This Amendment No. 11 to the Tender Offer Statement on Schedule TO amends and supplements the Tender Offer Statement on Schedule TO filed with the Securities and Exchange Commission on February 11, 2010 (together with any amendments and supplements thereto, the "Schedule TO") by Air Products and Chemicals, Inc., a Delaware corporation ("Air Products"), and Air Products Distribution, Inc. (the "Purchaser"), a Delaware corporation and a wholly owned subsidiary of Air Products. The Schedule TO relates to the offer by the Purchaser to purchase all outstanding shares of common stock, par value \$0.01 per share (together with the associated preferred stock purchase rights, the "Shares"), of Airgas, Inc., a Delaware corporation ("Airgas"), at \$60.00 per Share, net to the seller in cash, without interest and less any required withholding taxes, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated February 11, 2010 (together with any amendments and supplements thereto, the "Offer to Purchase"), and in the related Letter of Transmittal (which, together with any amendments and supplements thereto, collectively constitute the "Offer").

Item 12.

Item 12 of the Schedule TO is hereby amended and supplemented as follows:

Certain materials filed as exhibits to this Schedule TO or in other filings incorporated by reference herein referred to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. For clarification, such safe harbor provisions do not apply to forward looking statements made in connection with the Offer.

The information included in Exhibit (a)(5)(xix) to the Schedule TO is hereby amended and supplemented as follows:

In recent years, Airgas has held its annual shareholder meeting in August. Furthermore, prior to the April 7, 2010 amendments to the Airgas By-Laws, the Airgas By-Laws required Airgas to hold its annual shareholder meeting within five months after the end of its fiscal year (which ends on March 31). On April 7, 2010, the Airgas Board amended the Airgas By-Laws to remove this requirement. Air Products believes this amendment is likely to result in at least a one-month delay in Airgas holding its annual shareholder meeting for 2010, compared to the timing of Airgas's annual shareholder meetings in recent years. Airgas has stated publicly that it expects to hold its next annual shareholder meeting on or prior to September 17, 2010 and that the meeting "will be held by mid-September", but has not yet set the date for such meeting.

The following exhibits are being filed herewith:
