by telephone on May 8, 2006, management advised the board of directors of the discussions that had taken place to date with the sponsors with respect to the exploration of the feasibility of a possible leveraged buyout transaction involving the Company. Management also advised the board of directors of the sponsors' request to perform due diligence to confirm their preliminary view regarding the feasibility of such a transaction. Messrs. Bovender and Bracken and Dr. Frist left the meeting and the board of directors met in executive session with a representative of Bass, Berry & Sims PLC ( Bass Berry ) who reviewed the board of directors' fiduciary duties in connection with the request of the sponsors. The board of directors then discussed generally the strategic alternatives available to the Company, including a leveraged buyout transaction. After discussion, the board of directors determined to defer any decision on whether to permit the sponsors to perform a due diligence review of the Company until the May 24, 2006 regularly scheduled meeting of the board of directors, in order to receive additional information regarding all strategic alternatives available to the Company.

A meeting of the board of directors was held on May 24, 2006. At the meeting, Dr. Frist and Messrs. Bovender and Bracken excused themselves and the board of directors met in executive session with a representative of Bass Berry who reviewed the board of directors' fiduciary duties in connection with its evaluation of possible strategic alternatives to be discussed at the meeting. Management and Dr. Frist then rejoined the meeting and the board of directors received a report from management on the Company's year-to-date operations through April and conducted other regular business. The board of directors continued its meeting on May 25, 2006, at which representatives of Merrill Lynch reviewed with the board of directors the strategic alternatives for the Company that management, with the assistance of Merrill Lynch, had reviewed since a meeting of the board of directors in September 2005, the issues currently affecting the healthcare industry generally as well as the Company, and strategic alternatives for the Company going forward, including continuing as a stand-alone company or effecting additional stock repurchases, a leveraged recapitalization or a leveraged buyout transaction. Messrs. Bovender and Bracken and the representatives of Merrill Lynch were then excused from the meeting, and Dr. Frist addressed the board of directors regarding his views of the proposed transaction in light of his long history with, and knowledge of the businesses of, the Company and in his capacity as a founder of the Company. Dr. Frist then excused himself from the meeting, and the board of directors met in executive session with a representative of Bass Berry. In executive session, the board of directors discussed the strategic alternatives presented at the meeting and discussed the sponsors' request for permission to perform due diligence on the Company so that the sponsors could confirm their preliminary view regarding the feasibility of a leveraged buyout transaction involving the Company. After discussion, the board of directors met in executive session and decided to allow the sponsors and Banc of America Securities LLC ( Banc of America Securities ), a potential financing source, to undertake a due diligence investigation of the Company. As a condition to their due diligence, the board of directors required each sponsor to enter into a more extensive confidentiality agreement, and Banc of America Securities to enter into an appropriate confidentiality agreement, in each case containing, among other things, standstill provisions. In addition, the board of directors authorized Mr. Gluck in his capacity as presiding director of the board of directors to oversee the due diligence process and to report to the board of directors on the process and any decisions made. The board of directors also instructed management not to negotiate with the sponsors' representatives regarding the terms on which management might participate with the sponsors in a transaction involving the Company. In light of the possibility that the Company might explore a leveraged buyout transaction in which Dr. Frist and members of management might participate, the board of directors also discussed at the May 25 executive session the desirability of establishing a special committee comprised of directors who were independent of the Company, the sponsors, management and Dr. Frist. In connection with its review of the strategic alternatives available to the Company at the May 25 board of directors meeting, the board of directors directed management to retain McKinsey & Company ( McKinsey ) on behalf of the Company to analyze the projections for the Company prepared by management in light of McKinsey's previous work for the Company and its expertise in the healthcare industry generally.

The sponsors commenced a due diligence review of the Company on May 26, 2006. As part of its due diligence, the sponsors requested that the Company permit them to engage McKinsey as a consultant. Mr. Gluck, acting for the board of directors, denied this request but agreed that the results of McKinsey's analyses could be shared and discussed with the sponsors.

On June 16, 2006, the board of directors met by telephone in executive session without Dr. Frist and Messrs. Bovender and Bracken and discussed further the desirability of establishing a special committee comprised of directors who were independent of the Company, the sponsors, management and Dr. Frist. Mr. Gluck reviewed the steps he had taken, in his capacity as presiding director, to prepare the board of directors to meet its responsibilities in the event the transaction was determined to be feasible and one that the board of directors determined should be explored further, including interviews of potential independent legal and financial advisors who were experienced in advising special committees in similar situations.

The sponsors requested that Citigroup Global Markets Inc. ( Citigroup ), another potential financing source, be permitted to conduct due diligence. Mr. Gluck, on behalf of the board of directors, agreed provided that Citigroup would agree not to, without the prior written consent of the Company, enter into any exclusive agreement or arrangement with any sponsor to provide or arrange financing in connection with a possible transaction involving the Company. On June 26, 2006, Citigroup entered into a confidentiality agreement containing that provision.

On June 30, 2006, the sponsors' representatives contacted management and stated that the sponsors had conducted sufficient due diligence to confirm their view that a leveraged buyout involving the Company was feasible and that the sponsors expected to be in a position to determine whether to submit a proposal regarding such a transaction by July 14, 2006. The sponsors also requested the ability to include additional equity and financing sources in the due diligence process as well as the ability to engage in discussions with management and Dr. Frist regarding their participation in such a transaction.

At a special meeting of the board of directors held by telephone on June 30, 2006, management advised the board of directors about the sponsors' conclusions and requests, and the board of directors, acting in executive session without Dr. Frist and Messrs. Bovender and Bracken participating, established a special committee consisting of Mr. Gluck (as Chairman), Mr. C. Michael Armstrong, Mr. Charles O. Holliday, Jr., Mr. T. Michael Long and Mr. Kent C. Nelson. The special committee was delegated the full power and authority to, among other things, review, evaluate and, if appropriate, negotiate a possible acquisition of the Company by the sponsors and any alternatives thereto and, as appropriate, reject or recommend to the full board of directors a proposed transaction with the sponsors or any alternative thereto.

Following the board of directors meeting on June 30, the special committee held a telephonic meeting to consider the retention of independent counsel and financial advisors. Mr. Gluck noted that, as he had informed the board of directors at its June 16 meeting, he had interviewed possible legal and financial advisors. After discussion, the special committee determined to engage Shearman & Sterling LLP ( Shearman & Sterling ) as its legal advisor. Representatives of Shearman & Sterling joined the meeting and discussed the terms under which the special committee might engage a financial advisor to the special committee. Representatives of Credit Suisse were then invited to join the meeting and, along with Shearman & Sterling, discussed with the special committee certain preliminary matters relating to the special committee process. The Credit Suisse representatives then left the meeting, and, after discussion, the special committee determined to engage Credit Suisse as its financial advisor.

A meeting of the special committee was held by telephone on July 3, 2006. At the meeting, representatives of Shearman & Sterling reviewed with the special committee its fiduciary duties in connection with its consideration of a possible proposal by the sponsors and all alternatives thereto. The special committee also discussed with its advisors the requests that had been made by the sponsors for the Company's approval for discussions between the sponsors and additional potential debt and equity sources, members of management of the Company and Dr. Frist. After discussion, the special committee determined that the sponsors should not be permitted to approach additional debt or equity financing sources at that time. The special committee also determined that, provided that no exclusive arrangement

**Table of Contents**

be entered into between the Frist family and the sponsors regarding a potential transaction involving the Company, the sponsors should be permitted to have preliminary discussions with Dr. Frist regarding his support for a potential transaction and the terms on which he and other members of his family might participate in a potential transaction. The special committee authorized management to engage at the Company's expense legal counsel to represent management in connection with the proposed transaction and determined that the sponsors could have preliminary discussions with management regarding the general terms on which management might participate in a transaction.

On July 5, 2006, at the request of the special committee, management met with representatives of Credit Suisse in Nashville and gave a presentation regarding the Company's financial results and projections.

On July 7, 2006, Mr. Gluck had conversations with the other members of the special committee regarding the desirability, given the size and complexity of the potential transaction, of engaging Morgan Stanley as an additional financial advisor to the special committee.

On July 10, 2006, Mr. Armstrong submitted his resignation from the special committee in order to avoid any appearance of a possible conflict of interest as a result of his position as a director of Citigroup, which had been identified as a potential financing source for the sponsors. On July 11, 2006, the board of directors of the Company appointed Ms. Glenda A. Hatchett to the special committee to replace Mr. Armstrong.

On July 11, 2006, representatives of Credit Suisse and Shearman & Sterling met with representatives of McKinsey to review McKinsey's analyses to date of the Company and its prospects. Also on July 11, 2006, representatives of Credit Suisse, Morgan Stanley and Shearman & Sterling met with representatives of the sponsors, Merrill Lynch and Citigroup as well as the sponsors' legal advisors, at Credit Suisse's offices in New York. During the meeting, representatives of the sponsors made a presentation regarding their views of the Company's prospects and strategic alternatives, as well as their views regarding the likely trading ranges of the Company's stock in light of the Company's preliminary second quarter results and prospects for the remainder of 2006 and 2007.

A meeting of the special committee was held by telephone on the evening of July 11. At the meeting, the special committee reviewed with its financial and legal advisors the process under which the special committee would receive and respond to a proposal from the sponsors. The special committee noted the advantages of reaching a decision regarding whether to proceed with a transaction with the sponsors before the date on which the Company expected to announce its second quarter results (which on the basis of preliminary results the special committee understood would not meet Wall Street expectations), and of avoiding the disruption to the Company and its operations that would occur following the public announcement by the Company of its receipt of a proposal from the sponsors if such a proposal, and any ensuing proposals, were unacceptable to the special committee. In light of these advantages, the special committee determined to pursue a process whereby any proposal by the sponsors would be considered by the special committee and, if acceptable to the special committee, would be negotiated prior to, and any definitive agreement in connection with such proposal would be announced simultaneously with, the Company's announcement of its second quarter results. The special committee also discussed that it would be willing to proceed with a process on this basis only if the financial and other terms of the proposal were sufficiently attractive to the special committee, including that the special committee would retain the ability to solicit and accept alternative proposals for the acquisition of the Company even after the execution of a definitive agreement with the sponsors. The special committee authorized its advisors to pursue this process with the advisors to the sponsors. In response to the request made by the sponsors to representatives of the special committee, the special committee also authorized the sponsors to approach JPMorgan Chase Bank about possible participation as a financing source, provided that JPMorgan Chase Bank would agree not to, without the prior written consent of the Company, enter into any exclusive agreement or arrangement with any sponsor to provide or arrange financing in connection with a possible transaction involving the Company.

Also at the July 11 meeting, the special committee formally approved the engagement of Morgan Stanley as a second financial advisor to the special committee.

Following their respective retentions, each of Credit Suisse, Morgan Stanley and Shearman & Sterling conducted a due diligence review of the Company, including meetings and discussions with various members of senior management of the Company.

On July 14, 2006, representatives of Credit Suisse and Morgan Stanley met with management to review various strategic alternatives that might be available to the Company, and representatives of Shearman & Sterling and of Simpson Thacher & Bartlett LLP ( Simpson ), counsel to the sponsors, discussed the principal terms of a potential merger agreement that might be entered into in the event the special committee determined to pursue a proposal by the sponsors. Also on July 14, representatives of Merrill Lynch informed representatives of Credit Suisse that the sponsors would be prepared to submit a proposal to acquire the Company for \$48.75 per share in cash, subject to negotiation of an acceptable merger agreement, the ability of the sponsors to arrange financing on acceptable terms and the ability of the sponsors to reach acceptable arrangements with members of senior management and Dr. Frist.

An all-day meeting of the special committee was held on July 17, 2006 at the offices of Shearman & Sterling in New York. At the meeting, representatives of Shearman & Sterling again reviewed with the special committee its fiduciary duties in connection with its consideration of a possible proposal by the sponsors and all alternatives thereto, and representatives of Credit Suisse reported on the July 14 conversation with Merrill Lynch. Messrs. Bovender, Bracken and Johnson, members of senior management of the Company, then joined the meeting and provided the special committee with a report on the Company's financial results through June 30, 2006. McKinsey then reviewed with the special committee its analyses of the Company's growth prospects over the next three years, which forecasted EBITDA growth through 2009 that was lower than management's forecast for the same period (see Important Information About HCA Projected Financial Information ).

At the July 17 meeting, representatives of Credit Suisse and Morgan Stanley provided the special committee with an assessment of various strategic alternatives available to the Company and reviewed with the special committee their preliminary financial analyses. After discussion, the special committee instructed its advisors to inform representatives of the sponsors that the special committee would not be prepared to pursue a proposal unless it was at a significantly higher price than the \$48.75 per share price proposed by the sponsors, that the price proposed by the sponsors did not reflect the long term value of the Company or provide sufficient value to shareholders as compared to other alternatives and that, unless the sponsors were prepared to make a proposal at a significantly higher price, the special committee would terminate discussions with the sponsors and instruct management to proceed with its plans to announce the Company's second quarter earnings.

Immediately after the July 17 meeting, the special committee's advisors informed the sponsors' representatives of the special committee's position.

On July 18, 2006, representatives of the sponsors contacted representatives of Credit Suisse by telephone and informed them that the sponsors would be willing to submit a proposal for a sale of the Company at \$50.50 per share, subject to the same conditions as their prior indication. Credit Suisse reported the sponsors' increased price indication at a meeting of the special committee held by telephone shortly thereafter. Dr. Frist had asked for an opportunity to present to the special committee his views of the proposed transaction in light of his long history with, and knowledge of the businesses of, the Company and in his capacity as a founder of the Company. The special committee, in response to this request, permitted Dr. Frist to join the meeting by telephone. He joined the meeting briefly to review with the special committee the reasons why he thought the Company should be taken private at this time, assuming that the price to be paid in such transaction was fair, and then left the meeting. The special committee returned immediately to its previous discussion with its advisors regarding the revised indication from the sponsors. After this discussion, the special committee instructed its advisors to inform the representatives of the sponsors that the special committee would not pursue a proposal at \$50.50 per share, but would consider a proposal at \$52.00 per share.

**Table of Contents**

In the evening on July 18, representatives of Merrill Lynch contacted the special committee's advisors and informed them that the sponsors would be prepared to submit their best and final offer of \$50.75 per share, subject to the same conditions as their prior indication. The special committee reconvened its meeting to discuss the revised price indication. After discussion, the special committee instructed its advisors to tell the sponsors' representatives that the special committee would only be prepared to pursue a proposal at \$51.00 per share. Later in the evening on July 18, representatives of the sponsors contacted the special committee's advisors and informed them that the sponsors would be willing to submit a proposal for the Company at \$51.00 per share, subject to the same conditions as their prior indication.

A telephonic meeting of the special committee was held the morning of July 19, 2006. At the meeting, the special committee's advisors updated the special committee regarding the sponsors' willingness to submit a proposal at \$51.00 per share. In light of this information, the special committee authorized its legal and financial advisors to continue discussions with the sponsors' representatives to determine whether a definitive agreement could be reached. The sponsors were also authorized to commence discussions with management and Dr. Frist regarding the specific terms of their participation in a potential transaction.

On July 19, 2006, Simpson delivered an initial draft of a merger agreement to Shearman & Sterling. Shearman & Sterling delivered comments on the draft merger agreement to Simpson on July 21, 2006.

During the period from July 21 through July 23, 2006, the parties negotiated the terms of the draft merger agreement and the separate guarantee agreements to be entered into by the funds sponsored by the sponsors and the Frist Entities, under which the funds and the Frist Entities would guarantee the payment of the termination fee payable by Parent and Merger Sub under the merger agreement in certain circumstances. In addition, during the period from July 20 through July 23, 2006, management, the sponsors and legal counsel for management negotiated the terms on which management would participate in the transaction, including employment terms, severance, investment commitment, incentive equity and representation on the board of directors of Parent. During the same period, the sponsors and legal counsel to Dr. Frist negotiated the terms on which Dr. Frist would participate in the transaction, including the Frist Entities' rollover equity commitment and representation on the board of directors of Parent. As instructed by the special committee, the management discussions were conditioned on management's agreement that it would not commit to be exclusive to the sponsors, and accordingly would be available to enter into similar discussions and arrangements with any subsequent bidder for the Company.

At a meeting of the special committee held at Shearman & Sterling's offices in New York on July 23, 2006, representatives of Shearman & Sterling reviewed with the special committee its fiduciary duties, the terms of the merger agreement and guarantees, and the issues in the merger agreement that remained open. The special committee gave guidance to Shearman & Sterling as to how to respond to these issues, in particular with respect to the length of the go-shop period, and related termination fee provisions, including that the Company should be required to pay a lower termination fee to the sponsors if it accepted an alternative superior proposal that had been made during the go-shop period, as opposed to the termination fee payable by the Company and the sponsors under other circumstances. Also at the July 23 meeting, representatives of Credit Suisse and Morgan Stanley reviewed with the special committee their financial analyses of the \$51.00 per share merger consideration. Following the financial advisors' presentation, the special committee adjourned its meeting until later in the day to allow its legal advisors to negotiate with the sponsors' representatives regarding the outstanding merger agreement issues.

Over the course of the day on July 23, 2006, the parties and their respective advisors finalized the terms of the merger agreement. At the reconvened meeting of the special committee on July 23, Shearman & Sterling described how the principal unresolved issues discussed earlier in the day had been resolved, as well as the terms on which management and Dr. Frist would participate in the transaction. Each of Credit Suisse and Morgan Stanley rendered to the special committee an oral opinion, which opinion was subsequently confirmed in writing, to the effect that, as of that date and based upon and subject to the assumptions, limitations, qualifications and other matters described in its opinion, the merger

**Table of Contents**

consideration was fair, from a financial point of view, to the unaffiliated shareholders. After considering the proposed terms of the merger agreement and other transaction agreements and the various presentations of its legal and financial advisors, the special committee unanimously resolved to recommend that the board of directors approve and declare advisable the merger agreement and the merger and that the board of directors resolve to recommend that the Company's shareholders adopt the merger agreement.

The Company's board of directors met thereafter and received the same presentation from management as management had made to the special committee on July 17, 2006. In addition, McKinsey gave to the board of directors the same presentation that it had given to the special committee on July 17. The board of directors (excluding Dr. Frist and Messrs. Bovender, Bracken and Armstrong) then received presentations from the special committee's legal and financial advisors, as well as the recommendation of the special committee. Following these presentations and discussions among the members of the board of directors and their advisors, members of the board of directors determined to adjourn until early in the morning of July 24.

The Company's board of directors (excluding Dr. Frist and Messrs. Bovender, Bracken and Armstrong) met again early in the morning of July 24, 2006. Following discussions among and questions by the members of the board of directors to the special committee's financial and legal advisors, the Company's board of directors, by unanimous action of the directors present, approved and declared advisable the merger agreement and the merger and resolved to recommend that the Company's shareholders adopt the merger agreement.

After the July 24 meeting of the Company's board of directors, the Company, Parent and Merger Sub executed the merger agreement and issued a press release announcing the merger prior to the opening of trading on the NYSE.

Beginning July 24, 2006, under the supervision of the special committee, representatives of Credit Suisse and Morgan Stanley contacted parties that they believed would be capable of, and might be interested in, consummating an acquisition of the Company.

**Reasons for the Merger; Recommendation of the Special Committee and of Our Board of Directors; Fairness of the Merger**

***The Special Committee***

The special committee, acting with the advice and assistance of its independent legal and financial advisors, evaluated and negotiated the merger proposal, including the terms and conditions of the merger agreement, with Parent and Merger Sub. The special committee unanimously determined that the merger agreement and the transactions contemplated thereby, including the merger, are advisable, fair to and in the best interests of the Company and our unaffiliated shareholders and recommended to our board of directors that (i) the board of directors approve and declare advisable the merger agreement and the transactions contemplated thereby, including the merger and (ii) the board of directors recommend the adoption by our shareholders of the merger agreement.

In the course of reaching its determination, the special committee considered the following substantive factors and potential benefits of the merger, each of which the special committee believed supported its decision:

its belief that the merger was more favorable to unaffiliated shareholders than the alternative of remaining a stand-alone, independent company, because of the uncertain returns to such shareholders if the Company remained independent in light of the Company's business, operations, financial condition, strategy and prospects, as well as the risks involved in achieving those returns, the nature of the industry in which the Company competes, and general industry, economic, market and regulatory conditions, both on an historical and on a prospective basis;

its belief that the merger was more favorable to unaffiliated shareholders than the potential value that might result from other alternatives available to the Company, including the alternatives of

pursuing other strategic initiatives such as additional stock repurchases, divestitures of selected assets, potential acquisitions or a leveraged recapitalization, given the potential rewards, risks and uncertainties associated with those alternatives;

the special committee's belief that \$51.00 per share was at the high end of the range that would be payable in a leveraged buyout transaction involving the Company;

the fact that the Company's performance during the second quarter of 2006, and its prospects for the remainder of 2006 and 2007, could result in a decrease in the Company's stock price, at least in the short to medium term;

McKinsey's analysis that the Company's EBITDA growth through 2009 would be lower than that currently being forecast by management and that, while improvements in the Company's operating performance could yield EBITDA results in excess of those forecast by either McKinsey or management, the achievement of such improvements was uncertain and would be subject to execution risk (see Important Information About HCA Projected Financial Information );

the current and historical market prices of the HCA Common Stock, including the market price of the HCA Common Stock relative to those of other industry participants and general market indices, the fact that the cash merger price of \$51.00 per share represented a premium of approximately 18% to the closing share price of the HCA Common Stock on July 18, 2006, the last trading day prior to press reports of rumors regarding a potential acquisition of the Company, and the special committee's belief that the cash merger price of \$51.00 per share would represent a greater premium to the Company's stock price following the announcement of the Company's second quarter earnings;

the financial presentations of Credit Suisse and Morgan Stanley, including the separate opinions of Credit Suisse and Morgan Stanley as to the fairness, from a financial point of view, to the unaffiliated shareholders, of the merger consideration to be received by such holders in the merger (see Special Factors Opinions of Financial Advisors );

the efforts made by the special committee and its advisors to negotiate and execute a merger agreement favorable to the Company;

the financial and other terms and conditions of the merger agreement as reviewed by the special committee, including the fact that the merger would not be subject to a financing condition, and the fact that they were the product of arm's-length negotiations between the parties;

the fact that the merger consideration is all cash, so that the transaction allows the Company's unaffiliated shareholders to immediately realize a fair value, in cash, for their investment and provides such shareholders certainty of value for their shares;

the fact that the terms of the merger agreement provide for a 50-day post-signing go-shop period during which the Company may solicit additional interest in transactions involving the Company, and, after such 50-day period, continue discussions with certain persons or respond to unsolicited proposals under certain circumstances;

the fact that, subject to compliance with the terms and conditions of the merger agreement, the Company is permitted to change its recommendation or terminate the merger agreement, prior to the adoption of the merger agreement by our shareholders, in order to approve an alternative transaction proposed by a third party that is a superior proposal as defined in the merger agreement, upon the payment to Parent of: (i) a \$300 million termination fee (representing approximately 1.4% of the total equity value of the transaction) in the event that

such proposal was made during the 50-day go-shop period, or (ii) a \$500 million termination fee (representing approximately 2.4% of the total equity value of the transaction) in the event that such proposal was made by a third-party after the end of the go-shop period;

the fact that members of the Company's management who plan to participate in the transaction did not commit to be exclusive to the sponsors and are therefore available to enter into discussions and arrangements with any subsequent bidder for the Company, and the fact that Dr. Frist can, subject

to certain limitations, participate in due diligence discussions with third parties who are contemplating making a proposal to acquire the Company;

the availability of appraisal rights to holders of the HCA Common Stock who comply with all of the required procedures under Delaware law, which allows such holders to seek appraisal of the fair value of their shares as determined by the Delaware Court of Chancery;

the commitment made by Parent and Merger Sub to treat the Company's employees in a fair and equitable manner, including to provide (for one year from the effective date of the merger) each employee of the Company with at least the same level of salary or hourly wage rate, commission structure and opportunities, and/or cash bonus opportunities under annual programs (other than equity-based compensation or award opportunities) that was provided to such employee immediately prior to the merger and to provide employee severance, pension and welfare benefits (other than equity-based benefits) to employees that are no less favorable in the aggregate than those provided to employees immediately prior to the merger; and

the fact that the Company would not have to establish damages in the event of a failure of the merger to be consummated under certain circumstances in light of the \$500 million termination fee payable by Parent.

The special committee also considered a number of factors relating to the procedural safeguards involved in the negotiation of the merger, including those discussed below, each of which it believed supported its decision and provided assurance of the fairness of the merger to the unaffiliated shareholders of the Company:

the fact that, other than for customary fees payable to members of the special committee (that were not contingent on the special committee's recommendation of a transaction or the consummation of a transaction), the directors (other than Dr. Frist and Messrs. Bovender and Bracken) will not receive any consideration in connection with the merger that is different from that received by any other unaffiliated shareholder of the Company;

the fact that negotiations were conducted under the oversight of a special committee comprised solely of independent directors who are not employees of the Company and who have no financial interest in the merger that is different from that of the unaffiliated shareholders of the Company;

the fact that the special committee retained and received advice and assistance from its own independent financial and legal advisors in evaluating, negotiating and recommending the terms of the merger agreement;

the fact that the special committee had ultimate authority to decide whether or not to proceed with a transaction or any alternative thereto, subject to our board of directors' approval of the merger agreement;

the fact that the financial and other terms and conditions of the merger agreement were the product of arm's-length negotiations between the special committee and its independent advisors, on the one hand, and the sponsors and their advisors, on the other hand;

the fact that the opinions of Credit Suisse and Morgan Stanley each address the fairness, from a financial point of view, to the unaffiliated shareholders, of the merger consideration to be received by such holders in the merger;

the fact that the Company is permitted under certain circumstances to solicit and respond to inquiries regarding acquisition proposals and, upon payment of a termination fee, to terminate the merger agreement in order to complete a superior transaction; and

the fact that under Delaware law, the shareholders of the Company have the right to demand appraisal of their shares.

**Table of Contents**

The special committee also considered a variety of risks and other potentially negative factors concerning the merger agreement and the merger, including the following:

the risks and costs to the Company if the merger does not close, including the diversion of management and employee attention, potential employee attrition and the potential effect on the Company's business and its relationships with physicians and patients;

the fact that the Company's unaffiliated shareholders will not participate in any future earnings or growth of the Company and will not benefit from any appreciation in value of the Company, including any appreciation in value that could be realized as a result of improvements to the Company's operations;

the terms of Dr. Frist's and management's participation in the merger and the fact that Dr. Frist and the Company's executive officers have interests in the transaction that are different from, or in addition to, those of the Company's other shareholders;

the restrictions on the conduct of the Company's business prior to the completion of the merger, requiring the Company to conduct its business only in the ordinary course, subject to specific limitations, which may delay or prevent the Company from undertaking business opportunities that may arise pending completion of the merger;

the fact that an all cash transaction would be taxable to the Company's shareholders that are U.S. persons for U.S. federal income tax purposes; and

the fact that the Company is entering into a merger agreement with a newly formed corporation with essentially no assets and, accordingly, that its remedy in connection with a breach of the merger agreement by Parent or Merger Sub, even a breach that is deliberate or willful, is limited to \$500 million.

In the course of reaching its decision to approve the merger agreement, the special committee did not consider the liquidation value of the Company's assets because it considers the Company to be a viable going concern business. Further, the special committee did not consider net book value, which is an accounting concept, as a factor because it believed that net book value is not a material indicator of the value of the Company as a going concern but rather is indicative of historical costs. The Company's net book value per share as of June 30, 2006 was \$11.79. This value is substantially below the \$51.00 per share cash merger consideration. The foregoing discussion summarizes the material factors considered by the special committee in its consideration of the merger. After considering these factors, the special committee concluded that the positive factors relating to the merger agreement and the merger outweighed the potential negative factors. In view of the wide variety of factors considered by the special committee, and the complexity of these matters, the special committee did not find it practicable to quantify or otherwise assign relative weights to the foregoing factors. In addition, individual members of the special committee may have assigned different weights to various factors. The special committee approved and recommended the merger agreement and the merger based upon the totality of the information presented to and considered by it.

***Our Board of Directors***

Our board of directors (other than Messrs. Bovender and Bracken, Dr. Frist and Mr. C. Michael Armstrong), acting upon the unanimous recommendation of the special committee, at a meeting described above on July 24, 2006, (i) determined that the merger agreement and the transactions contemplated thereby, including the merger, are advisable, fair to and in the best interests of the Company and our unaffiliated shareholders; (ii) approved the merger agreement and the transactions contemplated thereby, including the merger and (iii) recommended the adoption by our shareholders of the merger agreement. In reaching these determinations, our board of directors considered (i) the financial presentation of Credit Suisse and Morgan Stanley that was prepared for the special committee and which was delivered to the board of directors at the request of the special committee, as well as the fact that the special committee received opinions delivered by Credit Suisse and Morgan Stanley as to the fairness, from a financial point of view, to the Company's unaffiliated shareholders of the merger consideration to be received by

**Table of Contents**

such holders in the merger and (ii) the unanimous recommendation and analysis of the special committee, as described above, and adopted such recommendation and analysis in reaching its determinations.

The foregoing discussion summarizes the material factors considered by our board of directors in its consideration of the merger. In view of the wide variety of factors considered by our board of directors, and the complexity of these matters, our board of directors did not find it practicable to quantify or otherwise assign relative weights to the foregoing factors. In addition, individual members of our board of directors may have assigned different weights to various factors. The board of directors approved and recommends the merger agreement and the merger based upon the totality of the information presented to and considered by it.

Mr. Jack O. Bovender, our Chief Executive Officer and Chairman, and Mr. Richard M. Bracken, our President and Chief Operating Officer, who have each agreed to contribute a portion of the merger consideration that they receive in the merger to Parent in exchange for an equity interest in the surviving corporation after the merger, and Dr. Frist, whose affiliated entities, the Frist Entities, have each agreed to contribute a portion of their equity securities in the Company to Parent in exchange for an equity investment in Parent, recused themselves from the foregoing determination and approval due to their involvement in the transaction. Mr. C. Michael Armstrong also recused himself from the foregoing determination and approval because of his role as a member of the board of directors of Citigroup, which is providing financing to the sponsors.

**Our board of directors recommends that you vote FOR the adoption of the merger agreement.**

**Purpose and Reasons for the Merger of Management Investors**

Under a potential interpretation of the rules governing going private transactions, Messrs. Bovender and Bracken (the Management Investors ) may be deemed to be engaged in a going private transaction and required to express their purpose and reasons for the merger to our unaffiliated shareholders. The Management Investors are making the statements included in this section solely for the purposes of complying with the requirements of Rule 13e-3 and related rules under the Exchange Act.

For the Management Investors, the primary purpose of the merger for HCA is to enable its unaffiliated shareholders to immediately realize the value of their investment in HCA through their receipt of the per share merger price of \$51.00 in cash. In addition, the merger will also allow the Management Investors to immediately realize in cash the value of a portion of their respective holdings in HCA and, through their commitment to make an equity investment in the surviving corporation, to benefit from any future earnings and growth of HCA after its stock ceases to be publicly traded. The Management Investors believe that public company status imposes a number of limitations on HCA and its management in conducting HCA's operations, including restraints associated with meeting the expectations of market analysts. Accordingly, one of the purposes of the merger for the Management Investors is to afford greater operating flexibility to the Company, allowing management to concentrate on long-term growth and to reduce its focus on the quarter-to-quarter performance often emphasized by the public markets.

**Purpose and Reasons for the Merger of Dr. Frist**

Under a potential interpretation of the rules governing going private transactions, Dr. Frist and the Frist Entities may be deemed to be engaged in a going private transaction and required to express their reasons for the merger to our unaffiliated shareholders. The aforementioned persons are making the statements included in this section solely for the purposes of complying with the requirements of Rule 13e-3 and related rules under the Exchange Act.

For Dr. Frist, the purpose of the merger is for Dr. Frist (together with the Frist Entities and certain members of his family and other entities related to him) to immediately realize in cash the value of a portion of his holdings in HCA and, through the Frist Entities' roll over equity commitment, to benefit from any future earnings and growth of HCA after its stock ceases to be publicly traded.

Table of Contents**Opinions of Financial Advisors*****Opinion of Credit Suisse Securities (USA) LLC***

The special committee retained Credit Suisse to act as its financial advisor in connection with the merger. In connection with Credit Suisse's engagement, the special committee requested that Credit Suisse evaluate the fairness of the merger consideration, from a financial point of view, to the unaffiliated shareholders. On July 23, 2006, the special committee met to review the proposed merger and the terms of the proposed merger agreement. During this meeting, Credit Suisse reviewed with the special committee certain financial analyses, as described below, and rendered its oral opinion to the special committee, which was subsequently confirmed in writing, that, as of July 23, 2006, and based upon and subject to the various considerations and assumptions described in the opinion, the merger consideration was fair, from a financial point of view, to the unaffiliated shareholders.

**The full text of Credit Suisse's opinion, dated July 23, 2006, which sets forth the procedures followed, assumptions made, matters considered and limitations on the review undertaken, is attached as Annex B and is incorporated into this proxy statement by reference. Holders of HCA Common Stock are encouraged to read this opinion carefully in its entirety. Credit Suisse's opinion was provided to the special committee in connection with its evaluation of the merger consideration to the unaffiliated shareholders. It does not address any other aspect of the proposed merger, relates only to the fairness, from a financial point of view, of the merger consideration and does not constitute a recommendation to any shareholder as to how such shareholder should vote or act with respect to any matters relating to the merger. The following is a summary of the Credit Suisse opinion and is qualified by reference to the full text of the opinion attached at Annex B, which you are encouraged to read in its entirety.**

In arriving at its opinion, Credit Suisse reviewed the proposed merger agreement and certain related documents as well as certain publicly available business and financial information relating to HCA. Credit Suisse also reviewed certain other information relating to HCA, including financial forecasts, provided to or discussed with Credit Suisse by HCA, and met with the management of HCA to discuss the business and prospects of HCA. Credit Suisse also considered certain financial and stock market data of HCA, and compared that data with similar data for other publicly held companies in businesses Credit Suisse deemed similar to that of HCA and considered, to the extent publicly available, the financial terms of certain other business combinations and other transactions which had been recently effected or announced. Credit Suisse also considered such other information, financial studies, analyses and investigations and financial, economic and market criteria which it deemed relevant. In connection with its review, Credit Suisse did not assume any responsibility for independent verification of any of the foregoing information and relied on such information being complete and accurate in all material respects.

With respect to the financial forecasts for HCA which Credit Suisse reviewed, Credit Suisse was advised by the management of HCA, and assumed that such forecasts had been reasonably prepared on bases reflecting the best currently available estimates and judgments of HCA's management as to the future financial performance of HCA. Credit Suisse also assumed, with the consent of the special committee, that in the course of obtaining any regulatory or third party consents, approvals or agreements in connection with the merger, no modification, delay, limitation, restriction or condition will be imposed that would have an adverse effect on HCA or the merger and that the merger will be consummated in accordance with the terms of the merger agreement without waiver, modification, amendment or adjustment of any material term, condition or agreement therein, including that Parent will obtain the financing necessary to effect the merger in accordance with the terms of the draft debt and equity financing commitments provided to or discussed with Credit Suisse by Parent. In addition, Credit Suisse was not requested to make, and did not make, an independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of HCA, nor was Credit Suisse furnished with any such evaluations or appraisals. Credit Suisse understood that, in accordance with HCA's restated certificate of incorporation, filed with the Delaware Secretary of State on February 3, 2004, the voting and nonvoting HCA Common Stock will receive the same consideration in the proposed merger and, for purposes of its opinion and related analyses, Credit Suisse treated the voting and nonvoting HCA Common Stock as identical in all

material respects. Credit Suisse's opinion addressed only the fairness, from a financial point of view, to the unaffiliated shareholders, of the merger consideration and does not address any other aspect or implication of the merger or any other agreement, arrangement or understanding entered into in connection with the merger or otherwise. Credit Suisse's opinion was necessarily based upon information made available to it as of the date thereof and upon financial, economic, market and other conditions as they existed and could be evaluated on the date thereof. Prior to the date of the opinion, Credit Suisse was not asked to, and did not, solicit third party indications of interest in acquiring the Company, but Credit Suisse, at the direction of the special committee, was authorized, in accordance with the merger agreement, to do so for a prescribed time period following the execution of the merger agreement. Credit Suisse's opinion does not address the relative merits of the merger as compared to alternative transactions or strategies that might be available to HCA, nor does it address the underlying business decision of HCA to proceed with the merger.

The special committee retained Credit Suisse to act as its financial advisor in connection with the merger. Credit Suisse was selected by the special committee based on Credit Suisse's qualifications, expertise and reputation. Credit Suisse is an internationally recognized investment banking firm and is regularly engaged in the valuation of businesses and securities in connection with mergers and acquisitions, leveraged buyouts, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements and valuations for corporate and other purposes. Credit Suisse and its affiliates have in the past provided, are currently providing and in the future may provide investment banking and other financial services to HCA as well as the private investment firms whose affiliates are shareholders of Parent, and their respective affiliates, for which Credit Suisse has received, and would expect to receive, compensation. During the past two years, Credit Suisse has not provided financial advisory or financing services to HCA or its affiliates other than with respect to the services it rendered to the special committee in connection with the proposed merger. Credit Suisse and certain of its affiliates and employees and certain private investment funds affiliated or associated with Credit Suisse have invested in private equity funds managed or advised by the private investment firms whose affiliates are shareholders of Parent. In the ordinary course of business, Credit Suisse and its affiliates may acquire, hold or sell, for their own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of HCA, Parent and affiliates of the shareholders of Parent and, accordingly, may at any time hold a long or short position in such securities.

Credit Suisse will receive a customary fee for its services, a portion of which is a fee for rendering its opinion. The aggregate fee will be increased if the merger is completed. In addition, HCA has agreed to reimburse Credit Suisse for out-of-pocket fees and expenses, including attorney's fees, incurred in connection with its engagement and to indemnify Credit Suisse and related parties against liabilities, including liabilities under the federal securities laws, arising out of its engagement.

***Opinion of Morgan Stanley & Co. Incorporated***

The special committee retained Morgan Stanley to provide it with financial advisory services and a financial opinion in connection with the evaluation of a potential sale or recapitalization of all or substantially all of the economic interests in HCA. The special committee selected Morgan Stanley to act as its financial advisor based on Morgan Stanley's qualifications, expertise and reputation as an advisor to special committees in affiliate transactions. At the meeting of the special committee on July 23, 2006, Morgan Stanley rendered its oral opinion, subsequently confirmed in writing, that as of July 23, 2006, and based upon and subject to the assumptions, qualifications and limitations set forth in the opinion, the consideration to be received by the unaffiliated shareholders pursuant to the merger agreement was fair from a financial point of view to such holders.

**The full text of the written opinion of Morgan Stanley, dated as of July 23, 2006, is attached to this proxy statement as Annex C. The opinion sets forth, among other things, the assumptions made, procedures followed, matters considered and limitations on the scope of the review undertaken by Morgan Stanley in rendering its opinion. We encourage you to read the entire opinion carefully. Morgan Stanley's opinion is directed to the special committee of HCA's board of directors and addresses only the**

**fairness from a financial point of view of the consideration to be received by the unaffiliated shareholders pursuant to the merger agreement as of the date of the opinion. It does not address any other aspects of the merger. The opinion, and the other views and analysis of Morgan Stanley referenced throughout this proxy statement, do not constitute a recommendation to any holder of HCA Common Stock as to how to vote at the shareholders meeting to be held in connection with this transaction. None of Morgan Stanley's opinion or other views or analysis referenced throughout this proxy statement addresses the fairness of the consideration to be received by Dr. Frist, members of the Frist family and his and their affiliates (including the Frist Entities), the Management Rollover Holders, or shareholders who are affiliates of Parent. The summary of the opinion of Morgan Stanley set forth in this proxy statement is qualified in its entirety by reference to the full text of the opinion.**

In connection with rendering its opinion, Morgan Stanley, among other things:

reviewed certain publicly available financial statements and other information of HCA;

reviewed certain internal financial statements and other financial and operating data concerning HCA prepared by the management of HCA;

reviewed certain financial projections of HCA prepared by the management of HCA;

discussed the past and current operations and financial condition and the prospects of HCA with senior executives of HCA;

reviewed the reported prices and trading activity for HCA Common Stock;

compared the financial performance of HCA and the prices and trading activity of HCA Common Stock with that of certain other comparable publicly traded companies and their securities;

reviewed the financial terms, to the extent publicly available, of certain comparable acquisition transactions;

participated in discussions and negotiations among representatives of the special committee and the Investor Group and their financial and legal advisors;

reviewed the merger agreement, the debt and equity financing commitments provided to Parent by certain lending institutions and private equity funds, the commitments by the Frist Entities to contribute shares of HCA Common Stock to Parent, each substantially in the form of the drafts dated July 23, 2006, and certain related documents; and

performed such other analyses and considered other such factors as Morgan Stanley deemed appropriate.

In arriving at its opinion, Morgan Stanley assumed and relied upon, without independent verification, the accuracy and completeness of the information reviewed by Morgan Stanley. With respect to the financial projections, Morgan Stanley assumed that they had been reasonably prepared on bases reflecting the best available estimates and judgments of the future financial performance of HCA. Morgan Stanley also assumed that the merger would be consummated in accordance with the terms set forth in the merger agreement without any waiver, amendment or delay of any terms or conditions including, among other things, that Parent would obtain financing for the merger in accordance with the terms set forth in the financing agreements and that the transactions contemplated by the commitment letters entered into by the Frist Entities and the Management Rollover Holders would be consummated in accordance with their terms. Morgan Stanley also assumed that in connection with the receipt of all the necessary governmental, regulatory or other approvals and consents required for the merger, no delays, limitations, conditions or restrictions would be imposed that would have an adverse effect on the contemplated benefits expected to be derived

in the merger. Morgan Stanley is not a legal, tax or regulatory advisor and relied upon, without independent verification, the assessment of HCA and its legal, tax or regulatory advisors with respect to such matters.

**Table of Contents**

Morgan Stanley's opinion did not address the fairness of any consideration to be received by Dr. Frist, members of the Frist family and his and their affiliates (including the Frist Entities), the Management Rollover Holders or shareholders who are affiliates of Parent, the relative merits of the merger as compared to alternative transactions or strategies that might be available to HCA, or the underlying business decision of HCA to enter into the merger. Morgan Stanley did not make any independent valuation or appraisal of the assets or liabilities of HCA nor was Morgan Stanley furnished with any such appraisals. Morgan Stanley understands that, in accordance with the Company's restated certificate of incorporation, filed with the Delaware Secretary of State on February 3, 2004, the voting and nonvoting HCA Common Stock will receive the same consideration in the proposed merger and, for purposes of its opinion and related analyses, Morgan Stanley treated the voting and nonvoting HCA Common Stock as identical in all material respects. Morgan Stanley's opinion was necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to Morgan Stanley as of, July 23, 2006. Events occurring after such date may affect Morgan Stanley's opinion and the assumptions used in preparing it, and Morgan Stanley did not assume any obligation to update, revise or reaffirm its opinion.

In arriving at its opinion, Morgan Stanley was not authorized to solicit, and did not solicit, interest from any party with respect to the acquisition of HCA or any of its assets (but did note that it has been so authorized for a period of time following execution of the merger agreement, subject to the terms, conditions and procedures set forth therein), nor did Morgan Stanley negotiate with any parties other than Parent with respect to a possible acquisition of HCA or certain of its constituent businesses.

Morgan Stanley is an internationally recognized investment banking and advisory firm. Morgan Stanley, as part of its investment banking and financial advisory business, is continuously engaged in the valuation of businesses and securities in connection with mergers and acquisitions, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements and valuations for corporate, estate and other purposes. In the ordinary course of Morgan Stanley's trading and brokerage activities, Morgan Stanley or its affiliates may at any time hold long or short positions, and may trade or otherwise effect transactions, for its own account or for the account of customers in the equity and other securities of HCA, affiliates of Parent or any other parties, commodities or currencies involved in the merger. In addition, Morgan Stanley, its affiliates, directors or officers may have committed and may commit in the future to invest in private equity funds sponsored by affiliates of Bain, KKR, and Merrill Lynch Global Private Equity. Morgan Stanley and its affiliates have provided financial advisory and financing services to Bain and KKR and have previously received fees in connection with such services. During the past two years, Morgan Stanley has not provided financial advisory or financing services to HCA or its affiliates other than with respect to the services it rendered to the special committee in connection with the proposed merger.

Under the terms of its engagement letter, Morgan Stanley provided the special committee financial advisory services and a financial opinion in connection with the merger, and HCA has agreed to pay Morgan Stanley a customary fee for its services. However, the fee was not contingent upon the outcome of Morgan Stanley's financial opinion. HCA has also agreed to reimburse Morgan Stanley for certain of its expenses, including attorneys' fees, incurred in connection with its engagement. In addition, HCA has agreed to indemnify Morgan Stanley and any of its affiliates, their respective directors, officers, agents and employees and each person, if any, controlling Morgan Stanley or any of its affiliates against certain liabilities and expenses, including certain liabilities under the federal securities laws, relating to or arising out of its engagement and any related transactions.

***Financial Analyses***

In preparing their respective opinions to the special committee, Credit Suisse and Morgan Stanley performed a variety of financial and comparative analyses, including those described below. The summary of the analyses described below is not a complete description of the analyses underlying their opinions. The preparation of a fairness opinion is a complex process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the

**Table of Contents**

particular circumstances and, therefore, a fairness opinion is not readily susceptible to partial analysis or summary description. In arriving at their respective opinions, each of Credit Suisse and Morgan Stanley made qualitative judgments as to the significance and relevance of each analysis and factor that it considered. Credit Suisse and Morgan Stanley arrived at their ultimate opinions based on the results of all analyses undertaken and assessed as a whole and did not draw, in isolation, conclusions from or with regard to any one factor or method of analysis. Accordingly, Credit Suisse and Morgan Stanley believe that their analyses must be considered as a whole and that selecting portions of their analyses and factors or focusing on information presented in tabular format, without considering all analyses and factors or the narrative description of the analyses, could create a misleading or incomplete view of the processes underlying their analyses and opinions.

In their analyses, Credit Suisse and Morgan Stanley considered industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of HCA. No company, transaction or business used in Credit Suisse and Morgan Stanley's analyses as a comparison is identical to HCA, its business or the proposed merger, and an evaluation of the results of those analyses is not entirely mathematical. Rather, the analyses involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the acquisition, public trading or other values of the companies, business segments or transactions analyzed. The estimates contained in the analyses of Credit Suisse and Morgan Stanley and the ranges of valuations resulting from any particular analysis are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than those suggested by the analyses. In addition, analyses relating to the value of businesses or securities do not purport to be appraisals or to reflect the prices at which businesses or securities actually may be sold. Accordingly, the estimates used in, and the results derived from, Credit Suisse and Morgan Stanley's analyses are inherently subject to substantial uncertainty.

The merger consideration was determined through arm's-length negotiations between the special committee and the sponsors and was recommended by the special committee for approval by HCA's board of directors and was approved by the board of directors. Credit Suisse and Morgan Stanley provided advice to the special committee. Credit Suisse and Morgan Stanley did not recommend any specific merger consideration to the special committee or that any specific merger consideration constituted the only appropriate merger consideration for the merger. The opinions and financial analyses of Credit Suisse and Morgan Stanley were only one of many factors considered by the special committee in its evaluation of the proposed merger and should not be viewed as determinative of the views of the special committee, the board of directors or management with respect to the merger or the merger consideration.

The following is a summary of the material financial analyses that underlie the opinions of Credit Suisse and Morgan Stanley and which were reviewed with the special committee on July 23, 2006. The financial analyses summarized below include information presented in tabular format. In order to fully understand Credit Suisse and Morgan Stanley's financial analyses, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses. Considering the data in the tables below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of Credit Suisse and Morgan Stanley's financial analyses.

***Discounted Cash Flow Analysis***

Credit Suisse and Morgan Stanley performed a discounted cash flow analysis to calculate the estimated present value of the unlevered, after-tax free cash flow of HCA. The financial forecast was based on internal estimates of HCA's management. Credit Suisse and Morgan Stanley calculated ranges of estimated terminal values by multiplying calendar year 2011 estimated earnings before interest, taxes, depreciation and amortization, commonly referred to as EBITDA, by selected multiples ranging from 6.5x to 8.0x. The estimated after-tax free cash flows and terminal values were then discounted to present value

**Table of Contents**

at June 30, 2006 using discount rates of 7.0% to 8.0%. This analysis indicated the following implied per share equity reference range for HCA, as compared to the per share merger consideration:

<b>Implied Per Share Equity Reference Range For HCA</b>	<b>Per Share Merger Consideration</b>
\$43.16 - \$58.01	\$ 51.00

***Selected Companies Analysis***

Using publicly available information, Credit Suisse and Morgan Stanley reviewed the market values and trading multiples of the following three publicly traded urban hospital companies and three publicly traded rural hospital companies:

**Urban Hospital Companies**

Tenet Healthcare Corporation

Triad Hospitals, Inc.

Universal Health Services, Inc.

**Rural Hospital Companies**

Health Management Associates, Inc.

Community Health Systems, Inc.

LifePoint Hospitals, Inc.

Multiples for the selected companies were based, in part, on closing stock prices as of July 18, 2006. Estimated data were based on publicly available equity research analysts' estimates. Estimated data for HCA were based on internal estimates of HCA's management and publicly available equity research analysts' estimates. Credit Suisse and Morgan Stanley compared enterprise values as multiples of calendar years 2006 and 2007 estimated EBITDA. They also compared equity values per share as multiples of calendar years 2006 and 2007 estimated earnings per share, commonly referred to as P/E. Credit Suisse and Morgan Stanley then applied ranges of selected multiples described above for the selected companies to the corresponding financial data, based on internal estimates of HCA's management, in order to derive an implied enterprise value reference range. HCA's net debt as of June 30, 2006 was then deducted and other adjustments were made, as appropriate, in order to derive an implied equity reference range for HCA from which an implied per share equity reference range was derived. Credit Suisse and Morgan Stanley then compared this implied per share equity reference range against the per share merger consideration. This analysis indicated the following implied per share equity reference range for HCA, as compared to the per share merger consideration:

<b>Implied Per Share Equity Reference Range For HCA</b>	<b>Per Share Merger Consideration</b>
\$36.00 - \$46.00	\$ 51.00

***Selected Transactions Analysis***

Using publicly available information, Credit Suisse and Morgan Stanley reviewed the transaction value multiples in eight selected transactions, which transactions involved companies with businesses and holdings similar to those of HCA's:

The Blackstone Group (led by)

Texas Pacific Group (led by)

HCA Inc.

Triad Hospitals, Inc.

Multiples for the selected transactions were based on publicly available financial information. Estimated data for HCA was based on internal estimates of HCA's management. Credit Suisse and Morgan Stanley compared enterprise values in the selected transactions as multiples of the latest 12 months revenue and EBITDA. Credit Suisse and Morgan Stanley then applied ranges of selected multiples described above for the selected transactions to the corresponding financial data, based on internal estimates of HCA's management, in order to derive an implied enterprise value reference range. HCA's net debt as of June 30, 2006 was then deducted and other adjustments were made in order to derive an implied equity reference range for HCA from which an implied per share equity reference range was derived. Credit Suisse and Morgan Stanley then compared this implied per share equity reference range against the per share merger consideration. This analysis indicated the following implied per share equity reference range for HCA, as compared to the per share merger consideration:

<b>Implied Per Share Equity Reference Range For HCA</b>	<b>Per Share Merger Consideration</b>

A copy of Credit Suisse and Morgan Stanley's written presentation to the special committee of the board of directors of HCA has been attached as an exhibit to the Schedule 13E-3 filed with the SEC in connection with the merger. The written presentation will be available for any interested HCA shareholder (or any representative of the shareholder who has been so designated in writing) to inspect and copy at our principal executive offices during regular business hours. Alternatively, you may inspect and copy the presentation at the office of, or obtain them by mail from, the SEC.

**Position of Management Investors as to Fairness**

Under a potential interpretation of the rules governing going private transactions, the Management Investors may be deemed to be engaged in a going private transaction and required to express their beliefs as to the fairness of the merger to our unaffiliated shareholders. The Management Investors are making the statements included in this section solely for the purposes of complying with the requirements of Rule 13e-3 and related rules under the Exchange Act.

The views of the Management Investors as to the fairness of the merger should not be construed as a recommendation to any shareholder as to how that shareholder should vote on the proposal to adopt the merger agreement. The Management Investors have interests in the merger different from, and in addition to, those of the other shareholders of HCA. These interests are described under **Interests of the Company's Directors and Executive Officers in the Merger**.

The Management Investors did not undertake a formal evaluation of the merger or engage a financial advisor for such purpose. The unaffiliated shareholders, however, were represented by the Company's special committee, which negotiated the terms and conditions of the merger agreement on their behalf, with the assistance of its independent financial and legal advisors. The Management Investors believe that the merger agreement and the merger are substantively and procedurally fair to the unaffiliated shareholders and agree with the analyses and conclusions of the special committee and the board of directors based upon the reasonableness of those analyses and conclusions, which they adopt, and their knowledge of HCA, as well as the factors considered by, and the findings of, the special committee and the board of directors with respect to the fairness of the merger to such unaffiliated shareholders (see

**Reasons for the Merger; Recommendation of the Special Committee and of Our Board of Directors; Fairness of the Merger** ). In addition, the Management Investors considered the fact that the special committee received opinions from Credit Suisse and Morgan Stanley to the effect that, as of the date of the fairness opinions, and based upon and subject to the various factors, assumptions and limitations set out in the fairness opinions, the \$51.00 price per share to be received by the unaffiliated shareholders was fair to such shareholders from a financial point of view (see **Reasons for the Merger; Recommendation of the Special Committee and of Our Board of Directors; Fairness of the Merger** ).

While the Management Investors are directors of HCA, because of their differing interests in the merger they did not participate in the negotiation of the merger agreement or the evaluation or approval of

**Table of Contents**

the merger agreement and the merger. For these reasons, the Management Investors do not believe that their interests in the merger influenced the decision of the special committee or the board of directors with respect to the merger agreement or the merger.

The foregoing discussion of the information and factors considered and given weight by the Management Investors in connection with the fairness of the merger agreement and the merger is not intended to be exhaustive but is believed to include all material factors considered by the Management Investors. The Management Investors did not find it practicable to, and did not, quantify or otherwise attach relative weights to the foregoing factors in reaching their position as to the fairness of the merger agreement and the merger. The Management Investors believe that these factors provide a reasonable basis for their belief that the merger is fair to the unaffiliated shareholders.

**Position of Dr. Frist as to Fairness**

Under a potential interpretation of the rules governing going private transactions, Dr. Frist and certain related persons who are part of the Investor Group may be deemed to be engaged in a going private transaction and required to express their beliefs as to the fairness of the merger to our unaffiliated shareholders. The aforementioned persons are making the statements included in this section solely for the purposes of complying with the requirements of Rule 13e-3 and related rules under the Exchange Act.

The views of Dr. Frist as to the fairness of the merger should not be construed as a recommendation to any shareholder as to how that shareholder should vote on the proposal to approve the merger agreement. Dr. Frist has interests in the merger different from, and in addition to, those of the other shareholders of HCA. These interests are described under Interests of the Company's Directors and Executive Officers in the Merger.

Dr. Frist did not undertake a formal evaluation of the merger or engage a financial advisor for such purposes, nor did he participate directly in the negotiation of the merger agreement with the Company or the special committee. The unaffiliated shareholders, however, were represented by the Company's special committee, which negotiated the terms and conditions of the merger agreement on their behalf, with the assistance of its independent financial and legal advisors. Dr. Frist believes that the merger agreement and the merger are substantively and procedurally fair to the unaffiliated shareholders and agrees with the analyses and conclusions of the special committee and the board of directors based upon the reasonableness of those analyses and conclusions, which he adopts, and his knowledge of HCA, as well as the factors considered by, and the findings of, the special committee and the board of directors with respect to the fairness of the merger to such unaffiliated shareholders (see Reasons for the Merger; Recommendation of the Special Committee and of Our Board of Directors; Fairness of the Merger).

In addition, Dr. Frist considered the fact that the special committee received opinions from Credit Suisse and Morgan Stanley to the effect that, as of the date of the fairness opinions, and based upon and subject to the various factors, assumptions and limitations set out in the fairness opinions, the \$51.00 price per share to be received by the unaffiliated shareholders was fair to such shareholders from a financial point of view (see Reasons for the Merger; Recommendation of the Special Committee and of Our Board of Directors; Fairness of the Merger).

While Dr. Frist is a director of HCA, because of his differing interests in the merger, he did not serve on the special committee and consequently did not participate in the negotiation of the merger agreement or the special committee's evaluation or approval of the merger agreement and the merger or the board of directors' evaluation of the special committee's recommendation of the approval of the merger agreement and the merger. For these reasons, Dr. Frist does not believe that his interests in the merger influenced the decision of the special committee or the board of directors with respect to the merger agreement or the merger.

The foregoing discussion of the information and factors considered and given weight by Dr. Frist in connection with the fairness of the merger agreement and the merger is not intended to be exhaustive but is believed to include all material factors considered by Dr. Frist. Dr. Frist did not find it practicable to,

**Table of Contents**

and did not, quantify or otherwise attach relative weights to the foregoing factors in reaching his position as to the fairness of the merger agreement and the merger. Dr. Frist believes that these factors provide a reasonable basis for his belief that the merger is fair to the unaffiliated shareholders.

**Purposes, Reasons and Plans for HCA after the Merger**

The purpose of the merger for HCA is to enable its unaffiliated shareholders to immediately realize the value of their investment in HCA through their receipt of the per share merger price of \$51.00 in cash. Another purpose of the merger is to create greater operating flexibility, allowing management to concentrate on long-term growth rather than the short-term expectations of the financial markets. In light of the foregoing, and given our stock price and the economic and market conditions affecting us and our industry sector as a whole, we believe our long-term objectives can best be pursued as a private company.

The reason for structuring the transaction as a merger is to effect the transaction following the approval of the holders of a majority of the shares of the voting HCA Common Stock. The reasons for undertaking the transaction at this time are described above under Background of the Merger.

It is expected that, upon consummation of the merger (and excluding the transactions contemplated in connection with the merger as described in this proxy statement), the operations of HCA will be conducted substantially as they currently are being conducted. The Investor Group has advised HCA that it does not have any current intentions, plans or proposals to cause us to engage in any of the following:

an extraordinary corporate transaction following consummation of the merger involving HCA's corporate structure, business or management, such as a merger, reorganization or liquidation,

the relocation of any material operations or sale or transfer of a material amount of assets, or

any other material changes in its business.

Nevertheless, following consummation of the merger, the management and/or board of directors of the surviving corporation may initiate a review of the surviving corporation and its assets, corporate and capital structure, capitalization, operations, business, properties and personnel to determine what changes, if any, would be desirable following the merger to enhance the business and operations of the surviving corporation and may cause the surviving corporation to engage in the types of transactions set forth above if the management and/or board of directors of the surviving corporation decides that such transactions are in the best interest of the surviving corporation upon such review. The surviving corporation expressly reserves the right to make any changes it deems appropriate in light of such evaluation and review or in light of future developments.

**Certain Effects of the Merger**

If the merger agreement is adopted by the Company's shareholders, certain other conditions to the closing of the merger are either satisfied or waived and the marketing period that Parent is entitled to use to complete the financing for the merger has expired, Merger Sub will be merged with and into HCA, with HCA being the surviving corporation.

Upon the consummation of the merger, each share of HCA Common Stock issued and outstanding immediately prior to the effective time of the merger (other than shares held in the treasury of the Company, owned by Parent immediately prior to the effective time of the merger or held by shareholders who are entitled to and who properly exercise appraisal rights under Delaware law) will be converted into the right to receive \$51.00 in cash, without interest and less any applicable withholding taxes. Upon the consummation of the merger, unless otherwise agreed between a holder and Parent, all outstanding options to acquire HCA Common Stock will become fully vested and immediately exercisable and all such options (other than certain options held by certain of the Management Rollover Holders) not exercised prior to the merger will be cancelled and converted into a right to receive a cash payment equal to the number of shares of HCA Common Stock underlying the options multiplied by the amount (if any) by which \$51.00 exceeds the option exercise price, without interest and less any applicable withholding taxes. Unless

**Table of Contents**

otherwise agreed between a holder and Parent, all shares of restricted stock and restricted share units will vest and be cancelled and converted into the right to receive a cash payment equal to the number of outstanding restricted shares and restricted share units multiplied by \$51.00 (together with the value of any deemed dividend equivalents accrued but unpaid with respect to restricted share units), without interest and less any applicable withholding taxes.

Following the merger, the entire equity in the surviving corporation will ultimately be owned through Parent by the members of the Investor Group, and any additional investors that the members of the Investor Group permit to invest in Parent, and directly by the Management Rollover Holders. If the merger is completed, the members of the Investor Group, any additional investors that the members of the Investor Group permit to invest in Parent and the Management Rollover Holders will be the sole beneficiaries of our future earnings and growth, if any, and will be entitled to vote on corporate matters affecting HCA following the merger. Similarly, the members of the Investor Group, any investors that the members of the Investor Group permit to invest in Parent, and the Management Rollover Holders will also bear the risks of ongoing operations, including the risks of any decrease in our value after the merger and the operational and other risks related to the incurrence by the surviving corporation of significant additional debt as described below under Financing of the Merger.

If the merger is completed, HCA's unaffiliated shareholders will have no interest in HCA's net book value or net earnings. The table below sets forth the direct and indirect interests in HCA's net book value and net earnings of each of Dr. Frist, Jack O. Bovender, Jr. and Richard M. Bracken prior to and immediately after the merger, based upon the net book value of HCA at June 30, 2006 and net income of HCA for the six months ended June 30, 2006. Following the merger, the entire interest in HCA's net book value and net income that is not ultimately held by the Frist Entities, Jack O. Bovender, Jr., Richard M. Bracken or the Management Rollover Holders will be held through Parent by the other members of the Investor Group and any additional investors that the members of the Investor Group permit to invest in Parent or the surviving corporation.

(1) Based upon beneficial ownership as of July 31, 2006, excluding any options (whether or not exercisable), and HCA's net book value at June 30, 2006 and net income for the six months ended June 30, 2006.

(2) Based upon the agreed upon equity investments and HCA's net book value at June 30, 2006 and net income for the six months ended June 30, 2006, and without giving effect to any additional indebtedness to be incurred in connection with the merger.

In connection with the merger, the Management Rollover Holders will receive benefits and be subject to obligations in connection with the merger that are different from, or in addition to, the benefits and obligations of HCA shareholders generally, as described in more detail under Interests of the Company's Directors and Executive Officers in the Merger. The incremental benefits include the right and commitment of the Management Rollover Holders to make an agreed upon minimum equity investment in the surviving corporation in cash and/or by exchanging a portion of their HCA options for equity interests in, and options to acquire equity interests in, the

surviving corporation, as well as the option, prior to the consummation of the merger, to make additional equity investments (up to an amount and at a time to be determined) on substantially the same terms and conditions as the agreed upon equity investments. A detriment to the Management Rollover Holders is that their new options may not be exercisable for shares registered under the federal securities laws and such shares will be relatively illiquid

**Table of Contents**

without an active public trading market for such securities. The equity interests received upon exercise of these options will also be subject to a shareholders agreement restricting the ability of the Management Rollover Holders to sell such equity. Additional incremental benefits to the Senior Management Group (as defined below under **Interests of the Company's Directors and Executive Officers in the Merger**) include, among others, continuing as executive officers of the surviving corporation and executing employment and related agreements with the surviving corporation. Furthermore, it is contemplated that Mr. Bovender will continue as the chairman of the board of directors and chief executive officer of the surviving corporation, and that Mr. Bracken will continue as the president and a director of the surviving corporation. A potential detriment to the Management Rollover Holders is that the Investor Group will own a majority of Parent's shares, will control the board of directors of Parent and the surviving corporation and will be able to exert substantial influence over the governance and operations of Parent and the surviving corporation following the merger.

Additional incremental benefits to the Frist Entities include having the right to appoint two directors to Parent's board of directors after the completion of the merger and receiving tax-free treatment (other than with respect to any cash received by the Frist Entities in the merger) with respect to the contribution of shares of HCA Common Stock to Parent pursuant to the roll over commitment letter discussed under **Interests of the Company's Directors and Executive Officers in the Merger**.

HCA's Common Stock is currently registered under the Exchange Act and is quoted on the NYSE under the symbol HCA. As a result of the merger, HCA will be a privately held corporation, and there will be no public market for its common stock. After the merger, the HCA Common Stock will cease to be quoted on the NYSE, and price quotations with respect to sales of shares of common stock in the public market will no longer be available. In addition, registration of the HCA Common Stock under the Exchange Act will be terminated.

At the effective time of the merger, the directors of Merger Sub will become the directors of the surviving corporation and the current officers of HCA will become the officers of the surviving corporation. The certificate of incorporation of HCA will be amended to be the same as the certificate of incorporation of Merger Sub as in effect immediately prior to the effective time of the merger, except that the name of the surviving corporation shall continue to be HCA Inc. The bylaws of Merger Sub in effect immediately prior to the effective time of the merger will become the bylaws of the surviving corporation.

**Effects on the Company if the Merger is Not Completed**

If the merger agreement is not adopted by HCA's shareholders or if the merger is not completed for any other reason, shareholders will not receive any payment for their shares in connection with the merger. Instead, HCA will remain an independent public company and the HCA Common Stock will continue to be listed and traded on the NYSE. In addition, if the merger is not completed, we expect that management will operate the business in a manner similar to that in which it is being operated today and that HCA shareholders will continue to be subject to the same risks and opportunities as they currently are, including, among other things, the nature of the health care services industry on which HCA's business largely depends, and general industry, economic, regulatory and market conditions. Accordingly, if the merger is not consummated, there can be no assurance as to the effect of these risks and opportunities on the future value of your HCA shares. From time to time, HCA's board of directors will evaluate and review, among other things, the business operations, properties, dividend policy and capitalization of HCA and make such changes as are deemed appropriate and continue to seek to identify strategic alternatives to enhance shareholder value. If the merger agreement is not adopted by HCA's shareholders or if the merger is not consummated for any other reason, there can be no assurance that any other transaction acceptable to HCA will be offered, or that the business, prospects or results of operations of HCA will not be adversely impacted.

**Table of Contents**

**Delisting and Deregistration of HCA Common Stock**

If the merger is completed, the HCA Common Stock will be delisted from the NYSE and deregistered under the Exchange Act.

**Accounting**

For financial reporting purposes, the merger will be accounted for as a recapitalization, pursuant to which the historical bases of HCA's assets and liabilities will be preserved following the merger.

**Regulatory Approvals**

Under the HSR Act and the rules promulgated thereunder by the FTC, the merger cannot be completed until HCA and Parent file a notification and report form under the HSR Act and the applicable waiting period has expired or been terminated. HCA and Parent filed notification and report forms under the HSR Act with the FTC and the Antitrust Division of the DOJ on August 7, 2006. Depending on the final structure of Parent, individual members of the Frist family may also be required to file notification and report forms with the FTC and the Antitrust Division of the DOJ in connection with the merger. At any time before or after consummation of the merger, notwithstanding the early termination of the waiting period under the HSR Act, the Antitrust Division or the FTC could take such action under the antitrust laws as it deems necessary or desirable in the public interest, including seeking to enjoin the consummation of the merger or seeking divestiture of substantial assets of HCA or Parent. At any time before or after the consummation of the merger, and notwithstanding the early termination of the waiting period under the HSR Act, any state could take such action under the antitrust laws as it deems necessary or desirable in the public interest. Such action could include seeking to enjoin the consummation of the merger or seeking divestiture of substantial assets of HCA or Parent. Private parties may also seek to take legal action under the antitrust laws under certain circumstances.

While there can be no assurance that the merger will not be challenged by a governmental authority or private party on antitrust grounds, HCA, based on a review of information provided by Parent relating to the businesses in which it and its affiliates are engaged, believes that the merger can be effected in compliance with federal and state antitrust laws. The term "antitrust laws" means the Sherman Act, as amended, the Clayton Act, as amended, the HSR Act, the Federal Trade Commission Act, as amended, and all other Federal and state statutes, rules, regulations, orders, decrees, administrative and judicial doctrines, and other laws that are designed or intended to prohibit, restrict or regulate actions having the purpose or effect of monopolization or restraint of trade.

Though not a condition to the consummation of the merger, United States federal and state laws and regulations, as well as the laws and regulations of the United Kingdom and Switzerland, may require that HCA or Parent obtain approvals or certificates of need from, file new license and/or permit applications with, and/or provide notice to, applicable governmental authorities in connection with the merger.

**Financing of the Merger**

Parent estimates that the total amount of funds necessary to complete the proposed merger and the related transactions is approximately \$26 billion, which includes approximately \$21 billion to be paid to HCA's shareholders and holders of other equity-based interests in HCA, with the remaining funds to be used to refinance certain existing indebtedness, including HCA's bank debt, HCA's 8.850% Medium Term Notes due 2007, 7.000% Notes due 2007, 7.250% Notes due 2008, 5.250% Notes due 2008 and 5.500% Notes due 2009 (or an equivalent amount of HCA's other existing notes), and to pay customary fees and expenses in connection with the proposed merger, the financing arrangements and the related transactions.

Pursuant to the merger agreement, Parent and Merger Sub are obligated to use their reasonable best efforts to obtain the debt financing described below as promptly as practicable taking into account the expected timing of the marketing period and the December 19, 2006 (or if the marketing period is not

**Table of Contents**

completed by then, January 31, 2007) termination date. In the event that any portion of the debt financing becomes unavailable on the terms contemplated in the agreements in respect thereof, Parent is obligated to use its reasonable best efforts to arrange alternative financing from alternative sources on terms no less favorable to Parent (as determined in the reasonable judgment of Parent).

The following arrangements are intended to provide the necessary financing for the merger:

***Equity Financing***

Parent has received equity commitment letters from private equity funds affiliated with Bain, KKR and Merrill Lynch Global Private Equity, pursuant to which these funds have each committed to contribute \$1.5 billion in cash to Parent in connection with the proposed merger. The parties to the commitment letters have the right to assign up to 50% of their committed amounts to other investors. In that regard, Parent has received equity commitment letters from Citigroup and Banc of America Securities pursuant to which such entities have committed to contribute \$400 million and \$200 million, respectively, to Parent in connection with the proposed merger. Parent, in its sole discretion, may however reduce the committed amounts from Citigroup and Banc of America Securities, provided in the case of Citigroup, the committed amount may not be reduced below \$150 million. To the extent that Citigroup, Banc of America Securities or other assignees make equity commitments, the amounts funded by the private equity funds affiliated with each of Bain, KKR and Merrill Lynch Global Private Equity will be reduced on a pro rata basis. The obligation to fund commitments under the equity commitment letters is subject to the satisfaction or waiver by Parent of the conditions precedent to Parent's and Merger Sub's obligation to complete the merger.

In addition, the Frist Entities have committed to contribute 15,686,275 shares of HCA Common Stock to Parent in exchange for equity interests in Parent. The shares contributed will be cancelled and retired, and will not be entitled to receive any merger consideration upon completion of the merger. The Frist Entities, Parent and the sponsors agreed to cooperate to structure the contribution of the HCA Common Stock held by the Frist Entities to Parent as a tax-free exchange (other than with respect to any cash received by the Frist Entities in the merger) to the extent permitted by law, and agreed that none of Parent or any member of the Investor Group may amend, modify or waive any provision of the merger agreement that would result in an adverse change in the ability of the Frist Entities to contribute the equity held by them to Parent in a tax-free exchange (other than with respect to any cash received by the Frist Entities in the merger). The obligation to contribute the shares is subject to the satisfaction or waiver by Parent of the conditions precedent to Parent's and Merger Sub's obligation to complete the merger and will occur contemporaneously with the consummation of the merger.

***Debt Financing***

Parent has received a debt commitment letter, dated as of July 24, 2006, from Bank of America, N.A. ( Bank of America ), Banc of America Bridge LLC ( Banc of America Bridge ), Banc of America Securities, JPMorgan Chase Bank, N.A. ( JPMCB ), J.P. Morgan Securities Inc. ( JPMSI ), Citigroup Global Markets Inc. ( CGMI ), Merrill Lynch Capital Corporation ( MLCC ) and Merrill Lynch, Pierce, Fenner & Smith Incorporated ( MLPF&S ) and, together with Bank of America, Banc of America Bridge, Banc of America Securities, JPMCB, JPMSI, CGMI, and MLCC, the Debt Financing Sources ) pursuant to which, subject to the conditions set forth therein:

Bank of America, JPMCB, CGMI and MLCC have each severally and not jointly committed to provide (each committing to 25%) to HCA and, in the case of the European Term Facility (as defined below), one or more of its subsidiaries, up to \$16.80 billion of senior secured credit facilities, for the purpose of financing the merger, repaying or refinancing certain existing indebtedness of HCA and its subsidiaries, paying fees and expenses incurred in connection with the merger and providing ongoing working capital and for other general corporate purposes of the surviving corporation and its subsidiaries; and

**Table of Contents**

CGMI, Banc of America Bridge, JPMCB and MLCC have each severally and not jointly committed to provide (each committing to 25%) to HCA, up to \$5.70 billion of senior secured second lien loans under a bridge facility, for the purpose of financing the merger, repaying or refinancing certain existing indebtedness of HCA and its subsidiaries and paying fees and expenses incurred in connection with the merger.

The debt commitments expire on January 31, 2007. The documentation governing the senior secured credit facilities and the bridge facility has not been finalized and, accordingly, the actual terms of such facilities may differ from those described in this proxy statement.

***Conditions Precedent to the Debt Commitments***

The availability of the senior secured credit facilities and the bridge facilities is subject to, among other things, there not having occurred since December 31, 2005 any change or condition that would constitute a material adverse effect on the company as defined in the merger agreement (see The Merger Agreement Representations and Warranties), consummation of the merger in accordance with the merger agreement (and no provision thereof being waived or amended in a manner materially adverse to the lenders without the consent of the Debt Financing Sources) and the negotiation, execution and delivery of definitive documentation.

***Senior Secured Credit Facilities***

*General.* The borrower under the senior secured credit facilities will be, in the case of the senior secured credit facilities other than the European Term Facility, HCA, and, in the case of the European Term Facility, one or more of its subsidiaries. The senior secured credit facilities will be comprised of a \$2.25 billion senior secured tranche A term loan facility with a term of six years, a \$9.30 billion senior secured tranche B term loan facility (increased to the extent the amount funded under the asset-based revolving credit facility referred to below is less than \$1.75 billion at the closing of the merger) with a term of seven years, a \$1.25 billion (U.S. equivalent) senior secured European term loan facility (the European Term Facility) with a term of seven years, available in Euros, U.S. dollars and other currencies to be mutually agreed, a \$2.00 billion senior secured asset-based revolving credit facility with a term of six years and a \$2.00 billion senior secured revolving credit facility with a term of six years. Each revolving credit facility will include sublimits for the issuance of letters of credit and swingline loans and a portion of the letter of credit availability under the asset-based revolving credit facility will be available in Euros and other currencies to be agreed upon. No alternative financing arrangements or alternative financing plans have been made in the event that the senior secured credit facilities are not available as anticipated.

Banc of America Securities, JPMSI, CGMI and MLPF&S have been appointed as joint lead arrangers and joint bookrunners for the senior secured credit facilities. Bank of America will be the sole administrative agent, each of JPMCB and an affiliate of CGMI will be co-syndication agents and MLCC will be documentation agent for the senior secured credit facilities. In addition, additional agents or co-agents for the senior secured credit facilities may be appointed prior to consummation of the merger.

*Interest Rate and Fees.* Loans under the senior secured credit facilities are expected to bear interest, at the borrower's option, at (1) a rate equal to LIBOR (London Interbank Offered Rate) plus an applicable margin or (2) a rate equal to the higher of (a) the prime rate of Bank of America and (b) the federal funds effective rate plus 0.50%, plus an applicable margin. After the effective date of the merger, the applicable margins will be subject to decrease pursuant to a leverage-based pricing grid.

In addition, the surviving corporation will pay customary commitment fees (subject to decreases based on leverage) and letter of credit fees under the revolving credit facilities. Upon the initial funding of the senior secured credit facilities, Parent has also agreed to pay an underwriting fee to the Debt Financing Sources.

**Table of Contents**

*Prepayments and Amortization.* The borrower will be permitted to make voluntary prepayments at any time, without premium or penalty (other than LIBOR breakage costs, if applicable), and required to make mandatory prepayments of term loans with (1) net cash proceeds of non-ordinary course asset sales (subject to reinvestment rights, the right to apply such proceeds to repay existing debt of HCA scheduled to mature prior to the earliest final maturity of the senior secured credit facilities then outstanding and other exceptions), (2) issuances of debt (other than permitted debt) and (3) a percentage of the surviving corporation's excess cash flow (to be defined). The term loans will also have required interim amortization payments, payable quarterly, with the balance payable at the final maturity date of such term loans.

*Guarantors.* All obligations under the senior secured credit facilities will be guaranteed by each existing and future direct and indirect, wholly-owned material domestic subsidiary of the surviving corporation that is an Unrestricted Subsidiary under HCA's existing Indenture dated as of December 16, 1993 (the Existing Indenture), and the obligations of the borrower under the European Term Facility will also be guaranteed by each existing and future wholly-owned material European subsidiary of the surviving corporation, in each case only to the extent permitted by applicable law and contract and to the extent such guarantee would not result in adverse tax or accounting consequences. If any guarantee (other than a domestic guarantee) is not provided at closing despite the use of commercially reasonable efforts to do so, the delivery of the guarantee will not be a condition precedent to the availability of the senior secured credit facilities on the closing date, but instead will be required to be delivered following the closing date pursuant to arrangements to be agreed upon.

*Security.* The obligations of the borrower and the guarantors under the asset-based revolving credit facility will be secured, subject to permitted liens and other agreed upon exceptions, by a first-priority lien on all present and future accounts receivable of the surviving corporation and certain subsidiaries of the surviving corporation to be agreed and all proceeds thereof (the Receivables Collateral), in each case to the extent otherwise permitted by applicable law and contract. The obligations of the borrower and the guarantors under the senior secured credit facilities (other than the asset-based revolving credit facility and the European Term Facility) will be secured, subject to permitted liens and other agreed-upon exceptions, by (i) a second-priority lien on certain of the Receivables Collateral, (ii) a first-priority lien on all the capital stock of the surviving corporation and of the first-tier subsidiaries of the surviving corporation and each guarantor of such facilities (limited, in the case of foreign subsidiaries, to 65% of the voting stock of such subsidiaries) and (iii) by substantially all present and future assets of the surviving corporation and each such guarantor (other than Principal Properties (as defined in the Existing Indenture) except for certain Principal Properties not to exceed a portion to be agreed of the 15% Consolidated Net Tangible Assets basket under the Existing Indenture) (collectively, the Non-Receivables Collateral), in each case to the extent otherwise permitted by applicable law and contract. The obligations of the borrower and the guarantors under the European Term Facility will be secured, subject to permitted liens and other agreed upon exceptions (including an exception for Receivables Collateral) by substantially all present and future assets of such borrower and each such guarantor, in each case only to the extent permitted by applicable law and contract and to the extent such guarantee would not result in adverse tax or accounting consequences. If the security (other than any domestic stock pledge and any security interest capable of perfection by the filing of a Uniform Commercial Code financing statement) is not provided at closing despite the use of commercially reasonable efforts to do so, the delivery of the security will not be a condition precedent to the availability of the senior secured credit facilities on the closing date, but instead will be required to be delivered following the closing date pursuant to arrangements to be agreed upon.

*Other Terms.* The senior secured credit facilities will contain customary representations and warranties and customary affirmative and negative covenants, including, among other things, restrictions on indebtedness, liens, investments, sales of assets, mergers and consolidations, dividends and other distributions, redemptions, prepayments of certain subordinated indebtedness and certain existing indebtedness, and a minimum interest coverage ratio (applicable only to the asset-based revolving credit facility, and only when availability under such facility is less than 10% of the borrowing base thereunder) and a maximum total leverage ratio (applicable only to the other senior secured credit facilities). The

**Table of Contents**

senior secured facilities will also include customary events of defaults, including a change of control to be defined.

***High-Yield Debt Financing***

HCA is expected to issue \$5.70 billion aggregate principal amount of senior secured second lien notes. The notes will not be registered under the Securities Act and may not be offered in the United States absent registration or an applicable exemption from registration requirements. HCA is expected to offer the notes to qualified institutional buyers, as defined in Rule 144A under the United States Securities Act of 1933, as amended (the Securities Act), and to non-U.S. persons outside the United States in compliance with Regulation S under the Securities Act.

***Bridge Facility***

If the offering of notes by HCA is not completed substantially concurrently with the merger, the Debt Financing Sources have committed to provide up to \$5.70 billion in loans under a senior secured second lien bridge facility to HCA. HCA will be the borrower under the senior secured second lien bridge facility. The obligations of the borrower and the guarantors under the senior secured second lien bridge facility will be secured, subject to permitted liens and other agreed-upon exceptions, by a second-priority lien on the Non-Receivables Collateral and by a third-priority lien on certain of the Receivables Collateral.

If the bridge loans are not paid in full on or before the first anniversary of the merger, the bridge loans will convert into extended term loans maturing on the tenth anniversary of the merger. Holders of any such term loans may choose to exchange such loans for exchange notes maturing on the tenth anniversary of the merger and also may, if necessary for the sale of such exchange notes to an unaffiliated third party, fix the interest rate on any such exchange notes. The borrower would be required to register any exchange notes for public sale under a registration statement in compliance with applicable securities laws.

The bridge loans will bear interest at a floating rate equal to LIBOR plus a spread that increases over time, and will contain covenants customary for financings of this type, including covenants restricting the ability of the borrower, among other things and subject to exceptions, to incur or repay certain debt, to make dividends, distributions or redemptions and to incur liens. The borrower will be able to pay interest from time to time on up to \$1.5 billion of the bridge loans by issuing additional loans or exchange notes in an amount equal to the interest then due.

The borrower will be required to prepay the bridge loans, to prepay or offer to prepay the extended loans and to redeem or offer to purchase the exchange notes under certain circumstances, including upon asset sales or certain incurrences of debt (in each case, with certain exceptions) and upon a change of control of the Company.

CGMI, Banc of America Securities, JPMSI and MLPF&S have been appointed as joint lead arrangers and joint bookrunners for the bridge facility, and an affiliate of CGMI will act as the sole administrative agent for the bridge facility. In addition, additional agents or co-agents for the bridge facility may be appointed prior to consummation of the merger.

**Guarantees; Remedies**

In connection with the merger agreement, the members of the Investor Group, including the Frist Entities, have agreed to guarantee the due and punctual performance and discharge of certain of the payment obligations of Parent and Merger Sub under the merger agreement, up to a maximum amount equal to their respective pro rata share of a termination fee of \$500 million. Each guarantee will remain in full force and effect until the earlier of (i) the effective time of the merger, (ii) the termination of the merger agreement under circumstances in which Parent and Merger Sub would not be obligated to pay the termination fee and (iii) the first anniversary of the date of the termination of such guarantee if the merger agreement is terminated under circumstances giving rise to a payment obligation of Parent or

**Table of Contents**

Merger Sub, provided the Company has not made a claim under the guarantee related to such obligation prior to such one year anniversary date.

We cannot seek specific performance to require Parent and Merger Sub to complete the merger, and our exclusive remedy for the failure of Parent and Merger Sub to complete the merger is the termination fee described above payable to us in the circumstances described under The Merger Agreement Termination Fees.

**Interests of the Company's Directors and Executive Officers in the Merger**

In considering the recommendations of the board of directors, HCA's shareholders should be aware that certain of HCA's directors and executive officers have interests in the transaction that are different from, and/or in addition to, the interests of HCA's shareholders generally. The special committee and our board of directors were aware of these potential conflicts of interest and considered them, among other matters, in reaching their decisions to approve the merger agreement and to recommend that our shareholders vote in favor of adopting the merger agreement.

***Frist Interests***

Frisco, Inc. is a Delaware corporation and Frisco Partners is a Tennessee general partnership. Frisco, Inc. is wholly owned by members of Dr. Frist's immediate family and Frisco Partners is wholly owned by Dr. Frist and members of his immediate family. Each of the Frist Entities was formed for the purpose of personal investing by Dr. Frist and his family.

In connection with the merger agreement, Parent and the Frist Entities entered into a letter agreement (the Rollover Commitment Letter) pursuant to which the Frist Entities agreed to contribute 15,686,275 shares of HCA Common Stock to Parent immediately before the consummation of the merger in exchange for an ownership interest in Parent that is calculated on a pro rata basis, based on commitments by the Investor Group, including the Frist Entities, with each share contributed by the Frist Entities being valued at \$51.00. Dr. Frist serves as a director of Frisco, Inc. and is a partner in Frisco Partners. Members of Dr. Frist's immediate family comprise all of the shareholders of Frisco, Inc. and the remaining partners in Frisco Partners. Dr. Frist and members of his immediate family may contribute a portion of the shares of HCA Common Stock required to be contributed by the Frist Entities pursuant to the Rollover Commitment Letter.

The Frist Entities also entered into an interim investors agreement with Parent and the other members of the Investor Group and certain other equity investors. The interim investors agreement, among other things, sets forth certain terms and conditions governing the relationship among the members of the Investor Group and Parent.

*Sell-Down.* Under the interim investors agreement, prior to the consummation of the merger, the Frist Entities may decrease the amount of HCA Common Stock that they have agreed to contribute to Parent by up to \$100 million (with each share being valued at \$51.00) by assigning a portion of its commitment to one or more third parties, so long as the Frist Entities control the equity interests of Parent received by the third parties in all respects (including voting and disposition).

*Voting Agreement.* In the interim investors agreement, the Frist Entities have agreed to vote all of the shares of HCA Common Stock that are beneficially owned by them in favor of the adoption of the merger agreement.

*Governance of Parent Prior to the Merger.* Pending consummation of the merger, the members of the Investor Group agreed that any three out of four of the private equity funds affiliated with KKR, Bain, and Merrill Lynch Global Private Equity and the Frist Entities (the Requisite Investors) may cause Parent to act or refrain from acting in order to comply with its obligations, satisfy its closing conditions or exercise its rights under the merger agreement. The approval of the Requisite Investors is also required for Parent to enforce its rights under any of the equity

**Table of Contents**

commitment letters executed by members of the Investor Group. The consent of all members of the Investor Group is required to approve any of the following actions:

any amendment to the merger agreement that has an impact on any member of the Investor Group that is different from the impact on the other members of the Investor Group in a manner that is materially adverse to such member;

any modification or amendment to the merger agreement so as to increase or modify the form of the merger consideration or increase in any way the obligations of any member of the Investor Group under the limited guarantees of the members of the Investor Group; and

any modification or waiver, in a manner adverse to Parent or the members of the Investor Group, of any provisions in the merger agreement relating to the termination fee or any financing contingency or condition.

If the Requisite Investors are willing to agree to proceed with or take any action with respect to the matters described in the second and third clauses above and any member of the Investor Group declines to agree to such action, the Requisite Investors may nevertheless proceed with such matter if they first terminate the declining member's participation in the transaction without any further liability under its equity commitment letter or guarantee.

*Standstill Provision.* Under the interim investors agreement, until the earlier of the closing and the termination of the merger agreement, the Frist Entities and the other members of the Investor Group may not enter into any agreement, arrangement or understanding or have discussions with any other potential investor(s) or acquirer(s) of the Company or any of its representatives with respect to an alternative transaction involving the Company without the prior approval of the Requisite Investors. If the Frist Entities do not consent to a modification or amendment to the merger agreement so as to increase or modify the form of the merger consideration or to increase the obligations under the several limited guarantees of the members of the Investor Group, or if the Frist Entities fail to contribute the roll over shares to Parent, and in either case the merger agreement is subsequently terminated, the foregoing standstill agreement will continue to apply to the Frist Entities for a period of one year following the earlier of the closing and the termination of the merger agreement.

*Right to Designate Directors of Parent.* Under the interim investors agreement, if the merger is consummated, the Frist Entities will have the right to designate two directors on Parent's board of directors. The ability of the Frist Entities and other members of the Investor Group to designate directors will be adjusted to reflect changes in the ownership of Parent by the members of the Investor Group.

*Termination Fee.* Pursuant to the interim investors agreement, the Frist Entities are entitled to receive a pro rata share of any termination fee paid by the Company or any of its affiliates as directed by Parent pursuant to the merger agreement, net of any expenses of Parent and the Investor Group that are required to be shared by all members of the Investor Group. See The Merger Agreement Termination Fees.

The foregoing summary of the interim investors agreement does not purport to be complete and is qualified in its entirety by reference to the copy of such agreement attached as an exhibit to the Schedule 13E-3 filed with the SEC in connection with the merger and incorporated herein by reference.

The Frist Entities also entered into a limited guarantee agreement with the Company pursuant to which, among other things, the Frist Entities agreed to pay 15.1% of any termination fee payable by Parent to the Company under the merger agreement, up to a maximum amount of \$75.5 million.

***HCA Equity Compensation and Bonus Plans***

Except as described below under New Arrangements with the Surviving Corporation After Closing Equity Roll Over Commitments, upon the consummation of the merger, all of our equity

**Table of Contents**

compensation awards (including our awards held by executive officers) will be subject to the following treatment, except as otherwise agreed by a holder or participant and Parent,

all unvested stock options will vest and be cancelled and converted into the right to receive a cash payment equal to the number of outstanding options multiplied by the amount (if any) by which \$51.00 exceeds the option exercise price,

all shares of restricted stock and restricted share units will vest and be cancelled and converted into the right to receive a cash payment equal to the number of outstanding restricted shares multiplied by \$51.00 (and, with respect to restricted share units, the value of any deemed dividend equivalents accrued but unpaid with respect to such restricted share units), and

all salary amounts withheld on behalf of the participants in the Employee Stock Purchase Plan and Management Stock Purchase Plan through the closing date of the merger will be deemed to have been used to purchase HCA Common Stock under the terms of these plans, using the closing date of the merger as the last date of the applicable offering period under these plans, and converted into the right to receive, effectively, a cash payment equal to the number of shares deemed purchased under these plans multiplied by \$51.00.

See The Merger Agreement Treatment of Options and Other Awards and The Merger Agreement Employee Benefits for a more complete discussion of the treatment of these plans.

In addition, the executives who are covered officers under the 2006 Senior Officer Performance Excellence Program (our annual bonus program for these executives) will be paid their target bonus amount under the program in cash upon consummation of the merger.

All of the preceding cash payments will be subject to applicable withholding taxes.

The table below sets forth, as of July 31, 2006 (for each of our named executive officers, our other executive officers, Dr. Frist, and our executive officers and Dr. Frist as a group): (a) the number of unvested stock options that will vest upon the consummation of the merger, (b) the cash payment that may be made in respect of the unvested employee stock options upon the consummation of the merger, (c) the aggregate number of restricted shares that will vest upon consummation of the merger, (d) the aggregate cash payment that will be made in respect of unvested restricted shares upon the consummation of the merger, (e) the estimated aggregate cash payment under the Employee Stock Purchase Plan and Management Stock Purchase Plan which is expected to exceed their salary deferrals assuming a November 30, 2006 closing date and (f) the cash payment under the 2006 Senior Officer Performance Excellence Program (the PEP) upon the consummation of the merger (in all cases before applicable withholding taxes).

***HCA Supplemental Executive Retirement Plan***

Upon the consummation of the merger, all benefits under the SERP will vest and the normal retirement age pursuant to the SERP will be reduced from age 62 to age 60. In the event a participant is terminated without cause or resigns for good reason (as such terms are defined in the SERP) within six months before or after the consummation of the merger, such participant will receive an additional three years of service credit under the SERP (not to exceed 25, in total) and the non-compete provisions contained in the SERP will be waived. In addition, the merger agreement provides that the Company will amend the SERP prior to the consummation of the merger so that it cannot be terminated, or amended in a manner that would adversely affect any of the participants in the SERP as of July 24, 2006, until each current participant has become fully vested in the maximum benefit available under the SERP.

***New Arrangements with the Surviving Corporation After Closing***

The Investor Group indicated in their discussions regarding the acquisition that they would not proceed with the acquisition unless seven senior executive officers, including Jack O. Bovender, Jr., Richard M. Bracken, R. Milton Johnson, Samuel N. Hazen, W. Paul Rutledge, Beverly B. Wallace and an additional person who has not yet been determined who will serve as President of our Eastern Group (the Senior Management Group), made significant investments in the surviving corporation. Accordingly, in connection with entering into the merger agreement and in contemplation of the acquisition, each member of the Senior Management Group agreed with the Investor Group on certain general employment and equity compensation terms, although it is not expected that definitive agreements will be entered into until a later date prior to the consummation of the merger.

***Equity Roll Over Commitments***

Each member of the Senior Management Group committed to invest a certain amount into the surviving corporation, although each is permitted to invest more than this amount. This investment could be in the form of a cash investment or a roll over of HCA employee stock options. Any HCA stock options rolled over would not be cancelled and cashed out upon consummation of the merger as described above, and instead would become stock options exercisable for the stock of the surviving corporation. The currently committed investments are as follows:

<b>Name</b>	<b>Equity Commitment</b>
Jack O. Bovender, Jr.	\$20.0 million
Richard M. Bracken	\$10.0 million
R. Milton Johnson	\$ 6.0 million
Samuel N. Hazen	\$ 5.5 million
W. Paul Rutledge	\$ 3.0 million
Beverly B. Wallace	\$ 2.0 million

It is expected that some of our other executive officers will also be permitted to (but not required to) invest cash and/or roll over HCA employee stock options into equity of the surviving corporation.

***New Stock Option Plan***

In connection with the consummation of the merger, the surviving corporation will adopt a new stock option plan under which employees (including the executive officers) will be eligible to receive options to acquire the stock of the surviving corporation. The new option plan will permit the grant of options covering 10% of the fully diluted equity of the surviving corporation immediately after consummation of

**Table of Contents**

the merger. It is expected that substantially all of the options under the new option plan will be granted at the closing of the merger. A portion of the options will vest solely based upon continued employment over a specific period of time and a portion of the options will vest based both upon continued employment over a specific period of time and upon the achievement of predetermined performance targets over time. A substantial majority of the options will have an exercise price which is the equivalent of \$51.00 per share, but some of the options will have an exercise price in excess of the equivalent of \$51.00 per share. On the consummation of the merger, Jack O. Bovender, Jr. will receive an option grant covering at least % of the total number of options that can be granted under the new option plan. The size of the option grants to the other members of the Senior Management Group, including the Management Rollover Holders, and to the other executive officers have not yet been determined.

*Employment Agreements*

In connection with the consummation of the merger, the Company's top eight executive officers (including each member of the Senior Management Group and Robert A. Waterman) will enter into new employment agreements with the surviving corporation that will govern the terms of each executive's employment after the closing of the acquisition. The terms of these employment agreements will include a severance payment upon termination without cause or resignation for good reason (as such terms will be defined therein) equal to two times (or three times in the case of Jack O. Bovender, Jr., Richard M. Bracken and R. Milton Johnson) the sum of the executive's base salary and prior year's annual bonus. The employment agreements will also contain two year non-competition and non-solicitation provisions. Jack O. Bovender, Jr.'s employment agreement will also contain certain accelerated option vesting provisions in the event of his retirement after age 62.

*Board of Directors Representation*

Jack O. Bovender, Jr. and Richard M. Bracken will be members of the board of directors of the surviving corporation so long as they remain officers of the surviving corporation, with Mr. Bovender continuing to serve as the chairman of the board of directors.

*HCA Director Compensation Arrangements and Other Interests*

As of July 31, 2006, our directors, other than Dr. Frist and Messrs. Bovender and Bracken, held options to purchase an aggregate of 426,420 shares of HCA Common Stock at a weighted average exercise price of \$38.58 per share, and an aggregate of 133,964 shares of unvested restricted stock or restricted share units. As with our other employees generally, the vesting of these awards will be accelerated in connection with the merger and these awards will be cancelled and converted into the right to receive the merger consideration or otherwise be cashed out as described elsewhere in this proxy statement. The aggregate cash payment that will be made to these directors in respect of unvested restricted shares, restricted share units or options upon the consummation of the merger is anticipated to be approximately \$12,357,851, based on a cash merger consideration of \$51.00 per share. The chairman of the special committee will receive remuneration in the amount of \$100,000, plus expenses, in consideration of his acting in such capacity, and each other member of the special committee will receive remuneration in the amount of \$60,000, plus expenses, in consideration of his or her acting in such capacity. The members of the board of directors (excluding Dr. Frist and Messrs. Bovender and Bracken) are independent of and have no economic interest or expectancy of an economic interest in Parent or its affiliates, and will not retain an economic interest in the surviving corporation or Parent following the merger.

*Indemnification and Insurance*

The surviving corporation has agreed to indemnify, to the greatest extent permitted by law, each of our present and former directors and executive officers against all expenses, losses and liabilities (and to comply with all of our obligations to advance funds for expenses) incurred in connection with any claim, proceeding or investigation arising out of any act or omission in their capacity as an officer or director occurring on or before the closing date of the acquisition.

**Table of Contents**

The merger agreement requires that we purchase, and that following the closing date of the acquisition the surviving corporation maintain, tail coverage directors and officers liability insurance policies in an amount and scope at least as favorable as the Company's existing policies and with a claims period of at least six years from the closing date of the acquisition for claims arising from facts or events that occurred on or prior to the closing date. If the annual premiums of insurance coverage exceed 300% of our current annual premium, the surviving corporation must obtain a policy with the greatest coverage available for a cost not exceeding 300% of the current annual premium paid by us.

**Material U.S. Federal Income Tax Consequences of the Merger to Our Shareholders**

The following is a summary of the material U.S. federal income tax consequences of the merger to U.S. persons (as defined below) whose shares of HCA Common Stock are converted into the right to receive cash in the merger. This summary does not purport to consider all aspects of U.S. federal income taxation that might be relevant to our shareholders. For purposes of this discussion, we use the term "U.S. person" to mean a beneficial owner of shares of HCA Common Stock that is, for U.S. federal income tax purposes:

a citizen or resident of the United States;

a corporation created or organized under the laws of the United States or any of its political subdivisions;

a trust that (i) is subject to the supervision of a court within the United States and the control of one or more U.S. persons or (ii) has a valid election in effect under applicable U.S. Treasury regulations to be treated as a U.S. person; or

an estate that is subject to U.S. federal income tax on its income regardless of its source.

If a partnership holds HCA Common Stock, the tax treatment of a partner will generally depend on the status of the partners and the activities of the partnership. A partner of a partnership holding HCA Common Stock should consult its tax advisor.

This discussion is based on current law, which is subject to change, possibly with retroactive effect. It applies only to beneficial owners who hold shares of HCA Common Stock as capital assets, and may not apply to shares of HCA Common Stock received in connection with the exercise of employee stock options or otherwise as compensation, shareholders who hold an equity interest, directly or indirectly, in Parent or the surviving corporation after the merger, or to certain types of beneficial owners who may be subject to special rules (such as insurance companies, banks, tax-exempt organizations, financial institutions, broker-dealers, partnerships, S corporations or other pass-through entities, mutual funds, traders in securities who elect the mark-to-market method of accounting, shareholders subject to the alternative minimum tax, shareholders that have a functional currency other than the U.S. dollar, or shareholders who hold HCA Common Stock as part of a hedge, straddle or a constructive sale or conversion transaction). This discussion does not address the receipt of cash in connection with the cancellation of shares of restricted stock, restricted share units or options to purchase shares of HCA Common Stock, or any other matters relating to equity compensation or benefit plans. This discussion also does not address the U.S. tax consequences to any shareholder who, for U.S. federal income tax purposes, is a non-resident alien individual, foreign corporation, foreign partnership or foreign estate or trust, and does not address any aspect of state, local or foreign tax laws.

The exchange of shares of HCA Common Stock for cash in the merger will be a taxable transaction for U.S. federal income tax purposes. In general, a shareholder whose shares of HCA Common Stock are converted into the right to receive cash in the merger will recognize capital gain or loss for U.S. federal income tax purposes equal to the difference, if any, between the amount of cash received with respect to such shares (determined before the deduction of any applicable withholding taxes) and the shareholder's adjusted tax basis in such shares. Gain or loss will be determined separately for each block of shares (i.e., shares acquired at the same cost in a single transaction). Such gain or loss will be long-term capital gain or loss provided that a shareholder's holding period for such shares is more than 12 months at the time of

**Table of Contents**

the consummation of the merger. Long-term capital gains of individuals are eligible for reduced rates of taxation. There are limitations on the deductibility of capital losses.

Backup withholding of tax may apply to cash payments to which a non-corporate shareholder is entitled under the merger agreement, unless the shareholder or other payee provides a taxpayer identification number (social security number, in the case of individuals, or employer identification number, in the case of other shareholders), certifies that such number is correct, and otherwise complies with the backup withholding rules. Each of our shareholders should complete and sign the Substitute Form W-9 included as part of the letter of transmittal and return it to the paying agent, in order to provide the information and certification necessary to avoid backup withholding, unless an exemption applies and is established in a manner satisfactory to the paying agent.

Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules will be allowable as a refund or a credit against a shareholder's U.S. federal income tax liability provided the required information is timely furnished to the Internal Revenue Service.

Cash received in the merger will also be subject to information reporting unless an exemption applies.

**The U.S. federal income tax consequences set forth above are not intended to constitute a complete description of all tax consequences relating to the merger. Because individual circumstances may differ, each shareholder should consult the shareholder's tax advisor regarding the applicability of the rules discussed above to the shareholder and the particular tax effects to the shareholder of the merger in light of such shareholder's particular circumstances, the application of state, local and foreign tax laws, and, if applicable, the tax consequences of the receipt of cash in connection with the cancellation of restricted shares, restricted share units or options to purchase shares of HCA Common Stock, including the transactions described in this proxy statement relating to our other equity compensation and benefit plans.**

**Certain Relationships Between Parent and HCA**

There are no material relationships between Parent and Merger Sub or any of their respective affiliates, on the one hand, and HCA or any of its affiliates, on the other hand, other than in respect of the merger agreement and those arrangements described above under Background of the Merger and Interests of the Company's Directors and Executive Officers in the Merger.

**Litigation Related to the Merger**

HCA is aware of six asserted class action lawsuits related to the merger filed against some or all of the following: HCA, Jack O. Bovender, Jr., Richard M. Bracken, each of the Company's directors, and the Investor Group in the Chancery Court for Davidson County, Tennessee. The lawsuits and dates of filing are as follows: *Pirelli Armstrong Tire Corporation Retiree Medical Benefits Trust, on behalf of itself and all others similarly situated v. The consolidated action is entitled *In re HCA Inc. Shareholder Litigation*, Davidson County Chancery Court, No. 06-1816-111. *behalf of its itself and all others similarly situated v. C. Michael Armstrong, et al.*, Delaware Chancery Court, No. 2307-N (filed July 28, 2006). The complaints are substantially similar and allege, among other things, that the merger is the product of a flawed process and that the consideration to be paid to the HCA shareholders in the merger is unfair and inadequate. The complaints further allege, among other things, that the officers and directors of HCA breached their fiduciary duties by, among other things, taking actions designed to deter higher offers from other potential acquirers, failing to maximize the value of HCA to its shareholders, avoiding competitive bidding, capping the price of HCA's stock, failing to properly value HCA, ignoring or not protecting against numerous conflicts of interest, and failing to disclose all material information that would permit HCA's shareholders to cast a fully informed vote on the merger. The complaints further allege that the Investor Group aided and abetted the actions of the HCA officers and directors in breaching their fiduciary duties to the shareholders of HCA. The complaints seek, among other relief, some or all of the following: class certification of the respective lawsuits, an injunction preventing consummation of the merger, a declaration that the merger agreement was entered into in breach of the fiduciary duties of defendants, an order directing defendants to exercise their fiduciary duties to obtain a transaction which is in the best interests of HCA shareholders until the process for a sale or auction of HCA is completed and the highest price is obtained, an order rescinding the merger or any of the terms of the merger to the extent already implemented, an award of money damages, an accounting of any benefits resulting from unlawful conduct, pre-judgment and post-judgment interest, attorneys' fees and expenses, and such other relief as the courts might find just and proper. HCA believes these lawsuits are without merit and plans to defend them vigorously. Additional lawsuits pertaining to the merger could be filed in the future.

**Fees and Expenses of the Merger**

We estimate that we will incur, and will be responsible for paying, transaction-related fees and expenses, consisting primarily of financial, legal, accounting and tax advisory fees, SEC filing fees and other related charges, totaling approximately \$ \_\_\_\_\_ million. This amount includes the following estimated fees and expenses:

Description	Amount to be Paid

**THE MERGER AGREEMENT  
(PROPOSAL NO. 1)**

*This section of the proxy statement describes the material provisions of the merger agreement but does not purport to describe all of the terms of the merger agreement. The following summary is qualified in its entirety by reference to the complete text of the merger agreement, which is attached as Annex A to this proxy statement and incorporated into this proxy statement by reference. We urge you to read the full text of the merger agreement because it is the legal document that governs the merger. It is not intended to provide you with any other factual information about us. Such information can be found elsewhere in this proxy statement and in the public filings we make with the SEC, as described in the section entitled *Where You Can Find More Information* below.*

**The Merger**

The merger agreement provides for the merger of Merger Sub with and into HCA upon the terms, and subject to the conditions, of the merger agreement. The merger will be effective at the time the certificate of merger is filed with the Secretary of State of the State of Delaware (or at a later time, if agreed upon by the parties and specified in the certificate of merger). We expect to complete the merger as promptly as practicable after our shareholders adopt the merger agreement and, if necessary, the expiration of the marketing period described below.

As the surviving corporation, HCA will continue to exist following the merger. Upon consummation of the merger, the directors of Merger Sub will be the initial directors of the surviving corporation and the officers of HCA will be the initial officers of the surviving corporation. All surviving corporation officers will hold their positions until their successors are duly elected and qualified or until the earlier of their resignation or removal.

We, Parent or Merger Sub may terminate the merger agreement prior to the consummation of the merger in some circumstances, whether before or after the approval of the merger agreement by shareholders. Additional details on termination of the merger agreement are described in *Termination of the Merger Agreement*.

**Merger Consideration**

Each share of HCA Common Stock issued and outstanding immediately before the merger will automatically be cancelled and will cease to exist and will be converted into the right to receive \$51.00 in cash, without interest and less any applicable withholding taxes, other than:

shares held in treasury or owned by Parent, including shares that are contributed to Parent in exchange for shares of Parent's capital stock and shares (including restricted shares) otherwise acquired by Parent pursuant to agreements with shareholders of the Company, that will be cancelled,

shares held by subsidiaries of Parent or HCA, which will remain outstanding after consummation of the merger, and

shares held by holders who have properly demanded and perfected their appraisal rights.

After the merger is effective, each holder of a certificate representing any shares of HCA Common Stock (other than shares for which appraisal rights have been properly demanded and perfected) will no longer have any rights with respect to the shares, except for the right to receive the merger consideration. See *Dissenters' Rights of Appraisal*.

**Treatment of Options and Other Awards**

Upon the consummation of the merger, except as otherwise agreed by the holder and Parent, all outstanding options to acquire HCA Common Stock under the Company's equity incentive plans will become fully vested and immediately exercisable and all such options (other than certain such options

**Table of Contents**

held by certain Management Rollover Holders) not exercised prior to the merger will be cancelled and converted into the right to receive a cash payment equal to the number of shares of HCA Common Stock underlying the option multiplied by the amount by which \$51.00 exceeds the exercise price for each share of HCA Common Stock underlying the options, without interest and less any applicable withholding taxes. Additionally, except as otherwise agreed by the holder and Parent, all shares of restricted stock and restricted share units will, upon the consummation of the merger, vest and be cancelled and converted into the right to receive a cash payment equal to the number of outstanding restricted shares and restricted share units multiplied by \$51.00 (together, with respect to restricted share units, the value of any deemed dividend equivalents accrued but unpaid with respect to such restricted share units), without interest and less any applicable withholding taxes. Certain options held by certain of the Management Rollover Holders that are not exercised prior to consummation of the merger will be converted into options for shares of common stock of the surviving corporation.

The effect of the merger upon our stock purchase and certain other employee benefit plans is described below under Employee Benefits.

**Payment for the Shares**

Before the merger, we will designate a paying agent reasonably satisfactory to Parent to make payment of the merger consideration as described above. Immediately after the effective time of the merger, the surviving corporation will deposit, or Parent shall cause the surviving corporation to deposit, in trust with the paying agent the funds appropriate to pay the merger consideration to the shareholders.

Upon the consummation of the merger and the settlement of transfers that occurred prior to the effective time, we will close our stock ledger. After that time, there will be no further transfer of shares of HCA Common Stock.

As promptly as practicable after the consummation of the merger, the surviving corporation will send, or cause the paying agent to send, you a letter of transmittal and instructions advising you how to surrender your certificates in exchange for the merger consideration. The paying agent will pay you your merger consideration after you have (1) surrendered your certificates to the paying agent and (2) provided to the paying agent your signed letter of transmittal and any other items specified by the letter of transmittal. Interest will not be paid or accrue in respect of the merger consideration. The surviving corporation will reduce the amount of any merger consideration paid to you by any applicable withholding taxes. **YOU SHOULD NOT FORWARD YOUR STOCK CERTIFICATES TO THE PAYING AGENT WITHOUT A LETTER OF TRANSMITTAL, AND YOU SHOULD NOT RETURN YOUR STOCK CERTIFICATES WITH THE ENCLOSED PROXY.**

If any cash deposited with the paying agent is not claimed within twelve (12) months following the effective time of the merger, such cash will be returned to the surviving corporation upon demand subject to any applicable unclaimed property laws. Any unclaimed amounts remaining immediately prior to when such amounts would escheat to or become property of any governmental authority will be returned to the surviving corporation free and clear of any prior claims or interest thereto.

If the paying agent is to pay some or all of your merger consideration to a person other than you, as the registered owner of a stock certificate, you must have your certificates properly endorsed or otherwise in proper form for transfer, and you must pay any transfer or other taxes payable by reason of the transfer or establish to the paying agent's reasonable satisfaction that the taxes have been paid or are not required to be paid.

The transmittal instructions will tell you what to do if you have lost your certificate, or if it has been stolen or destroyed. You will have to provide an affidavit to that fact and, if required by the paying agent or surviving corporation, post a bond in an amount that the surviving corporation or the paying agent reasonably directs as indemnity against any claim that may be made against it in respect of the certificate.

**Representations and Warranties**

The merger agreement contains representations and warranties made by us to Parent and Merger Sub and representations and warranties made by Parent and Merger Sub to us. The assertions embodied in those representations and warranties were made solely for purposes of the merger agreement and may be subject to important qualifications and limitations agreed by the parties in connection with negotiating its terms. Moreover, some of those representations and warranties may not be accurate or complete as of any particular date because they are subject to a contractual standard of materiality or material adverse effect different from that generally applicable to public disclosures to shareholders or used for the purpose of allocating risk between the parties to the merger agreement rather than establishing matters of fact. For the foregoing reasons, you should not rely on the representations and warranties contained in the merger agreement as statements of factual information.

In the merger agreement, HCA, Parent and Merger Sub each made representations and warranties relating to, among other things:

corporate organization and existence;

corporate power and authority to enter into and perform its obligations under, and enforceability of, the merger agreement;

required regulatory filings and consents and approvals of governmental entities;

the absence of conflicts with or defaults under organizational documents, other contracts and applicable laws and judgments;

finder's fees; and

information supplied for inclusion in this proxy statement.

In the merger agreement, Parent and Merger Sub also each made representations and warranties relating to the availability of the funds necessary to perform its obligations under the merger agreement, equity roll over commitments, guarantees, and operations of Parent and Merger Sub.

HCA also made representations and warranties relating to, among other things:

capital structure;

documents filed with the SEC;

undisclosed liabilities;

absence of certain changes or events since December 31, 2005;

litigation;

tax matters;

compliance with the Employee Retirement Income Securities Act of 1974, as amended, and other employee benefit matters;

compliance with applicable laws;

contracts with affiliates; and

state takeover statutes and the absence of a rights plan.

Many of HCA's representations and warranties are qualified by a material adverse effect standard. For purposes of the merger agreement, material adverse effect for HCA is defined to mean any event, state of facts, circumstance, development, change, effect or occurrence (an Effect) that is materially adverse to the business, financial condition or results of operations of the Company and its subsidiaries, taken as a whole, other than (i) any Effect resulting from (A) changes in general economic or political conditions or the securities, credit or financial markets in general, (B) general changes or developments in the industries

in which the Company and its subsidiaries operate, including general changes in law or regulation across such industries, (C) the announcement of the merger agreement or the pendency or consummation of the merger, including any labor union activities related thereto, (D) the identity of Parent or any of its affiliates as the acquiror of the Company, (E) compliance with the terms of, or the taking of any action required by, the merger agreement or consented to by Parent, (F) any acts of terrorism or war (other than any of the foregoing that causes any damage or destruction to or renders unusable any facility or property of the Company or any of its subsidiaries), (G) changes in generally accepted accounting principles or the interpretation thereof, or (H) any weather related event, except, in the case of the foregoing clauses (A) and (B), to the extent such changes or developments referred to therein would reasonably be expected to have a materially disproportionate impact on the Company and its subsidiaries, taken as a whole, relative to other for profit participants in the industries and in the geographic markets in which the Company conducts its businesses after taking into account the size of the Company relative to such other for profit participants, or (ii) any failure to meet internal or published projections, forecasts or revenue or earnings predictions for any period (provided that the underlying causes of such failure shall be considered in determining whether there is a material adverse effect on the Company).

**Conduct of Business Pending the Merger**

We have agreed in the merger agreement that, until the consummation of the merger, except as expressly consented to in writing by Parent and Merger Sub (which consent shall not be unreasonably withheld) we will use our reasonable best efforts to, and to cause each of our subsidiaries to:

conduct our business in the ordinary course consistent with past practice and comply with all applicable laws in all material respects; and

preserve substantially intact our business organizations and capital structures, maintain in effect all material permits that are required to carry on our business, keep available the services of our present officers and key employees and maintain our relationships with providers, suppliers and others with which we have significant business relationships.

We have also agreed that, until the consummation of the merger, except as expressly contemplated or permitted by the merger agreement or consented to in writing by Parent and Merger Sub (which consent will not be unreasonably withheld), we will not, and will not permit any of our subsidiaries to:

adopt any change in our organizational or governing documents;

merge or consolidate with any person (other than the merger and other than such transactions solely among us and/or our wholly-owned domestic subsidiaries that would not result in a material increase in our tax liability);

sell, lease or otherwise dispose of a material amount of assets or securities, including by merger, consolidation, asset sale or other business combination (including by formation of a material joint venture), other than such transactions solely among us and/or our wholly-owned domestic subsidiaries that would not result in a material increase in our tax liability;

(i) make any material acquisition, by purchase or other acquisition of stock or other equity interests, by merger, consolidation or other business combination (including by formation of a material joint venture); or (ii) make any material property transfers or material purchases of any property or assets, in or from any person, in each case, other than such transactions solely among us and/or our wholly-owned subsidiaries;

make any material loans, advances or capital contributions to, or investments in, any other person in excess of \$20,000,000 in the aggregate for all such loans, advances, contributions and investments, except for (i) transactions solely among us and/or our wholly-owned subsidiaries, or (ii) as required by our existing contracts;

authorize any capital expenditures in excess of \$20,000,000 in the aggregate, other than expenditures provided for in our budget for the remaining portion of fiscal year 2006 and for any portion of fiscal year 2007 prior to the closing date of the merger;

pledge or otherwise encumber shares of our or our subsidiaries' capital stock or other voting securities;

mortgage or pledge any of our material assets, tangible or intangible, or create, assume or suffer to exist any lien thereupon, other than certain liens permitted under the merger agreement;

(i) split, combine or reclassify any of our securities or amend the terms of any of our securities, (ii) declare, establish a record date for, set aside or pay any dividend or other distribution (whether in cash, stock or property or any combination thereof) in respect of our securities other than (x) a dividend or distribution by a wholly-owned subsidiary to its parent corporation in the ordinary course of business, (y) payment on September 1, 2006 of the previously declared regularly quarterly dividend of \$0.17 per share, and (z) payment of a regular quarterly dividend not to exceed \$0.17 per share for the fourth quarter of 2006; provided, that the record date for such dividend shall be no earlier than December 1, 2006 and that no such dividend shall be payable if the effective time of the merger occurs on or prior to the record date; (iii) issue or offer to issue any of our securities, or redeem, repurchase or otherwise acquire or offer to redeem, repurchase, or otherwise acquire, any of our securities, other than in connection with (A) the exercise of our options outstanding on the date of the merger agreement in accordance with their original terms, (B) the withholding of our securities to satisfy tax obligations with respect to our options or restricted shares, (C) the acquisition by us of our securities in connection with the net exercise of options in accordance with the terms thereof and (D) acquisitions by or issuances to our benefit plans in the ordinary course of business consistent with past practice;

except as required pursuant to existing written agreements or benefit plans in effect on the date of the merger agreement or as required by applicable law, (i) adopt, amend in any material respect or terminate any benefit plan, (ii) take any action to accelerate the vesting or payment, or fund or in any other way secure the payment, of compensation or benefits under any benefit plan, (iii) except in connection with promotions or new hires made in the ordinary course of business consistent with past practice, increase in any manner the cash compensation or welfare or pension benefits of employees, or (iv) change any actuarial or other assumption used to calculate

other than in the ordinary course of business consistent with past practice or except to the extent required by law, make or change any material tax election, settle or compromise any material tax liability of ours or any of our subsidiaries, agree to an extension of the statute of limitations with respect to the assessment or determination of our or our subsidiaries material taxes, file any amended tax return with respect to any material tax, enter into any closing agreement with respect to any material tax or surrender any right to claim a material tax refund;

take any action or fail to take any action that is intended to, or would reasonably be expected to, individually or in the aggregate, prevent, materially delay or materially impede our ability to consummate the merger or the other transactions contemplated by the merger agreement; or

authorize, agree or commit to do any of the foregoing.

**Efforts to Complete the Merger**

Subject to the terms and conditions set forth in the merger agreement, each of the parties to the merger agreement has agreed to use its reasonable best efforts to take, or cause to be taken, all actions, to file, or cause to be filed, all documents, and to do or cause to be done all things necessary, proper or advisable to consummate the merger, including preparing and filing as promptly as practicable all documentation to effect all necessary filings, consents, waivers, approvals, authorizations, permits or orders from all governmental authorities or other persons. The parties have also agreed to take no action to cause any state takeover statute or regulation to become applicable to the merger agreement or merger and if any such statute or regulation does become applicable to take all action necessary to ensure that the merger may be consummated as promptly as practicable on the terms contemplated by the merger agreement and otherwise minimize the effect of such statute or regulation on the merger agreement or merger.

In no event, however, will any party to the merger agreement be required to take any actions to resolve any objections or suits of governmental authorities (including the FTC) which would reasonably be expected to have a material adverse effect on the Company.

Parent has agreed to use its reasonable best efforts to arrange the debt financing to fund the proposed merger and related transactions contemplated by the debt financing commitments executed in connection with the merger agreement and to cause its financing sources to fund the financing required to consummate the proposed merger. HCA has agreed to cooperate in connection with the financing. See Special Factors Financing of the Merger for a description of the financing arranged by Parent to fund the proposed merger and related transactions.

Parent has also agreed to use its reasonable best efforts to arrange alternative debt financing on terms not less favorable to Parent (as determined in Parent's reasonable judgment) than those contemplated by the financing commitments in the event any portion of such debt financing becomes unavailable.

**Table of Contents**

HCA has also agreed, if so requested by Parent, to commence offers to purchase or to redeem or discharge its 5.250% Notes due 2008, 5.500% Notes due 2009, 7.000% Notes due 2007, 7.250% Notes due 2008 and 8.850% Medium Term Notes due 2007, on terms and conditions as proposed by Parent or as required by the terms of the indenture governing such notes. The completion of such offers is contingent upon the completion of the proposed merger. Parent has also generally agreed to reimburse HCA for its reasonable out-of-pocket expenses in relation to such offers, purchases, redemptions or discharges, and to indemnify HCA, its subsidiaries and its officers and directors in connection with any damages incurred in connection therewith if the merger agreement is terminated or the merger is not completed.

**Marketing Period**

Unless otherwise agreed by the parties to the merger agreement, the parties are required to close the merger on the third business day after the satisfaction or waiver of the conditions described under Conditions to the Merger below, provided that if the marketing period has not ended at such time, the parties are obligated to close the merger on the date following the satisfaction or waiver of such conditions that is the earliest to occur of (i) a date during the marketing period specified by Merger Sub, (ii) the final day of the marketing period and (iii) the end date as described in Termination of the Merger Agreement.

For purposes of the merger agreement, marketing period means the first period of twenty (20) consecutive business days throughout which:

Parent has certain financial information required to be provided by the Company under the merger agreement in connection with Parent's financing of the merger; and

both the mutual closing conditions and the conditions to the obligations of Parent and Merger Sub (other than delivery of an officer's certificate by the Company) to complete the merger are satisfied.

If the marketing period would not end on or prior to December 19, 2006, the marketing period will be deemed to commence no earlier than January 2, 2007. In addition, the marketing period will not be deemed to have commenced if, prior to the completion of the marketing period, Ernst & Young LLP shall have withdrawn its audit opinion with respect to any financial statements contained in our reports filed with the SEC since January 1, 2003.

The purpose of the marketing period is to provide the Investor Group a reasonable and appropriate period of time during which they can market and place the permanent debt financing contemplated by the debt financing commitments for the purposes of financing the merger. Parent has agreed:

to use reasonable best efforts to arrange the debt financing as promptly as practicable and to satisfy on a timely basis all conditions applicable to Parent in any definitive agreements entered into relating to the debt financing; and

in the event that any portion of the debt financing becomes unavailable on the terms and conditions contemplated in the debt financing commitments, to use its reasonable best efforts to arrange alternative financing on terms no less favorable to Parent (as determined in its reasonable judgment) as promptly as practicable but no later than the last day of the marketing period, or if earlier, the end date described in Termination of the Merger Agreement.

In addition, in the event that any portion of the debt financing structured as high yield financing has not been consummated, then, subject to certain exceptions, Parent must use the proceeds of the bridge financing to replace the high yield financing no later than the last day of the marketing period (or if earlier, the end date).

**Conditions to the Merger**

*Conditions to Each Party's Obligations.* Each party's obligation to complete the merger is subject to the satisfaction or waiver of the following conditions:

the merger agreement must have been adopted by the affirmative vote of the holders of a majority of all outstanding shares of voting HCA Common Stock;

any applicable waiting period (and any extension thereof) under the HSR Act shall have expired or been terminated; and

no temporary restraining order, preliminary or permanent injunction or other judgment or order issued by any court or agency of competent jurisdiction or other statute, law, rule, legal restraint or prohibition shall be in effect preventing the merger.

*Conditions to Parent's and Merger Sub's Obligations.* The obligation of Parent and Merger Sub to complete the merger is subject to the satisfaction or waiver of the following additional conditions:

our representations and warranties with respect to (i) our capitalization and our compliance with a Corporate Integrity Agreement between us and the Office of Inspector General of the United States must each be true in all material respects as of the effective time of the merger as if made at and as of the effective time; and (ii) the identification of our unrestricted subsidiaries under the indenture governing our outstanding public notes must be true and correct in all respects as of the effective time of the merger as if made at and as of the effective time, except where the failure to be so true and correct has not had a material adverse effect on Parent's ability to obtain debt financing for the merger on the terms and conditions set forth in the debt financing commitments described under Special Factors Financing of the Merger;

all other representations and warranties made by us in the merger agreement, with the exception of those listed above, must be true and correct as of the effective time of the merger as if made at and as of such time (without giving effect to any qualification as to Material Adverse Effect set forth in such representations and warranties), except where the failure to be so true and correct, individually and in the aggregate, has not had, and would not reasonably be expected to have, a material adverse effect on us; provided that any representations made by us as of a specific date need only be so true and correct (subject to such qualifications) as of the date made;

we must have performed in all material respects all obligations, and complied in all material respects with the agreements and covenants, we are required to perform under the merger agreement at or prior to the closing date; and

we must deliver to Parent and Merger Sub at closing a certificate with respect to the satisfaction of the foregoing conditions relating to representations, warranties, obligations, covenants and agreements.

*Conditions to HCA's Obligations.* Our obligation to complete the merger is subject to the satisfaction or waiver of the following further conditions:

the representations and warranties made by Parent and Merger Sub in the merger agreement that are qualified as to materiality must be true and correct as of the effective time of the merger as if made at and as of such time and those which are not so qualified must be true and correct in all material respects as of the effective time of the merger as if made at and as of such time, except where the failure of such representations and warranties to be so true would not prevent consummation of the merger; provided that any representations made by Parent and Merger Sub as of a specific date need only be so true and correct as of the date made;

Parent and Merger Sub must have performed in all material respects all obligations, and complied in all material respects with the agreements and covenants, required to be performed by them under the merger agreement at or prior to the closing date; and

**Table of Contents**

Parent's and Merger Subs' delivery to us at closing of a certificate with respect to the satisfaction of the foregoing conditions relating to representations, warranties, obligations, covenants and agreements.

If a failure to satisfy one of these conditions to the merger is not considered by our board of directors to be material to our shareholders, the board of directors (acting through the special committee if such committee still exists) could waive compliance with that condition. Our board of directors is not aware of any condition to the merger that cannot be satisfied. Under Delaware law, after the merger agreement has been adopted by our shareholders, the merger consideration cannot be changed and the merger agreement cannot be altered in a manner adverse to our shareholders without re-submitting the revisions to our shareholders for their approval.

**Restrictions on Solicitations of Other Offers**

The merger agreement provides that, until 11:59 p.m., New York time, on September 12, 2006, we are permitted to:

initiate, solicit and encourage any acquisition proposal for us (including by way of providing information), provided that we shall promptly provide to Parent any material non-public information concerning us or our subsidiaries that is provided to any person given such access which was not previously provided to Parent; and

enter into and maintain discussions or negotiations concerning an acquisition proposal for us or otherwise cooperate with or assist or participate in, or facilitate any such inquiries, proposals, discussions or negotiations.

From and after 11:59 p.m., New York time, on September 12, 2006, we have agreed not to:

initiate, solicit or knowingly encourage (including by way of providing information) the submission of any inquiries, proposals or offers or any other efforts or attempts that constitute or may reasonably be expected to lead to, any acquisition proposal for us or engage in any discussions or negotiations with respect thereto or otherwise knowingly cooperate with or knowingly assist or participate in, or knowingly facilitate any such inquiries, proposals, discussions or negotiations; or

approve or recommend, or publicly propose to approve or recommend, any acquisition proposal for us or enter into any merger agreement, letter of intent, agreement in principle, share purchase agreement, asset purchase agreement or share exchange agreement, option agreement or other similar agreement providing for or relating to any acquisition proposal for us or enter into any agreement or agreement in principle requiring us to abandon, terminate or fail to consummate the transactions contemplated by the merger agreement or breach our obligations under the merger agreement or propose or agree to do any of the foregoing.

In addition, as of 11:59 p.m., New York time, on September 12, 2006, we have agreed to cease and terminate with all persons any solicitation, encouragement, discussion or negotiations existing at such time, unless the acquisition proposal offered by such person meets the requirements in the following paragraph (and only for so long as such proposal continues to meet those requirements).

Notwithstanding the aforementioned restrictions, at any time prior to the approval of the merger agreement by our shareholders, we are permitted to engage in discussions or negotiations with, or provide any non-public information to any party to the extent that:

we receive from such party an acquisition proposal not solicited in violation of the prohibitions described above and which the board of directors (acting through the special committee if such committee still exists) concludes in good faith to be bona fide;

our board of directors (acting through the special committee if such committee still exists) concludes in good faith, after consultation with legal counsel and financial advisors, that the acquisition proposal constitutes or could reasonably be expected to result in a superior proposal; and

**Table of Contents**

after consultation with its outside counsel, our board of directors (acting through the special committee if such committee still exists) determines in good faith that the failure to take such action could violate its fiduciary duties under applicable law.

In such cases, we (i) will not, and will not allow our representatives to, disclose any non-public information to such person without entering into a confidentiality and standstill agreement that contains provisions that are no less favorable in the aggregate to us than those contained in the confidentiality agreements entered into with members of the Investor Group, and (ii) will promptly provide to Parent any non-public information concerning us or our subsidiaries provided to such other person which was not previously provided to Parent.

From and after 11:59 p.m., New York time, on September 12, 2006, we will promptly (within one business day) notify Parent in the event we receive an acquisition proposal from a person or group of related persons, including the material terms and conditions thereof, and will keep Parent apprised as to the status and any material developments, discussions and negotiations concerning the same on a current basis (and in any event no later than 48 hours after the occurrence of such developments, discussions or negotiations). Without limiting the foregoing, we will promptly (within one business day) notify Parent orally and in writing if we determine to begin providing information or to engage in negotiations concerning an acquisition proposal from a person or group of related persons. Within 24 hours of 11:59 p.m., New York time, on September 12, 2006, we will notify Parent of the number of parties who have submitted an acquisition proposal as of such date that meets the requirements for permitted discussions and negotiations as set forth in the preceding paragraph and provide Parent a written summary of the material terms and conditions of each such acquisition proposal received from such parties.

An acquisition proposal means any inquiry, proposal or offer from any person or group of persons other than Parent, Merger Sub or their respective affiliates relating to any direct or indirect acquisition or purchase of a business that constitutes 15% or more of the net revenues, net income or assets of us and our subsidiaries, taken as a whole, or 15% or more of any class or series of our securities, any tender offer or exchange offer that if consummated would result in any person or group of persons beneficially owning 15% or more of any class or series of our capital stock, or any merger, reorganization, consolidation, share exchange, business combination, recapitalization, liquidation, dissolution or similar transaction involving us (or any of our subsidiaries whose business constitutes 15% or more of our and our subsidiaries' net revenues, net income or assets, taken as a whole).

A superior proposal means an acquisition proposal for us which our board of directors (acting through the special committee if such committee still exists), in good faith determines would, if consummated, result in a transaction that is more favorable from a financial point of view to the shareholders than the merger, after (i) receiving the advice of a financial advisor, (ii) taking into account the likelihood of consummation of such transaction on the terms set forth therein and (iii) taking into account all appropriate legal (with the advice of outside counsel), financial (including the financing terms of any such proposal), regulatory or other aspects of such proposal and any other relevant factors permitted by applicable law. For purposes of the definition of superior proposal all references in the definition of acquisition proposal above to 15% or more shall be deemed to be references to a majority.

**Recommendation Withdrawal/Termination in Connection with a Superior Proposal**

Our board of directors (acting through the special committee if such committee still exists) may also, at any time prior to the approval of the merger agreement by our shareholders, withdraw (or modify or qualify in a manner adverse to Parent or Merger Sub), or publicly propose to withdraw (or modify or qualify in a manner adverse to Parent or Merger Sub), its recommendation that the shareholders of the Company adopt the merger agreement or take any other action or make any other public statement in connection with the special meeting inconsistent with such recommendation or terminate the merger agreement and enter into a definitive agreement with respect to a superior proposal if it concludes in good faith (after consultation with its legal advisors) that failure to do so could violate its obligations to comply

**Table of Contents**

with its fiduciary duties under applicable law, and only after (i) giving written notice to Parent and Merger Sub at least five calendar days in advance of its intention to do so, (ii) prior to effecting such action or terminating the merger agreement to enter into a definitive agreement with respect to such superior proposal, we (and cause our financial and legal advisors to), during such five-day period, negotiate with Parent and Merger Sub in good faith (to the extent Parent and Merger Sub desire to negotiate) to make such adjustments in the terms and conditions of the merger agreement so that such acquisition proposal ceases to constitute a superior proposal, and (iii) we pay to Parent the \$500 million or \$300 million termination fee as described in further detail below in Termination Fees.

**Termination of the Merger Agreement**

The merger agreement may be terminated at any time prior to the consummation of the merger, whether before or after shareholder approval has been obtained:

by mutual written consent of HCA, on the one hand, and Parent and Merger Sub, on the other hand;

by either HCA, on the one hand, or Parent or Merger Sub, on the other hand, if:

the merger is not consummated on or before December 19, 2006 (the end date ), or if the marketing period has not ended on or before December 19, 2006, the end date shall be extended to January 31, 2007 (and in such event, the term end date shall mean January 31, 2007), unless the failure of the merger to be completed by such date is the result of, or caused by, the failure of the party seeking to exercise such termination right to perform or observe any of the covenants or agreements of such party set forth in the merger agreement;

there is any final and nonappealable law that makes consummation of the merger illegal or otherwise prohibited; or

our shareholders, at the special meeting or at any adjournment thereof, fail to adopt the merger agreement;

by Parent or Merger Sub if:

we have breached any of our representations, warranties, covenants or agreements under the merger agreement which would give rise to the failure of certain conditions to closing and where that breach is incapable of being cured, or is not cured, on or before December 19, 2006, or, if the marketing period has not ended on or before December 19, 2006, by January 31, 2007; provided that neither Parent nor Merger Sub is then in material breach of the merger agreement so as to cause certain conditions to closing to not be satisfied; or

our board of directors or any committee of our board of directors (i) withdraws (or modifies or qualifies in a manner adverse to Parent or Merger Sub), or publicly proposes to withdraw (or modify or qualify in a manner adverse to Parent or Merger Sub), its recommendation that the shareholders of the Company adopt the merger agreement or takes any other action or makes any other public statement in connection with the special meeting inconsistent with such recommendation; (ii) shall have approved or recommended to our shareholders an acquisition proposal for us other than the merger contemplated by the merger agreement, or shall have resolved to effect the foregoing; or (iii) we fail to include the recommendation in our proxy statement in connection with the merger;

by HCA if:

Parent or Merger Sub has breached any of its representations, warranties, covenants or agreements under the merger agreement which would give rise to the failure of certain conditions to closing and where that breach is incapable of being cured, or is not cured, on or before December 19, 2006, or, if the marketing period has not ended on or before December 19, 2006, by January 31, 2007, provided that HCA is not in material breach of the

**Table of Contents**

merger agreement so as to cause the closing conditions relating to Parent and Merger Sub's obligations to consummate the merger not to be satisfied;

prior to obtaining shareholder approval, we terminate the merger agreement in order to enter into an agreement with respect to a superior proposal and provided that we concurrently with doing so pay to Parent and Merger Sub the termination fee as described below; or

if all conditions to the obligations of Parent and Merger Sub (other than delivery of an officer's certificate) have been satisfied and Parent fails to consummate the merger no later than five calendar days after the final day of the marketing period.

**Termination Fees**

***Payable by HCA***

We have agreed to reimburse Parent's out-of-pocket fees and expenses, up to a limit of \$50 million, if either the Company or Parent or Merger Sub terminates the merger agreement because of the failure to receive Company shareholder approval at the special meeting or any adjournment thereof or Parent or Merger Sub terminates the merger agreement due to a material breach of our representations, warranties, covenants or agreements such that the closing conditions would not be satisfied and such breach has not been cured within the specified time (or we terminate the merger agreement in accordance with its terms after the agreement was terminable because of such a breach).

If we terminate the merger agreement, or the merger agreement is terminated by Parent or Merger Sub under the conditions described in further detail below, we must pay a termination fee at the direction of Parent. The termination fee is \$500 million unless such termination arises as a result of a superior proposal submitted by a party with whom we began negotiations or who submitted such a proposal prior to 11:59 p.m., New York time, on September 12, 2006, in which case we must pay a fee of \$300 million.

We must pay a termination fee at the direction of Parent if:

we terminate the merger agreement, prior to the shareholders meeting, because we receive an acquisition proposal which we determine to be a superior proposal, but only after we have provided notice to Parent regarding the superior proposal and provided Parent with at least a five calendar day period, during which time we must negotiate in good faith with Parent, to enable Parent to make an offer that results in the other acquisition proposal no longer being a superior proposal;

Parent or Merger Sub terminates the merger agreement because (i) our board of directors or any committee of our board of directors withdraws (or modifies or qualifies in a manner adverse to Parent or Merger Sub), or publicly proposes to withdraw (or modify or qualify in a manner adverse to Parent or Merger Sub), its recommendation that our shareholders adopt the merger agreement or takes any other action or makes any other public statement in connection with the special meeting inconsistent with such recommendation; (ii) our board of directors or any committee of our board of directors shall have approved or recommended to our shareholders an acquisition proposal for us other than the merger contemplated by the merger agreement, or shall have resolved to effect the foregoing; or (iii) we fail to include in our proxy statement the recommendation of our board of directors that our shareholders adopt the merger agreement; or

we, on the one hand, or Parent or Merger Sub, on the other hand, terminate the merger agreement because our shareholders, at the special meeting or at any adjournment thereof at which the merger agreement is voted on, fail to adopt the merger agreement or we terminate the merger agreement in accordance with its terms after our shareholders have failed to adopt the merger agreement; and

prior to the shareholders meeting, an acquisition proposal involving the purchase of not less than a majority of our outstanding voting securities has been publicly announced or publicly made known and not publicly withdrawn at least two business days prior to the shareholder meeting; and

**Table of Contents**

within twelve months after such termination, we or any of our subsidiaries enter into an agreement with respect to, or consummate, any acquisition proposal involving the purchase of not less than a majority of our outstanding voting securities (whether or not the same as that originally announced or consummated).

Parent or Merger Sub terminates the merger agreement due to a material breach of our representations, warranties, covenants or agreements such that the closing conditions would not be satisfied and such breach has not been cured within the specified time (or we terminate the merger agreement in accordance with its terms after the agreement was terminable because of such a breach); and

prior to the event giving rise to such breach, an acquisition proposal involving the purchase of not less than a majority of our outstanding voting securities has been publicly announced or publicly made known; and

within twelve months after such termination, we or any of our subsidiaries enter into an agreement with respect to, or consummate, any acquisition proposal involving the purchase of not less than a majority of our outstanding voting securities (whether or not the same as that originally announced or consummated).

If we are obligated to pay a termination fee under the latter two scenarios described above, any amounts previously paid to Parent as expense reimbursement will be credited toward the termination fee amount payable by us.

***Payable by Parent***

Parent has agreed to pay us a termination fee of \$500 million if:

we terminate the merger agreement because the merger is not completed on or before December 19, 2006, or, if the marketing period has not ended on or before December 19, 2006, January 31, 2007, unless the failure of the merger to be completed by such date is the result of, or caused by, our failure to perform or observe any of our covenants or agreements set forth in the merger agreement and at the time of termination the mutual closing conditions and closing conditions required by Parent and Merger Sub have been satisfied;

we terminate the merger agreement because Parent or Merger Sub has breached any of its representations, warranties, covenants or agreements under the merger agreement which would give rise to the failure of certain of the Company's conditions to closing and where that breach is incapable of cure, or is not cured, within the specified time and at the time of termination no facts exist which would cause the closing conditions to the obligations of Parent and Merger Sub not to be satisfied; or

we terminate the merger agreement because certain conditions to the obligations of Parent and Merger Sub have been satisfied and Parent fails to consummate the merger no later than five calendar days after the final day of the marketing period.

**Employee Benefits**

The surviving corporation, on behalf of itself and each of its subsidiaries, has agreed to maintain, for a period commencing at the effective time of the merger and ending on the first anniversary thereof, for each employee employed at the effective time, compensation and employee benefits that in the aggregate are no less favorable than those provided prior to the effective time. The surviving corporation has agreed to recognize the service of such employees with HCA prior to the consummation of the merger for purposes of eligibility and vesting with respect to any benefit plan, program or arrangement, with the exception of benefit accruals under any newly established defined benefit pension plans (except for vacation and severance, if applicable), and to waive all limitations as to pre-existing conditions or eligibility limitations and give effect, for the applicable plan year in which the closing occurs, in determining any

**Table of Contents**

deductible and maximum out-of-pocket limitations, to claims incurred and amounts paid by, and amounts reimbursed to, employees under similar plans maintained by us and our subsidiaries immediately prior to the effective time of the merger.

At the effective time of the merger, except as otherwise agreed by a participant and Parent, all salary amounts withheld on behalf of the participants in the HCA stock purchase plans through the closing date of the merger will be deemed to have been used to purchase HCA Common Stock under the terms of these plans, using the closing date of the merger as the last date of the applicable offering period under these plans, and converted into the right to receive, effectively, a cash payment equal to the number of shares deemed purchased under these plans multiplied by \$51.00.

The Company has also agreed, prior to the effective time of the merger, to take all actions necessary (1) to eliminate any obligation of the Company or any of its subsidiaries to make any contributions to any grantor trust maintained for the benefit of participants with respect to obligations under the SERP or any other non-qualified retirement plan, and (2) to provide that the SERP shall, except as may be required by applicable law, in no event be terminated, or amended in a manner that would adversely affect any of the participants in the SERP as of the date of the merger agreement, at least until such time as each such participant has become fully vested in the maximum benefit available to each such participant under the SERP (including achieving the maximum years of service under the SERP).

If the merger is consummated, the HCA Stock Fund under the HCA 401(k) Plan will no longer be an investment option in the 401(k) Plan and share equivalents will be converted to cash as with other shares of HCA Common Stock. The cash will then be invested in another 401(k) Plan investment option and participants will receive information on how to transfer their money to a different option, should they so desire. The Company has appointed an independent fiduciary to vote the shares of the HCA Stock Fund in connection with the merger and has also provided for pass-through voting rights for those participants who wish to vote their equivalent shares.

**Indemnification and Insurance**

From and after the effective time of the merger, the surviving corporation shall to the greatest extent permitted by law indemnify and hold harmless (and comply with all of the Company's and its subsidiaries' existing obligations to advance funds for expenses) (i) the present and former officers and directors thereof against any and all costs or expenses (including reasonable attorneys' fees and expenses), judgments, fines, losses, claims, damages, liabilities and amounts paid in settlement in connection with any actual or threatened claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative ( Damages ), arising out of, relating to or in connection with any acts or omissions occurring or alleged to occur prior to or at the effective time, including, without limitation, the approval of the merger agreement, the merger or the other transactions contemplated by the merger agreement or arising out of or pertaining to the transactions contemplated by the merger agreement; and (ii) such persons against any and all Damages arising out of acts or omissions in connection with such persons serving as an officer, director or other fiduciary in any entity if such service was at the request or for the benefit of the Company or any of its subsidiaries.

As of the effective time of the merger, the Company shall have purchased, and, following the effective time, the surviving corporation shall maintain, a tail policy to the current policy of directors' and officers' liability insurance maintained on the date hereof by the Company (the Current Policy ) which tail policy shall be effective for a period from the effective time through and including the date six years after the closing date with respect to claims arising from facts or events that existed or occurred prior to or at the effective time, and which tail policy shall contain substantially the same coverage and amount as, and contain terms and conditions no less advantageous, in the aggregate, than the coverage currently provided by the Current Policy; provided, however, that in no event shall the surviving corporation be required to expend annually in excess of 300% of the annual premium currently paid by the Company under the Current Policy (the Insurance Amount ); provided, however, that if the premium of such insurance coverage exceeds the Insurance Amount, the Company shall be obligated to obtain, and the

**Table of Contents**

surviving corporation shall be obligated to maintain, a policy with the greatest coverage available for a cost not exceeding the Insurance Amount.

**Amendment, Extension and Waiver**

The parties may amend the merger agreement at any time; provided, however, that after we have obtained our shareholders' approval of the merger, there shall be no amendment that by law requires further approval by our shareholders without such approval having been obtained. All amendments to the merger agreement must be in writing signed by us, Parent and Merger Sub.

At any time before the consummation of the merger, each of the parties to the merger agreement may, by written instrument:

extend the time for the performance of any of the obligations or other acts of the other parties;

waive any inaccuracies in the representations and warranties of the other parties contained in the merger agreement or in any document delivered pursuant to the merger agreement; or

subject to the requirements of applicable law, waive compliance with any of the agreements or conditions contained in the merger agreement.

**DISSENTERS' RIGHTS OF APPRAISAL**

Under the General Corporation Law of the State of Delaware (the "DGCL"), you have the right to dissent from the merger and to receive payment in cash for the fair value of your HCA Common Stock as determined by the Delaware Court of Chancery, together with a fair rate of interest, if any, as determined by the court, in lieu of the consideration you would otherwise be entitled to pursuant to the merger agreement. These rights are known as appraisal rights. The Company's shareholders electing to exercise appraisal rights must comply with the provisions of Section 262 of the DGCL in order to perfect their rights. The Company will require strict compliance with the statutory procedures.

The following is intended as a brief summary of the material provisions of the Delaware statutory procedures required to be followed by a shareholder in order to dissent from the merger and perfect appraisal rights.

This summary, however, is not a complete statement of all applicable requirements and is qualified in its entirety by reference to Section 262 of the DGCL, the full text of which appears in Annex D to this proxy statement. Failure to precisely follow any of the statutory procedures set forth in Section 262 of the DGCL may result in a termination or waiver of your appraisal rights.

Section 262 requires that shareholders be notified that appraisal rights will be available not less than 20 days before the shareholders' meeting to vote on the merger. A copy of Section 262 must be included with such notice. This proxy statement constitutes the Company's notice to its shareholders of the availability of appraisal rights in connection with the merger in compliance with the requirements of Section 262. If you wish to consider exercising your appraisal rights, you should carefully review the text of Section 262 contained in Annex D since failure to timely and properly comply with the requirements of Section 262 will result in the loss of your appraisal rights under the DGCL.

If you elect to demand appraisal of your shares, you must satisfy each of the following conditions:

You must deliver to the Company a written demand for appraisal of your shares before the vote with respect to the merger is taken. This written demand for appraisal must be in addition to and separate from any proxy or vote abstaining from or voting against the adoption of the merger agreement. Voting against or failing to vote for the adoption of the merger agreement by itself does not constitute a demand for appraisal within the meaning of Section 262.

You must not vote in favor of the adoption of the merger agreement. A vote in favor of the adoption of the merger agreement, by proxy, over the Internet, by telephone or in person, will

**Table of Contents**

constitute a waiver of your appraisal rights in respect of the shares so voted and will nullify any previously filed written demands for appraisal. If you fail to comply with either of these conditions and the merger is completed, you will be entitled to receive the cash payment for your shares of HCA Common Stock as provided for in the merger agreement, but you will have no appraisal rights with respect to your shares of HCA Common Stock.

All demands for appraisal should be addressed to HCA Inc., One Park Plaza, Nashville, Tennessee 37203, Attention: Corporate Secretary, and must be delivered before the vote on the merger agreement is taken at the special meeting, and should be executed by, or on behalf of, the record holder of the shares of HCA Common Stock. The demand must reasonably inform the Company of the identity of the shareholder and the intention of the shareholder to demand appraisal of his, her or its shares.

To be effective, a demand for appraisal by a holder of HCA Common Stock must be made by, or in the name of, such registered shareholder, fully and correctly, as the shareholder's name appears on his or her stock certificate(s). **Beneficial owners who do not also hold the shares of record may not directly make appraisal demands to the Company. The beneficial holder must, in such cases, have the registered owner, such as a broker or other nominee, submit the required demand in respect of those shares.** If shares are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, execution of a demand for appraisal should be made by or for the fiduciary; and if the shares are owned of record by more than one person, as in a joint tenancy or tenancy in common, the demand should be executed by or for all joint owners. An authorized agent, including an authorized agent for two or more joint owners, may execute the demand for appraisal for a shareholder of record; however, the agent must identify the record owner or owners and expressly disclose the fact that, in executing the demand, he or she is acting as agent for the record owner. A record owner, such as a broker, who holds shares as a nominee for others, may exercise his or her right of appraisal with respect to the shares held for one or more beneficial owners, while not exercising this right for other beneficial owners. In that case, the written demand should state the number of shares as to which appraisal is sought. Where no number of shares is expressly mentioned, the demand will be presumed to cover all shares held in the name of the record owner.

**If you hold your shares of HCA Common Stock in a brokerage account or in other nominee form and you wish to exercise appraisal rights, you should consult with your broker or the other nominee to determine the appropriate procedures for the making of a demand for appraisal by the nominee.**

Within 10 days after the effective time of the merger, the surviving corporation must give written notice that the merger has become effective to each Company shareholder who has properly filed a written demand for appraisal and who did not vote in favor of the merger agreement. At any time within 60 days after the effective time, any shareholder who has demanded an appraisal has the right to withdraw the demand and to accept the cash payment specified by the merger agreement for his or her shares of HCA Common Stock. Within 120 days after the effective date of the merger, any shareholder who has complied with Section 262 shall, upon written request to the surviving corporation, be entitled to receive a written statement setting forth the aggregate number of shares not voted in favor of the merger agreement and with respect to which demands for appraisal rights have been received and the aggregate number of holders of such shares. Such written statement will be mailed to the requesting shareholder within 10 days after such written request is received by the surviving corporation or within 10 days after expiration of the period for delivery of demands for appraisal, whichever is later. Within 120 days after the effective time, either the surviving corporation or any shareholder who has complied with the requirements of Section 262 may file a petition in the Delaware Court of Chancery demanding a determination of the fair value of the shares held by all shareholders entitled to appraisal. Upon the filing of the petition by a shareholder, service of a copy of such petition shall be made upon the surviving corporation. The surviving corporation has no obligation to file such a petition in the event there are dissenting shareholders. Accordingly, the failure of a shareholder to file such a petition within the period specified could nullify the shareholder's previously written demand for appraisal.

If a petition for appraisal is duly filed by a shareholder and a copy of the petition is delivered to the surviving corporation, the surviving corporation will then be obligated, within 20 days after receiving

**Table of Contents**

service of a copy of the petition, to provide the Chancery Court with a duly verified list containing the names and addresses of all shareholders who have demanded an appraisal of their shares and with whom agreements as to the value of their shares have not been reached by the surviving corporation. After notice to dissenting shareholders who demanded appraisal of their shares, the Chancery Court is empowered to conduct a hearing upon the petition, and to determine those shareholders who have complied with Section 262 and who have become entitled to the appraisal rights provided thereby. The Chancery Court may require the shareholders who have demanded payment for their shares to submit their stock certificates to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any shareholder fails to comply with that direction, the Chancery Court may dismiss the proceedings as to that shareholder.

After determination of the shareholders entitled to appraisal of their shares of the Company's common stock, the Chancery Court will appraise the shares, determining their fair value exclusive of any element of value arising from the accomplishment or expectation of the merger, together with a fair rate of interest, if any. When the value is determined, the Chancery Court will direct the payment of such value, with interest thereon accrued during the pendency of the proceeding, if the Chancery Court so determines, to the shareholders entitled to receive the same, upon surrender by such holders of the certificates representing those shares.

In determining fair value, the Chancery Court is required to take into account all relevant factors. **You should be aware that the fair value of your shares as determined under Section 262 could be more than, the same as, or less than the value that you are entitled to receive under the terms of the merger agreement.**

Costs of the appraisal proceeding may be imposed upon the surviving corporation and the shareholders participating in the appraisal proceeding by the Chancery Court as the Chancery Court deems equitable in the circumstances. Upon the application of a shareholder, the Chancery Court may order all or a portion of the expenses incurred by any shareholder in connection with the appraisal proceeding, including, without limitation, reasonable attorneys' fees and the fees and expenses of experts, to be charged pro rata against the value of all shares entitled to appraisal. Any shareholder who had demanded appraisal rights will not, after the effective time of the merger, be entitled to vote shares subject to that demand for any purpose or to receive payments of dividends or any other distribution with respect to those shares, other than with respect to payment as of a record date prior to the effective time; however, if no petition for appraisal is filed within 120 days after the effective time of the merger, or if the shareholder delivers a written withdrawal of his or her demand for appraisal and an acceptance of the terms of the merger within 60 days after the effective time of the merger, then the right of that shareholder to appraisal will cease and that shareholder will be entitled to receive the cash payment for shares of his, her or its HCA Common Stock pursuant to the merger agreement. Any withdrawal of a demand for appraisal made more than 60 days after the effective time of the merger may only be made with the written approval of the surviving corporation and must, to be effective, be made within 120 days after the effective time.

**In view of the complexity of Section 262, the Company's shareholders who may wish to dissent from the merger and pursue appraisal rights should consult their legal advisors.**

- (e) Represents the total number of patients admitted to our hospitals and is used by management and certain investors as a general measure of inpatient volume.
- (f) Equivalent admissions are used by management and certain investors as a general measure of combined inpatient and outpatient volume. Equivalent admissions are computed by multiplying admissions (inpatient volume) by the sum of gross inpatient revenue and gross outpatient revenue and then dividing the resulting amount by gross inpatient revenue. The equivalent admissions computation equates outpatient revenue to the volume measure (admissions) used to measure inpatient volume, resulting in a general measure of combined inpatient and outpatient volume. Equivalent admissions for 2004 were reclassified to conform to the 2005 presentation.
- (g) Represents the average number of days admitted patients stay in our hospitals.

- (l) Represents the number of surgeries performed on patients who have been admitted to our hospitals. Pain management and endoscopy procedures are not included in inpatient surgeries.
- (m) Revenues per day is calculated by dividing the revenues for the period by the days in the period. Days revenues in accounts receivable is then calculated as accounts receivable, net of the allowance for doubtful accounts, at the end of the period divided by revenues per day.
- (n) Gross patient revenues are based upon our standard charge listing. Gross charges/ revenues typically do not reflect what our hospital facilities are paid. Gross charges/ revenues are reduced by contractual adjustments, discounts and charity care to determine reported revenues.

**Table of Contents****Projected Financial Information**

HCA's senior management does not as a matter of course make public projections as to future performance or earnings beyond the current fiscal year and is especially wary of making projections for extended earnings periods due to the unpredictability of the underlying assumptions and estimates. However, senior management did provide financial forecasts to the board of directors, Merrill Lynch, the Investor Group and the special committee and its financial advisors in connection with their consideration of a possible leveraged buyout of the Company. We have included a subset of these projections to give our shareholders access to certain nonpublic information deemed material by our special committee and board of directors for purposes of considering and evaluating the merger. The inclusion of this information should not be regarded as an indication that the Investor Group, our special committee or board of directors, Credit Suisse, Morgan Stanley or any other recipient of this information considered, or now considers, it to be a reliable prediction of future results.

HCA advised the recipients of the projections that its internal financial forecasts, upon which the projections were based, are subjective in many respects. The projections reflect numerous assumptions with respect to industry performance, general business, economic, market and financial conditions and other matters, all of which are difficult to predict and beyond HCA's control. The projections also reflect numerous estimates and assumptions related to the business of HCA that are inherently subject to significant economic, political, and competitive uncertainties, all of which are difficult to predict and many of which are beyond HCA's control. As a result, there can be no assurance that the projected results will be realized or that actual results will not be significantly higher or lower than projected.

The financial projections were prepared for internal use and to assist the Investor Group and the financial advisors to the special committee with their respective due diligence investigations of HCA and not with a view toward public disclosure or toward complying with U.S. generally accepted accounting principles, the published guidelines of the SEC regarding projections or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. HCA's independent registered public accounting firm has not examined or compiled any of the financial projections, expressed any conclusion or provided any form of assurance with respect to the financial projections and, accordingly, assumes no responsibility for them. The financial projections do not take into account any circumstances or events occurring after the date they were prepared. Projections of this type are based on estimates and assumptions that are inherently subject to factors such as industry performance, general business, economic, regulatory, market and financial conditions, as well as changes to the business, financial condition or results of operation of the Company, including the factors described under "Special Note Regarding Forward-Looking Statements" beginning on page 14, which factors may cause the financial projections or the underlying assumptions to be inaccurate. Since the projections cover multiple years, such information by its nature becomes less reliable with each successive year.

Since the date of the projections described below, the Company has made publicly available its actual results of operations for the quarter and six months ended June 30, 2006. You should review the Company's Quarterly Report on Form 10-Q for the quarter ended June 30, 2006 to obtain this information. Readers of this proxy statement are cautioned not to place undue reliance on the specific portions of the financial projections set forth below. No one has made or makes any representation to any shareholder regarding the information included in these projections. HCA does not intend to update or otherwise revise the projections to reflect circumstances existing after the date when made or to reflect the occurrence of future events, even in the event that any or all of the assumptions underlying the projections are shown to be in error.

For the foregoing reasons, as well as the bases and assumptions on which the financial projections were compiled, the inclusion of specific portions of the financial projections in this proxy statement should not be regarded as an indication that such projections will be an accurate prediction of future events, and they should not be relied on as such. Except as required by applicable securities laws, HCA does not intend to update, or otherwise revise the financial projections or the specific portions presented to reflect

circumstances existing after the date when made or to reflect the occurrence of future events, even in the event that any or all of the assumptions are shown to be in error.

*Initial Projections.* On January 26, 2006, senior management presented its forecast to the finance and investments committee of the Company's board of directors (the Initial Management Projections). Management also furnished the Initial Management Projections to Merrill Lynch which were used by Merrill Lynch in connection with its April 2006 presentation to management of an analysis of a leveraged buyout transaction. A summary of the Initial Management Projections is set forth below:

	<b>Initial Management Projections</b>		
	<b>2006</b>	<b>2007</b>	<b>2008</b>
	<b>(In millions)</b>		
Revenues	\$ 25,645	\$ 27,464	\$ 29,370
EBITDA(1)	4,446	4,740	5,068

- (1) Represents net income before gains on sales of facilities, depreciation and amortization, interest expense, minority interests in earnings of consolidated entities and provision for income taxes.

The material assumptions made by the Company in developing the Initial Management Projections were as follows:

	<b>2006</b>	<b>2007</b>	<b>2008</b>
	<b>(Dollars in millions)</b>		
Revenue growth(1)	4.9%	7.1%	6.9%
Salaries and benefits(2)	40.5%	40.6%	40.7%
Supplies(2)	16.9%	17.0%	17.1%
Provision for doubtful accounts(2)	10.4%	10.5%	10.6%
Investment gains(3)	\$ 50	\$ 0	\$ 0
Share-based compensation costs(4)	\$ 105	N/A	N/A
Reduction of malpractice reserve(5)	\$ 75	N/A	N/A
Capital expenditures	\$ 1,800	\$ 1,800	\$ 1,800

- (1) Expressed as a percentage change over the prior year.
- (2) Expressed as a percentage of projected revenues.
- (3) Represents estimated gains on sales of investments by the Company's insurance subsidiary.
- (4) Represents the estimated noncash share-based compensation costs related to stock options, restricted stock and stock purchase plans. No explicit assumption was used for 2007 or 2008.
- (5) A substantial portion of the Company's professional liability risks are insured through a wholly-owned insurance subsidiary. The assumption represents the estimated malpractice reserve reductions. No explicit assumption was used for 2007 or 2008.

*Revised Projections.* Following the end of the first quarter of 2006, senior management reviewed the Initial Management Projections in light of the most recent operating results available to management. Senior management revised the Initial Management Projections based on an analysis of low case and high case growth assumptions and an analysis prepared by the presidents of each of its hospital operating groups. The revisions reflected, among other considerations, that the trends with respect to patient volumes and the provision for bad debt were less favorable for the first quarter of 2006 than those assumed in the Initial Management Projections. These negative trends were partially offset by an assumed \$74 million increase in the 2006 estimated gains on sales of investments by the Company's insurance subsidiary. Based on this information and analysis, revised projections (the Revised Management Projections ) were prepared and presented by management to Merrill Lynch in late April 2006, the

Investor Group at a meeting on April 24, 2006, and to the board of directors at its meeting on May 25, 2006. A summary of the Revised Management Projections is set forth below:

	<b>Revised Management Projections</b>			
	<b>2006</b>	<b>2007</b>	<b>2008</b>	<b>2009</b>
	<b>(In millions)</b>			
Revenues	\$ 25,554	\$ 27,299	\$ 29,231	\$ 31,261
EBITDA	4,399	4,471	4,666	4,876

*Final Projections.* Following the May 25, 2006 meeting of the board of directors, senior management continued to refine its projections based on the latest operating results available to management for the second quarter of 2006 and to reflect for 2006 an additional \$15 million increase in the estimated gains on sales of investments by the Company's insurance subsidiary and an additional \$60 million reduction in the malpractice reserve as compared to the Revised Management Projections. Management also provided its projections for 2010 and 2011. The Company provided these projections (the Final Management Projections), a summary of which is set forth below, to the special committee, Credit Suisse, Morgan Stanley and Parent:

	<b>Final Management Projections</b>					
	<b>2006</b>	<b>2007</b>	<b>2008</b>	<b>2009</b>	<b>2010</b>	<b>2011</b>

EBITDA	4,327	4,330	4,517	4,716	4,965	5,223

The material assumptions made by the Company in developing the Final Management Projections are as follows:

	<b>2006</b>	<b>2007</b>	<b>2008</b>	<b>2009</b>	<b>2010</b>	<b>2011</b>

Capital expenditures	\$ 1,779	\$ 1,800	\$ 1,500	\$ 1,500	\$ 1,500	\$ 1,500

(1) Expressed as a percentage change over the prior year. Equivalent admissions growth is presented on a same facility basis.

(2)

Equivalent admissions are used by management and certain investors as a general measure of combined inpatient and outpatient volume. Equivalent admissions are computed by multiplying admissions (inpatient volume) by the sum of gross inpatient revenue and gross outpatient revenue and then dividing the resulting amount by gross inpatient revenue. The equivalent admissions computation equates outpatient revenue to the volume measure (admission) used to measure inpatient volume, resulting in a general measure of combined inpatient and outpatient volume.

- (3) Expressed as a percentage of projected revenues.
- (4) Represents estimated gains on sales of investments by the Company's insurance subsidiary.
- (5) Represents the estimated noncash share-based compensation costs related to stock options, restricted stock and stock purchase plans.

(6) A substantial portion of the Company's professional liability risks are insured through a wholly-owned insurance subsidiary. The assumption represents the estimated malpractice reserve reductions.

In connection with its review of the strategic alternatives available to the Company, the board of directors authorized management to retain McKinsey on behalf of the Company to analyze management's projections in light of McKinsey's previous work for the Company and its expertise in the health care industry generally. McKinsey assessed five fundamental drivers of overall profitability for the Company—net revenue per adjusted admission, volume, provision for bad debt, labor cost and supplier cost—based on a combination of historical company data, management projections, and external market data to develop a perspective on future company performance. Such assessment resulted in a base case forecast of annual EBITDA growth of 1.4% over the next three years, or 160 basis points below management's projection of 3.0% EBITDA growth, both starting with a management EBITDA projection for 2006 of \$4,312 million (which excludes an estimated \$15 million included in the Final Management Projections attributed to the operations of the four hospitals sold to LifePoint Hospitals, Inc. on July 1, 2006). This difference resulted in forecasted EBITDA for 2009 of \$4,498 million, or approximately \$220 million lower than management's projection of EBITDA for 2009. Of the \$220 million difference, (i) \$187 million was due to a lower projected incremental collections improvement on bad debt accounts than that projected by management, (ii) \$71 million was due to lower projected growth in the net revenue per adjusted admission for commercial payors and Medicare, and (iii) \$39 million was due to lower assumptions with respect to volume growth, such amounts offset by \$79 million representing lower assumptions with respect to increases in labor costs. McKinsey noted, however, that EBITDA in each individual year could be as much as \$150 to \$200 million higher or lower than forecasted (at 1.4% annual growth) due to factors such as (i) a mild or severe flu season affecting volume, (ii) the Company's ability to negotiate better than expected prices from insurers, affecting revenues, or additional state reimbursement for uninsured patients, affecting reserves for doubtful accounts, and (iii) the success of the Company's on-going initiative to reduce supply costs, which factors do not necessarily recur from year to year.

The materials presented by McKinsey to the special committee and the board of directors at their meetings on July 17, 2006 and July 23, 2006, respectively, are attached as exhibits to the Schedule 13E-3 filed with the SEC in connection with the merger, and the foregoing description is qualified in its entirety by reference to the full text of such materials, which are incorporated herein by reference. McKinsey prepared such materials to assist the Company, the special committee and the board of directors and not with the view toward public disclosure or toward complying with U.S. generally accepted accounting principles, the published guidelines of the SEC regarding projections or guidelines established by the American Institute of Certified Public accountants for preparation of prospective financial information. McKinsey assumed and relied, without independent verification, upon the accuracy and completeness of the information provided by the Company or obtained through public sources for the purposes of its analysis. With respect to management's financial forecasts for the Company which McKinsey reviewed, McKinsey assumed that they were reasonably prepared on bases reflecting management's best currently available estimates and judgments of the future financial performance of the Company. McKinsey was not asked to conduct, and did not conduct, any valuation or appraisal of the Company, or its assets or liabilities, and the materials provided by McKinsey to the special committee and the board of directors do not constitute any such valuation or appraisal of the Company, or a recommendation or support for a fair or appropriate price for the shares of the Company held by its unaffiliated shareholders, or a recommendation as to how such shareholders should vote with respect to the merger.

A management consulting fee of \$1.7 million is payable to McKinsey in connection with its work to date. The Company also agreed to reimburse McKinsey for its expenses and to indemnify McKinsey against certain liabilities and expenses relating to or arising out of its engagement. The Company chose to retain McKinsey based on McKinsey's reputation and expertise in the field of management consulting generally and its experience in consulting for companies in the healthcare industry. During the past two years McKinsey has performed, and may in the future perform, other consulting services for the Company.
